ARTICLE I

RECOGNITION

The Board recognizes the Kensington Education Association, NEA New Hampshire, as the exclusive representative of all professional employees of the Kensington School District as defined below for the purpose of negotiating salaries, salary related benefits, hours, terms and conditions of employment. The Board agrees not to negotiate with any teachers' group or association other than the designated unit in regard to any matter subject to negotiations. This shall not prevent the Board from communication or consultation with any individual or group of teachers for any purpose that the Board shall deem desirable in the discharge of its responsibilities; nor shall it preclude any teacher from appearing before the Board in his/her own behalf on matters relating to employment by the Board.

Professional employees of the Kensington School District are defined as all personnel, both full time and part time, whose position requires certification by the state of New Hampshire.

Notwithstanding, the person serving as principal of the school shall not be a member of the bargaining unit represented by the Kensington Education Association.

ARTICLE II

JURISDICTION AND AUTHORITY OF THE SCHOOL BOARD

The Board, subject only to the language of this Agreement, reserves to itself full jurisdiction and authority over matters of policy and retains the right in accordance with applicable laws and regulations to direct and manage all activities of the School District. The parties understand that the Board may not lawfully delegate the power of authority which, by law, is vested in them; and this Agreement shall not be construed so as to constitute a delegation of the power of either.

ARTICLE III

NEGOTIATIONS

- A. Negotiations will be conducted in accordance with the procedures outlined in RSA 273-A.
- B. Any agreement reached which requires the expenditures of public funds for its implementation shall not be binding upon the Board, unless, and until the necessary appropriations have been made by the voters of the district. If such funds are not approved by the voters of the district, the Board and the Association shall reopen negotiations.
- C. In the event that a mediation session continues past midnight, the teachers involved will be granted the following day off with pay. The day will not be charged against leave days.
- D. Nothing in this article shall be construed to prohibit the Association and the Board from reaching agreement at any time between the declaring of impasse and the Annual Meeting.

ARTICLE IV

SAVINGS CLAUSE

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall be deemed not valid and subsisting, except to the extent permitted by law. All other provisions and/or applications shall continue in full force and effect. In such instance, the Board and the Association shall meet within fifteen (15) days of such legal determination for the purpose of adjusting the Article(s) affected to comport with an existing law.

ARTICLE V

STANDARDS CLAUSE

All conditions and benefits specified in this Agreement will be maintained at highest minimum standards throughout the Agreement period except as noted in paragraph B of Article III. This Agreement shall not be applied or interpreted so as to deprive employees of benefits provided through previous negotiations unless such benefits were specifically negotiated out of a successor Agreement.

ARTICLE VI

STAFF APPRAISAL

Kensington Education Association agrees that in the event that all other districts in the SAU adopt a common evaluation document, the evaluation committee will reconvene for the purpose of adopting the common evaluation tool. The committee shall consist of 2 teachers, 1 board member, and 1 administrator and any vote will be unanimous. This committee shall meet annually. The current document will remain in place until a new one is approved by the Board and Association.

ARTICLE VII

GRIEVANCE PROCEDURE

A. Definition:

A grievance shall mean a complaint by a professional employee or the Association that there has been a violation, mis-interpretation, or inequitable application of any of the provisions of this Agreement.

An "aggrieved person" or grievant, is the entity, person or persons or the Association making the complaint.

The term "days" when used in this article shall mean working school days, except after the end of the school year when they shall be Monday through Friday; thus weekend or vacation days are always excluded.

B. Initiation and Processing

In order for a grievance to be considered under this procedure it must be initiated in writing by the grievant within twenty (20) days of when the grievant should have reasonably known of its occurrence, or from the time it occurred, whichever is later.

Nothing in this procedure shall prevent the Association from processing any grievance under this procedure at level 1B and beyond. Failure at any level of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next level.

Level One - Principal

a. A professional employee with a grievance will first discuss it with the building principal or immediate superior, with the objective of resolving the matter informally.

b. If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant, the grievant may present the grievance in writing to the Principal on the appropriate form.

Level Two - Superintendent (or his/her designee)

If the grievance is not resolved to the grievant's satisfaction, or if no decision has been rendered within five (5) days by the Principal, the grievant may appeal to the Superintendent in writing within five (5) days. The Superintendent shall arrange for a meeting to take place within five (5) days of receipt of the appeal. Upon conclusion of the meeting, the Superintendent shall render his written decision to the grievant, the Association, and to the administrators involved at the previous step of the grievance procedure.

Level Three - Board

If the grievance is not resolved to the grievant's satisfaction, or if no decision has been rendered by the Superintendent within five (5) days, the grievant may request and shall be granted a review by the Board. Such request must be made within five (5) days after the receipt of the Superintendent's decision, and shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board within five (5) days. The Board, or committee thereof, shall review the grievance and shall hold a meeting with the grievant. Within twenty (20) days of the receipt of the appeal, the Board shall render a decision in writing and the reasons therefore, and forward these copies of the decision to the grievant, to the Association, and to the administrators involved at the previous steps of the grievance procedure.

Level Four- Arbitration

a. If the decision of the Board does not resolve the grievance to the satisfaction of the grievant or if no decision is rendered within twenty (20) days of the receipt of the grievance, the grievant shall notify the Association within five (5) days of the receipt of the Board's decision or the expiration of the twenty (20) day period. If the Association determines that the matter should be arbitrated further, it shall, in writing, so advise the Board within ten (10) days of notification of the Board's decision. The grievant will then initiate a request for arbitration to the Federal Mediation and Conciliation Service or the American Arbitration Association. Either of these organizations then submits a list of qualified arbitrators for selection by the parties in accordance with rules and procedures prescribed by it for making such designation.

b. Neither the Board nor the Association will be permitted to assert any ground or evidence before the arbitrator, which was not previously disclosed to the other party. The decision of the arbitrator will be binding upon both parties.

c. The Board, the grievant, and the Association shall receive copies of the arbitrator's report. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's meeting.

d. The Board and the Association recognize this Agreement as a legal document and each may use the courts to enforce it.

e. The expenses of the arbitrator will be shared by the Board and the Association equally.

C. Right of Professional Employees to Representation

1. The aggrieved professional employee may at his/her option represent themselves at the informal level. Grievances beyond this level will be processed by the Association.

2. The Board and the Association shall assure that the parties in interest and witnesses are guaranteed freedom from restraint, interference, coercion, discrimination, or reprisal with respect to the processing of a grievance.

3. The Administration will grant the parties in interest and witnesses release time from their duties to participate in the processing of the grievance.

ARTICLE VIII

ASSOCIATION RIGHTS

The Association and its representatives may in accordance with applicable School Board policy, be granted the privilege of using District buildings for meetings at such times that will not interfere with the normal operations of the District and which will not entail additional costs for maintenance or custodial care. ARTICLE IX

SCHOOL YEAR; SCHOOL DAY; DUTIES; MEETINGS; LEAVING BUILDING; LUNCH PERIOD

A. Each school year will be no longer than 184 days. The purpose and date of the additional day will be determined annually by mutual consent of the Board and KEA. It will be determined before the following school-year calendar is finalized. It is understood by the parties that the determination of the school calendar and the starting and ending time of the school day is the responsibility of the School Board. However, a regular working day for professional staff is not to exceed four hundred thirty (430) consecutive minutes.

In the event the Board considers a change in the starting or closing time of the school day or considers a change in the organization of the school day, the Board will notify the professional employees affected by the proposed change, and upon request, will meet with a committee approved by the Kensington Education Association to discuss the proposed changes.

B. Professional employees must be present at assigned stations fifteen (15) minutes prior to the opening of school and professional employees are to remain in school fifteen (15) minutes after the close of the regular working day. Permission for early departure to attend classes or meetings may be granted by the building principal provided that such departure does not disrupt the orderly operation of the school.

C. As a professional, each teacher is expected to devote to his/her work the time necessary to accomplish the task at hand. Any extension of the school day shall be based on the following:

1. Individual parent conferences will be scheduled at a time and place mutually convenient to the teacher and other parties involved. Formal school-wide conferences will be scheduled by the principal and will be held on early release days, twice a year. Teachers will be available for conferences on the designated early release days during both the afternoon and evening hours. Teachers will be free to leave the school in the afternoon of one (1) early release day.

2. Professional staff meetings, other than those held during early release time, shall be limited to two (2) per month, except in case of emergency. Such meetings will begin no later than fifteen (15) minutes after student dismissal and shall run no more than sixty (60) minutes.

3. Except for days designated by the SAU or the Kensington School Board, individual instruction and professional growth sessions shall be at the professional discretion of each teacher.

D. Assigned Duties:

1. All teachers shall have duty assigned at the discretion of the building principal. The criteria for developing the duty schedule will be approved by mutual assent of both the administration and the faculty by the first student contact day of school each year. If the criteria cannot be agreed upon the Association will follow the grievance procedure through level three of this agreement. The ultimate decision will therefore rest with the Board. During the grievance process the principal shall develop an interim duty schedule. These duties may include early morning duty; bus duty; lunch duty; and/or playground duty. Bus duty shall not exceed 15 minutes after the end of the school day and early morning duty shall not exceed 30 minutes prior to the opening of school.

Preparation time shall be prorated for part time employees covered by this agreement by determining the ratio of hours worked by the part time professional employee to those required of the full time employee.

ARTICLE X

VACANCIES AND TRANSFERS

A. Notices of professional employee vacancies in Kensington and in SAU 16 will be posted in each school during the regular school year and sent to the Association President as soon as prepared in the case of vacancies in Kensington and as soon as received from SAU 16 in the case of all others. The notice shall be dated, indicate the position open, the location of the vacancy by school, any special requirements for the position, and the last date to submit applications.

B. During the term of this Agreement teachers who desire a transfer for the ensuing school year must file with the Superintendent before April 1, a written request, which shall include documentation of qualifications.

C. When the decision to make an involuntary transfer has been made by the Superintendent, the professional employee affected will be notified immediately. Upon request a professional employee designated for involuntary transfer shall be entitled to a meeting with the Superintendent or his/her designee to discuss the reasons for the involuntary transfer. If still dissatisfied, the professional employee may request a meeting before the Board.

ARTICLE XI

REDUCTION IN FORCE

A. In the event it becomes necessary to reduce the number of professional employees due to reasons of economy, program elimination, reduction in subject area, decrease in enrollment, or the consolidation or elimination of position(s), the basis for the decision to lay-off professional employees shall be seniority and performance. The quality of a professional employee's performance shall be assessed by the accepted evaluation document. Among the professional staff those with less than three (3) consecutive years of experience in Kensington shall be laid off first, providing there are fully certified and competent staff members qualified to replace them and perform all the assigned duties of the laid-off staff member.

B. Those professional employees with the least amount of consecutive service shall be considered for lay-off first and those professional employees with four (4) or more consecutive years of experience in Kensington shall be considered for lay-offs in order of seniority. Such professional employees shall be reinstated in inverse order of seniority, if certified to fill the vacancies. Such reinstatement shall not result in a loss of credit for previous years of service. No new or more than one-half (1/2) year substitute appointments may be made while there are laid off professional employees available who are certified to fill the vacancies. Any professional employee laid off because of reduction in force shall have a letter placed in his/her professional file stating that said professional employee was not offered a new contract because of a reduction in force. Such information shall also be contained in any request for recommendation. Any professional employee so affected shall be granted one (1) year automatic recall.

It is the responsibility of a laid off professional employee to notify the School District of availability for recall for a second year in writing by March 1st of the first year.

C. Notice of planned reduction shall be communicated to all employees when a final determination as to the extent of reduction is known. The Board shall make every effort to determine the number of resignations and retirements in any given year in order to avoid unnecessary layoffs.

ARTICLE XII

PROFESSIONAL COMPENSATION

A. The professional employee covered by this Agreement will be paid according to the following three options:

1) Payment in twenty-six (26) equal bi-weekly paychecks from September to August.

2) Payment divided into twenty-six (26) equal payments with twenty-one (21) or twenty-two (22) bi-weekly paychecks from September to June. The final five (5) or four (4) payments will be included in the first (1st) July paycheck.

3) Payment during the school year from September to June in twenty-two (22) equal bi-weekly paychecks providing written notification is given to the District Office at the time of signing of the individual contract.

The professional employee must select a payment option to be applicable for the entire ensuing year no later than August 15 provided that forms for electing such options are sent to the teachers with back to school mailings.

B. Placement on the salary schedule (see Appendix B) at the time of hire shall be in accordance with the professional employee's total years of experience and degrees attained, as well as the number of credits beyond such degree.

C. Each professional employee may be advanced on the salary schedule until the maximum is reached, provided that the requirements for recertification have been met, and that there has been demonstrated an improvement or growth in teaching which results in a generally satisfactory performance. Increments shall be awarded only by action of the Board upon the recommendation of the Superintendent. Increments shall be withheld only for Just Cause.

D. Staff Development credit for salary purposes will be given at the rate of 15 clock hours to equal one (1) college credit, applicable toward the salary advancement in accordance with the salary plan when these credits are attained outside the normal school hours covered under this Agreement and are for workshops, conferences, institutes and courses approved in advance. No more than six (6) incremental credits from staff development clock hours will be recognized for track increase within each separate salary track. Staff Development credit for approved workshops, conferences, institutes and courses taken during school hours will be credited to clock hours earned and will not be used for the purpose of advancement on the salary schedule. They shall also be applicable to Staff Development credit for recertification.

Salary adjustments as a result of this Article must be submitted to the District Office by August 15. The August deadline will be extended if a professional employee is taking a course which ends after August 15. Such adjustments will not be made unless the employee notifies the District Office prior to January 10 of his/her intention to take courses which will result in his/her obtaining a degree or a higher credit status on the salary schedule in the following year.

Salary adjustments as a result of this Article that are to commence third quarter shall be prorated 50% for the remainder of that year and shall require that the District Office be notified by January 1st of the previous year. There will be no penalty if advancement does not occur.

E. Upon the approval of the Principal and the Superintendent, the Board reserves the right to grant increments in excess of those provided by the salary schedule to a professional employee who has made an unusual contribution to the school system.

F. The Board agrees to pay 60% of all unused accumulated sick days (120 days maximum) to any professional employee who retires from the system after the age of fifty-five (55), and who has worked the last ten (10) consecutive years in the Kensington School District. The professional employee retiring must notify the Superintendent by letter no later than January 10 of the year prior to his/her last teaching year in order to receive this benefit upon retiring. If the teacher does not so notify the Superintendent he/she will receive the benefit no later than the fiscal year following his/her retirement. This benefit will be paid based on the professional employee's highest daily rate.

ARTICLE XIII

ARTICLE XIV

EXTENDED LEAVES

A. Leaves of Absence

1. The Board will consider requests for leaves of absence, without pay or benefits, submitted by professional employees. The Board may grant leaves of absence for special purposes such as caring for a sick family member, continuing education or other reasons. Normally the duration of a leave shall be no more than one (1) year. A professional employee may request a leave extension due to unusual or extenuating circumstances.

2. The professional employee who has been granted a leave of absence may arrange with the District Office to continue payments for medical insurance, tax sheltered annuities, life insurance, and credit union. Such payments would be by the professional employee to the District Office in advance of the month due.

3. Such leaves are to be without loss of accumulated sick leave and seniority.

4. At the conclusion of a leave of absence, the professional employee will be reinstated to the same or equivalent teaching position. "Equivalent" for these purposes shall mean full time or part time as the case may be. In the event that the professional employee's return from leave shall be affected by a reduction in work force, the professional employee's return shall be subject to the provisions of Article XI. The professional employee will notify the administration in May to confirm the intent to return from leave.
