No temporary position shall exceed one hundred and twenty workdays. All job openings of this nature will be advertised as "Temporary" and the dates of such a position (based on the administration's estimate of the number of work days needed to complete the specific tasks advertised) shall be stated in the notice. Extensions of temporary status may be made at the discretion of the Superintendent for up to 30 days. ## **ARTICLE 2: ASSOCIATION RIGHTS**

The Board agrees that all employees shall have full freedom of association and self-organization and shall be free from restraint, coercion, interference, discrimination or reprisals by the Board for reasons of membership in the Association or participating in any of its activities or the exercise of individual rights under RSA 273-A.

The Association and its representatives shall have the right to use the school building at all reasonable hours for meetings in accordance with established school policy.

Representatives of the Association and their affiliates shall be permitted to transact Association business on school property at all reasonable times so long as the Association's activities do not interfere with (the) normal school operations.

The Association and its representatives shall have the right to use school facilities and equipment, including typewriters, computers, and all duplicating machines at reasonable times, when such equipment is not otherwise in use. Any costs incurred by such use will be borne by the Association.

The Association and its representatives shall have the right to post notices of activities and matters of Association concern on staff bulletin boards and may use school mailboxes for communications.

At the beginning of every school year, the Association shall be credited with four days leave with pay to be used by and at the discretion of its officers or agents. The Superintendent shall be notified no less than two days prior to the commencement of such leave.

Designated representatives of the Association shall be allowed to receive telephone calls and other communications concerning Association business at any time during school hours so long as these activities do not interfere with normal school operation.

## **ARTICLE 3: MANAGEMENT CLAUSE**

The Association agrees that, except as specifically abridged or limited by the provisions of this agreement (or any agreement that may hereafter be made), all of the rights, powers, and authority of the Boards and their agents to manage, direct or supervise all of the operations of the Hanover and Dresden School Districts and all employees in all phases and details shall be retained by the Boards and their agents.

## **ARTICLE 4: NEGOTIATION PROCEDURE**

Negotiation procedure will be consistent with New Hampshire RSA 273-A.

All collective bargaining shall be conducted between the School Board and/or its representative(s) and the Association and/or its representative(s).

On or before October 1 prior to the expiration of this Agreement, the Association will submit to the School Board written notice(s) of its intent to negotiate a successor agreement concerning wages, fringe benefits, and terms and conditions of employment. Actual negotiations will begin no later than November 1st of that year.

During such negotiations, the School Board and the Association will present relevant data, exchange points of view, and make proposals and counter-proposals.

Either party may, (if it so desires,) utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

Any agreement reached shall be reduced to writing and signed by the negotiating teams for the School Boards and the Association and submitted to the Boards and Association for ratification. All cost components of the agreement must be presented to the voters of both districts in a manner consistent with legal requirements. Any agreement, which requires the approval of the Districts' voters shall be placed on the warrant in a timely fashion and shall become final only when approved by the voters of both Districts. (Failure to secure the Association's ratification or gain approval of the Board or voters in either District shall cause the parties to re-open negotiations and return to the bargaining table.) A copy of the agreement shall be filed with the New Hampshire Public Employee Labor Relations Board within fourteen days of the signing. The School Board, within thirty days of the signing of this agreement, shall be responsible for reproducing and distributing copies of the agreement to all current bargaining unit members and new hires. In addition, one copy of the agreement shall be available for reference in the Principal's office at each school.

## **ARTICLE 5: VACANCIES**

Notices of vacancies within the Hanover and Dresden School District shall be posted on the staff bulletin board in each of the schools and sent to the Association as soon as the administration has determined that a vacancy will be filled.

Such notices shall contain the date of posting, a description of the position, name and location of the school, requirements for the position, and the name of the person to whom the application is to be returned. The period between posting of a position and closing of applications shall be no less than four days.

When a vacancy arises in any support staff position, the Administration will first attempt to fill the vacancy with a qualified individual from within the bargaining unit. If more than one candidate from the bargaining unit is equally qualified, then seniority will be given priority consideration in filling the vacancy. The School Board retains the right to hire someone from outside of the District if that individual is better qualified for that position.

## **ARTICLE 6: REDUCTION IN FORCE**

The rights and benefits of this article are granted exclusively to employees who have completed two or more years of service in the District.

If the Board determines it necessary to decrease the number of staff, eliminate any position or reduce hours in a position, the Board may lay-off the necessary number of staff or reduce their hours, but only in the inverse order of seniority of the support staff of the District. In the case of a tie in seniority, the administration will decide whom to retain based on the needs of the district and the qualifications of the support staff who are "tied". (Less senior staff members will be subject to lay-off or reduction in hours before more senior staff members.) A bargaining unit member with low seniority may be passed over in a layoff or reduction circumstance if he/she possesses special skills that are presently needed and uncommon among other bargaining unit members. An example of such skills is sign language for the hearing impaired. The School Administration retains the right to determine assignments while applying the reduction in force procedures. A staff member being laid off who is qualified for another position may displace a staff person in another area or position with less seniority within the District. Under this article, no staff person may be

prevented from securing other employment during the period the staff person is laid-off. When a (new) staff position becomes available, laid-off staff members of the district shall be offered re-employment in the inverse order of their having been laid-off, provided that they are qualified to assume the available position(s) in accordance with Article 5.

Recall rights shall remain in effect for fifteen months from the date on which the layoff notice became effective. A recalled staff member's credit for previous years of service in the district shall not be lost as a result of a layoff.

The Administration shall prepare a seniority list for the 2010/2011 school year, which indicates the dates of employment for each bargaining unit member. Thereafter, the Administration will prepare a seniority list every five years unless needed sooner.

## **ARTICLE 7: FAIR TREATMENT *JUST CAUSE***

### Right to Representation:

A staff member shall at all times be entitled to have a representative of the Association present at any meeting when he/she is being disciplined for any infraction or deficiency in performance, - unless the Board or its agent determines that the infraction or deficiency warrants immediate discharge or suspension. In all cases not demanding immediate action, the staff member shall be given at least three days' notice of any such meeting.

### Statement of Reasons:

No staff member who has been employed for more than one year shall be discharged, suspended, warned in writing, or reduced in rank, hours, or compensation without just cause. In addition a written statement that provides the reason(s) for such action shall be provided. All written material forming the basis for such disciplinary action will be made available to the staff member and the Association unless dissemination is controlled by statute.

### Oral Communications:

This article shall not apply to oral communications between supervisors and staff members in the regular management of the schools as suggestions, corrections, directives, advice or oral warnings.

## **ARTICLE 8: EVALUATION**

It is recognized by the parties that evaluation of performance is the responsibility of the administration or a staff member who is designated to supervise the employee. The employee will be informed of the person responsible for his or her supervision. The supervising staff member will not be a member of this bargaining unit. The administration shall complete evaluation(s) for each support staff employee prior to May 15 of each year. Failure to complete the evaluation prior to the deadline shall result in no evaluation being provided that year. While the administration may delegate preparation of evaluations to teaching staff members who have knowledge of the employee's performance, ultimate responsibility for evaluation shall rest with building administration, and each evaluation shall be signed by a building administrator. The completed evaluation form will become part of the employee's personnel file. An employee who believes that he or she has been unfairly evaluated may file an appeal under Board Policy GAE.

Support staff employees will be provided with job descriptions on their initial day of work on the job.

No disciplinary action, or reprimand arising out of the evaluation shall be made unless a support staff employee has had an opportunity to first discuss his or her evaluation with the assistant principal or principal.

Each building shall have a standard evaluation form to be used for all support staff evaluations in that building. The evaluation form will provide lines for the signatures of the employee, the evaluator, and the building administrator. Each individual shall sign the completed evaluation. The signing of the evaluation by the employee is an acknowledgment by the employee that he/she has been informed of the contents of the evaluation; the signature of the employee does not necessarily indicate that the employee concurs with the evaluation. The employee may attach to his or her evaluation form, a written statement or a copy of the evaluation form as he or she believes it should be completed.

No material pertaining to a staff member's job performance or behavior will be placed in his/her personnel file unless the staff member has been given a copy of the material. The staff member and his/her representative will be allowed access to his/her personnel file consistent with SAU 70 Policy "GAK".

## **ARTICLE 9: GRIEVANCE PROCEDURE**

"Grievance" shall mean a written complaint issued by a staff member, a group of staff members, or the Association, which asserts that the terms and/or conditions of this Agreement have been violated.

An "aggrieved person" is the person or persons making the complaint. The term "day", when used in this article, shall mean school day(s), except at the close of the school year when "day" shall mean each of the weekdays, Monday through Friday, excluding holidays.

A grievance shall be considered only if submitted in writing to the principal of the school in which the affected employee or employees work before the expiration of twenty days from the day on which the "aggrieved person" first knew or reasonably should have known of the alleged act, omission to act, or occurrence giving rise to the grievance.

If said employee or employees work in more than one school, the grievance shall be submitted to the principal of the school or schools where the grievance originated. Such writing shall briefly state the nature of such act, omission to act, or occurrence as well as the alleged harm suffered as a result.

The aggrieved person shall continue to observe all assignments and applicable rules and regulations of the school district during the grievance process.

The meetings with the principal(s) and the Superintendent shall not be open to the public. The hearing(s) before the Board or its committee shall be closed to the public unless an open hearing is requested by the employee or is required to be open by law.

Failure by the aggrieved person at any step of this procedure to appeal a grievance to the next step within the time limit specified shall be deemed a waiver of further appeal of the decision.

### Level One. - The Principal

The aggrieved person may discuss the issues with the principal in an attempt to resolve the matter informally at that level. If, as a result of the discussion, the matter is not resolved to the satisfaction of the aggrieved person, then the grievance shall be set forth in writing and submitted to the principal specifying:

1. The nature of the grievance,

2. The provision of this contract being grieved,
3. The action required.

The principal shall communicate a decision in writing to the aggrieved person and to the president of the Association within ten days of receipt of the written grievance. Failure of the principal to communicate his/her decision on the grievance within this time period shall permit the grievance to move to Level Two.

#### Level Two - Superintendent.

The aggrieved person, no later than five days after receipt of the principal's decision, may appeal that decision to the Superintendent of Schools. The appeal must be made in writing, including the matter submitted to the principal, as specified above, and the dissatisfaction with the decision previously rendered. The Superintendent shall meet with the aggrieved person to attempt to resolve the matter as quickly as possible, but within a period not to exceed ten days. The Superintendent shall communicate his/her decision in writing to the aggrieved person and the president of the Association within ten days after the meeting. Failure of the Superintendent to communicate his/her decision on the grievance within this time period shall permit the grievance to move to Level Three.

#### Level Three. - School Board

If the Superintendent's decision does not resolve the grievance to the satisfaction of the employee, the decision may be appealed to the appropriate School Board(s) within five days of receipt of the Superintendent's decision. The aggrieved person shall have the right to appear before the School Board, or a committee thereof, to present evidence and argument for the School Board's consideration within twenty days of submitting the appeal to the School Board(s). The decision of the School Board shall be made and transmitted in writing to the employee no later than thirty days from the time of submission of the grievance to the School Board.

#### Level Four – Arbitration

If the decision of the School Board(s) does not resolve the grievance to the satisfaction of the aggrieved person and a third party review is desired, the employee shall so notify the Association within five days of receipt of the School Board's decision. If the Association determines that the matter should be arbitrated, it shall advise the School Board in writing within ten days of receipt of the aggrieved person's request. The parties will then initiate a request for arbitration according to the rules of the American Arbitration Association. The decision of the arbitrator shall be final and binding on both parties. The arbitrator shall not, in any way, add to or subtract from this agreement. The fees and expenses of the arbitrator will be shared equally by the two parties. Either party may appeal the arbitrator's award in accordance with RSA 542.

#### Rights of Staff Members, Association, Principal(s), Superintendent, & School Board(s)

1. An aggrieved person may be represented at all stages of the grievance procedure by him/herself or by the Association.
2. An individual employee may present an oral grievance to Level One.
3. No resolution of a grievance shall be inconsistent with the terms of this Agreement.
4. The Principal(s), the Superintendent, and the School Board(s) or a committee thereof may be represented at all stages of the grievance procedure by himself/herself/themselves and the school's attorney, or his/her designee.

### Grievance Documentation

All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants and shall not be forwarded to any prospective employer of the grievant, nor shall such documents be revealed or such grievance(s) be alluded to in any communication(s) between the administration and said prospective employer.

If the employee finds that he/she must return to the district's health insurance plan, the employee must satisfy the health insurance provider's re-entry requirements, if any, and the employee must repay the

Effective each July 1, all eligible employees will move one step on the wage schedule. All employees earning more than the maximum on the schedule will receive an increase equal to:

1.50%	1.75%	1.75%
-------	-------	-------

### Placement on Wage Schedule:

In all cases of placement on the wage scale, the determination of "credibility" of previous work experience is to be made by the Superintendent or her/his designee.

### New Hires:

Steps on the pay scale will be awarded to new hires based on the combination of previous related work experience and a relevant four-year college degree up to a maximum of five (5) steps. That is, the total number of steps a new hire may be awarded for this combination will not exceed five (5) steps. New hires may be awarded a maximum of five (5) years creditable experience for previous work experience and/or; a maximum of four (4) years creditable experience based on documentation of a relevant four year college degree.

#### Rehire:

The rights and benefits of this article are granted exclusively to employees who have completed two or more years of relevant service in the District and left the position in good standing. The rehired (returning) employee will be placed on the wage scale according to his/her years of previous service in the District. (Example: employee worked for the District for seven years, resigned, returned two years later; placement on the wage scale will be step 7.) Seniority of a rehired employee will be based on the date of the most recent hire.

#### Transfers:

An employee who transfers between any of the four schools in SAU 70 (i.e., the Bernice A. Ray School, the Richmond Middle School, Hanover High School, and the Marion Cross School), providing they are in good standing, will be placed at the same step on the pay scale as they would otherwise be eligible for prior to their transfer and will retain all rights of seniority.

#### Intensive Special Needs Differential:

An additional differential of up to twenty-five percent (25%) will be added to the hourly rate for educational assistants who accept assignments working one-on-one with students with intensive special needs; for example: combative students, students with behavior problems, students who require competence in sign language, or medical assistance such as toileting, hypodermic injections, or catheterizations, or students with severe autism, as determined by the Director of Special Services. Such determination may be appealed to the Superintendent of Schools, but is not subject to the grievance procedure. This differential will be paid for those hours that the student is in school.

#### Substitute Differential

A differential of fifty percent (50%) will be added to the hourly rate for education assistants who substitute for an absent teacher. Substitutions of less than one-hour at the elementary level and for less than one period at the middle or high schools will not be eligible for this differential. A time sheet must be submitted by the employee to request payment of the substitute differential. The administration will not be obligated to provide a substitute for the educational assistant.

#### Good Faith Errors

The Hanover and Dresden School Districts and the Hanover Support Staff NEA-NH agree that when a good faith error is made in the placement or compensation of a bargaining unit member, the error will be corrected.

#### Longevity Payments:

Longevity payments shall be determined by the number of years employed with the district and shall be paid to the employee in December of each year as follows:

- \$750 upon completion of 10 to 14 years
- \$1,000 upon completion of 15 to 19 years
- \$1,250 upon completion of 20 or more years

#### Retirement

Bargaining Unit Members may make contributions to a 403b/Tax Sheltered Annuity plan through payroll deductions as soon as employment begins. Bargaining unit members who work at least 30 hours per week but less than 35 hours per week, and who therefore do not qualify for NHRS participation through their employing district, and who choose to contribute to a 403b or TSA plan, will have their contributions matched by their employing district up to a maximum of 4% of the member's annual earnings as determined by their Letter of Intent. These earnings will not include "other" income such as insurance buybacks, stipends, and extra hours' pay. It is understood that if the employee's working hours as described in their Letter of Intent change, these changes will be reflected in the implementation of this provision.

## **ARTICLE 15: STAFF DEVELOPMENT**

## **EXHIBIT 1:        Method of Pro-rating personal leave time for Dresden and Hanover Support Staff**

30 hours = fulltime employment

3 days personal leave for fulltime employment

Pro-ration method for all part-time employees:

Number of personal days divided by percentage of fulltime employment (numbers of hours worked per week divided by 30) rounded up to the nearest half day.

Example 1:

For an employee who works 28 hours a week or 93%:

$$28/30 = 0.93$$

$$3 \times 0.93 = 2.79 \text{ days rounded up to nearest } 1/2 \text{ day} = 3 \text{ days personal leave.}$$

Example 2:

For an employee who works 20 hours a week or 67%:

$$20/30 = 0.67$$

$$3 \times 0.67 = 2.01 \text{ days round up to the nearest } 1/2 \text{ day} = 2 \text{ days personal leave.}$$
