1. RECOGNITION

- 1.1 The Mascenic Regional School Board recognizes the Mascenic Education Association/NEA New Hampshire as the exclusive bargaining representative for all teachers, and others, as defined in Section 1.2, employed by the Mascenic Regional School system for the purpose of negotiating with the Board with respect to terms and conditions of employment pursuant to and defined by RSA 273-A.
- 1.2 The term "teacher" shall mean a full time professional employee whose main duty is classroom teaching and whose position requires certification by the State Board of Education. The Mascenic Regional School Board recognizes the Mascenic Education Association as the exclusive bargaining representative for all nurses, guidance counselors, and librarians employed full time by the Mascenic Regional School District for the purpose of negotiating with the board with respect to terms and conditions of employment pursuant to and defined by RSA 273-A.
- 1.3 The term "teacher" shall exclude all others employed by the Board including: Superintendents, Principals, Administrative Personnel, Teacher Consultants, Paraprofessionals, Custodial Personnel, Food Service Personnel, other persons employed by the Board and/or any other administrative or supervisory employee.

2. NEGOTIATION PROCEDURE

The parties will negotiate in accordance with RSA 273-A as that statute may be superseded or amended. In addition:

- 2.1 Any tentative agreements reached during negotiations are subject to reaching full agreement on all items and ratification by the full membership of the school board and the Association.
- 2.2 Any agreement reached which requires the expenditure of public funds for implementation shall not be binding on the Board, unless and until the necessary appropriations have been approved by the vote of the District. The Board shall make a good faith effort to secure the funds necessary to implement said agreements. If such funds are not forthcoming, and the District voters adopt an amount less than the budget proposed by the School Board for the administration of the school and the payment of school bills, the agreements reached by the parties shall be void and the parties shall return to negotiations within fifteen (15) days.
- 2.3 If the parties fail to reach agreement on any matter or matters which are subject to negotiations, either party may declare an impasse. The parties will then attempt to mutually select a Mediator of their own choosing. If no agreement is reached on a Mediator, either party may request the Public Employee Labor Relations Board to appoint a Mediator for the purpose of assisting the parties in reconciling their differences and resolving the controversies on terms which are mutually acceptable.
- 2.4 In the event an impasse still exists, the parties agree to follow the procedures outlined under RSA 273-A:12 Resolution of Disputes.
- 2.5 The costs of mediation and/or fact-finding shall be shared by the Board and the Association.

3. ASSOCIATION, UNION RIGHTS

- 3.1 The Association and its representatives shall have the right to use school buildings at all reasonable hours for meetings, provided that when special custodial service is required, the Employer may make a reasonable charge therefore.
- 3.2 Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations.
- 3.3 The Association shall have the right to use school facilities and equipment, including but not limited to, computer equipment (except for Administrative office computers), other duplicating equipment, and audio visual equipment at reasonable times when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials, supplies and telephone charges incidental to such use.
- 3.4 The Association shall have the right to post notices of activities and matters of Association concern on designated bulletin boards, at least one of which shall be provided in each school building. The Association may use the District mail service and employer mail boxes for communication to bargaining unit members.
- 3.5 The rights granted herein to the Association shall not be granted or extended to any competing labor organization.
- 3.6 The Association will be entitled to hold a meeting of its membership during the first day of work in each school year, either before or immediately following the meeting held by the District Administration. The District will allow at least 30 minutes for the meeting.
- 3.7 Association Leave- Five (5) days total per year shall be granted upon timely request for the purpose of conducting Association business; said days are non-cumulative. As a condition of granting Association Leave the Association shall pay to the District the cost of any substitute required to cover for the day.

4. SALARY DEDUCTIONS

Upon appropriate written authorization from the bargaining unit member, the employer shall deduct from the salary of any such bargaining unit member and make appropriate remittance for NEA-NH payments, annuities, credit union, and any other plans or programs jointly approved by the Association and the employer. Such authorization shall continue in effect from year to year unless revoked in writing.

5. GRIEVANCE PROCEDURE

The Association and the Board, recognize that honest differences do arise, and that fair and peaceful resolution of such differences are in the best interests of the Mascenic Regional School District.

- 5.1 Definition. A grievance shall mean a claim by a member of the bargaining unit or the Association that there has been a loss or injury because of a violation of one or more provisions of this agreement, except a grievance shall not be any matter which is beyond the scope of Board authority or limited to unilateral action as defined by state law or the State Board of Education.

For a claim to be considered a grievance, it must be submitted in writing within twenty (20) calendar days of its occurrence or from the time the teacher or Association should have known of its occurrence. For each step of the Formal Grievance Procedure below, the parties shall use the "Grievance Forms attached as Appendix A).

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved person to proceed to the next level, except at Board level. Failure at any level of the procedure to appeal a grievance within the specified time limits shall be deemed to be acceptance of the decision at that level.

Any grievant shall continue to fulfill his/her assigned duties, observe applicable rules and regulations, including assignments or directives which may be the subject of the grievance, until the outcome of such grievance has been determined pursuant to this Article or other disposition. However, if the actual subject matter (i.e., alleged violation of a specific substantive provision of this Agreement) of the grievance involves assault or criminal threatening as defined under the New Hampshire Criminal Code on the part of a student against a bargaining unit member, then the grievant, upon request, is entitled to be reassigned while the grievance is pending.

Any time periods set forth below may be extended by agreement of the parties. All references to days shall mean calendar days. If a deadline falls on a Saturday or Sunday, a holiday, or a snow day, then the deadline shall be the next business day. All times will be triggered by the receipt by the other party of the appeal or decision at issue.

5.2 Right of Representation- A member has the right to have a representative of choice present when processing a grievance. The representative should be an official representative of the Association or if not, the Association has the right to have someone present to represent its interests.

5.3 Informal Grievance Procedure -The parties acknowledge that it is more desirable for a member and the immediately involved supervisor to resolve problems through free and informal communications, before resorting to more formal measures. Accordingly, grievances which are not satisfactorily settled in an informal way shall be reduced to writing and referred to the grievance procedure set forth below.

5.4 Formal Grievance Procedure

Step 1: The member shall submit the grievance to his/her Building Principal. The Principal will meet with the grievant within ten (10) calendar days of receiving the grievance. A decision by the Principal shall be rendered in writing within ten (10) calendar days. In the case of the Association, the grievance shall be submitted to the appropriate Building Principal.

Step 2: If the member or the Association is not satisfied with the decision, he/she may appeal the decision to the Superintendent of Schools within ten (10) calendar days after receipt of the decision of the Building Principal. The appeal must be in writing and must specify:

- a. The specific provision of the agreement which is alleged to have been violated;
- b. The injury and the loss which is claimed; and
- c. The remedies sought.

The Superintendent may not act on the grievance unless a, b, and c above are included in the appeal. If the appeal meets the conditions stated above, the Superintendent will meet with the participants of Step 1 and examine the facts of the grievance and then render his/her decision within fifteen (15) calendar days after the receipt of the appeal.

Step 3: If the member or Association is not satisfied with the decision of the Superintendent, he/she may appeal the decision to the Board. Such an appeal

must be made within 10 calendar days after the receipt of the Superintendent's decision. The appeal shall be in writing and include:

- a. The specific provision of the agreement which is alleged to have been violated;
- b. The injury and the loss which is claimed;
- c. The remedies sought; and
- d. The fault with the Superintendent's decision.

The Board or a committee thereof shall review the grievance and shall hold a hearing with those involved in the grievance. The School Board shall render its decision in writing within twenty (20) calendar days after the receipt of the appeal.

- Step 4: If the Association is not satisfied with the decision rendered by the Board, or the Board fails to render a decision within twenty (20) days after the appeal is received at the SAU offices, the Association may appeal the grievance to arbitration by notifying the Board of its intent to do so within ten (10) calendar days after receipt of the decision or from the date the decision of the Board should have been rendered.

An arbitrator may be selected by mutual agreement of the parties. In the event that the parties fail to agree upon an arbitrator, an arbitrator shall be selected through the procedures set forth by the American Arbitration Association.

The costs for the services of the arbitrator, including per diem costs, if any, the actual and necessary travel, subsistence expenses and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

The best efforts of the arbitrator shall be used to arbitrate the grievance, but the arbitrator shall have no power to do anything other than interpret and apply provisions of this Agreement. The arbitrator shall have no power to add to, subtract from, or modify any provision of this Agreement or any policy of the Board, unless the policy is contrary to the provisions of the Agreement or state law.

The decision of the arbitrator shall be binding. However, either party reserves the right to appeal said decision under the provisions of RSA 542, incorporated herein by reference.

6. TEACHER RIGHTS

Any teacher who voluntarily terminates his or her employment without working two full school years after the end of the school year in/for which he or she received a reimbursement, shall refund the reimbursement to the District pro-rated for each month less than the two year (10 mo. per year) requirement:

Example: Teacher receives reimbursements of \$400 in each of 04/05, 05/06, 06/07 and 07/08. Teacher resigns in April 08. Teacher is obligated to refund as follows:

07/08	20/20 months	= \$400.

If the amount of the final paycheck is less than the amount owed by the teacher, the teacher shall repay the balance pro-rated monthly over two years, starting with the first of the month following the teacher's last day of work with the District. In the event that the teacher fails to make the required payments, the District may enforce the obligation in the appropriate Court, and teacher shall be responsible for any legal costs incurred by the District, including reasonable attorneys' fees.

- 13.5 **NOTE: Eligibility of workshop clock hours for purposes of movement to a higher degree track will be phased out. Members may continue to earn eligible clock hours through June 30, 2013, and must use them before June 30, 2018.** Forty-five

(45) clock hours shall equal one course credit for the purpose of movement between tracks on the salary scale. A total of 15 non-college credits or 675 staff development clock hours may be used for track conversion purposes. Within one degree, staff development hours and college credits will be interchangeable, and one conversion within each degree will be permitted each staff member. Staff members may become eligible for an advanced track on the salary scale because of additional credits, an additional degree or a clock hour conversion. Teachers will receive by November 1st, a notice of clock hours earned and reported as of October 1st.

- 13.6 Staff members may apply for an advanced track before the actual receipt of the necessary credits, degree or clock-hour conversion by December 1st of the previous year and must provide certification of completion of all requirements to advance in track to the Superintendent by September 1st the year change is to take effect.
- 13.7 Staff development money available to each bargaining unit member for workshops and conferences shall be \$500. Reimbursement requests or purchase orders for workshops or conferences must be submitted on or before June 15th.
- 13.8 The Board will provide a \$3,500 pool annually for the purpose of student loan repayment for teachers at step 4 or lower on the salary schedule. The pool will be divided on a prorated (per capita) basis among all eligible applicants. However, individual teachers shall be eligible to receive no more than \$500 per year on their loans, or the balance of their loan(s), whichever is less.

The repayment contribution shall be made directly to the educational and/or financial institution(s) designated by the employee. In order to receive this contribution, the employee shall provide proof of the loan(s), including verification of monthly payment amount(s) and a year-end summary of the repayment activity from the institution(s).

All student loan repayment contributions made will be subject to the recapture provisions set forth in Section 13.4.

14. COMPENSATION

- 14.1 The employment period for this contract shall not exceed 183 days. 175 of the 183 days shall be school-days, and the remaining 8 shall be in-service days to be scheduled at the discretion of the Superintendent. Guidance counselors shall be eligible to work up to 8 additional days (four prior and four after the school year), and shall be paid their per diem rate, with prior approval of the Superintendent and the individual building principal. The 183 days shall be consecutive except for weekends and holidays.
- 14.2 Salary Schedule: See Appendix B
- 14.2.1 Step Placement: New employees contracted for bargaining unit positions shall be placed on the salary schedule based upon their teaching or other qualified experience as follows:

Lateral hires: A person with previous teaching experience will be placed on the step according to the teaching experience of the then current staff;

Newly Graduated Teachers: A newly graduated teacher (i.e., without prior teaching or other qualified experience) will be placed on step 0;

Critical Shortage Area Teachers: Notwithstanding the provisions above concerning lateral hires and newly graduated teachers, any person who, at the time of hire, has fewer than three years of prior teaching experience and is hired to fill a teaching position which, at the time of hire, is within a critical shortage area

as determined by the New Hampshire State Department of Education, may, upon the exercise of the Superintendent's sole discretion, receive "qualified experience" up to three years for purposes of step placement (e.g., a person hired for a critical area position who has 12 years of experience in the appropriate field may be placed on steps 0, 1, 2 or 3, while a person hired for such position with one year experience in the field may be placed on steps 0 or 1).

- 14.2.2 Track Placement: Placement on the salary schedule degree tracks shall be based upon the highest degree related to the teacher's position within the District. All credits earned prior to moving onto a higher degree track are merged with the degree and may not be counted for additional track movement. After July 1, 2016, only credits from graduate courses or from courses previously approved by the Superintendent may be used for the purpose of track movement. Once a teacher receives a Master's Degree, the Master's plus 15 track is only available to those teachers who have acquired 15 credits after obtaining the Master's Degree, which credits have been approved in advance by the Superintendent of Schools and the Staff Development Committee.

Staff members may apply for an advanced track before the actual receipt of the necessary credits, degree or clock-hour conversion by December 1st of the previous year and must provide certification of completion of all requirements to advance in track to the Superintendent by September 1st the year change is to take effect.

- 14.2.3 Closed Steps/Tracks: BA & BA+15 Tracks:_ As of the beginning of the 2010-2011 school year, the BA Track is closed at Step 10, and the BA+15 Track is closed at Step 12. Teachers employed by the District and who had attained BA Step 11 and/or BA+15 Step 13 as of the beginning of the 2010-2011 school year are grandfathered and may continue on those tracks through Step 26.

Former Track BA+30: If while an employee of this District, a member had a) applied for placement on the then existing BA +30 track before December 1, 2003, and b) had attained that track before September 1, 2004, that member will be compensated under the MA track.

- 14.3 Performance Pay: The Board has the specific right to withhold any salary increment from any employee who does not achieve satisfactory evaluation of their job performance.

- 14.4 Teachers required to attend special education team meetings or who are required to perform other special education services outside of the normal workday will be compensated as follows: For every special education team meeting which a teacher is required to attend or other special education service performed beyond two (2) per semester, the teacher shall be entitled to compensation outside of the normal workday at the rate of \$35.00 per hour pro-rated to the nearest 15 minutes for meetings that extend beyond 15 minutes prior to the start of school or after the end of school. Notwithstanding the foregoing, with respect to services other than special education team meetings, the teacher will be compensated only if the administration has approved the before/after school service.

- 14.5 Recognition of Service - Retirement: Teachers who retire, provided they are eligible under the NH Retirement System, and who give notice by December 31st of the year of retirement, will receive a service award by July 31st following the date of retirement based on the following schedule:

With 15 years of service in the District \$3,500;

With 16-20 years of service in the District \$5,000;

With 21-25 years of service in the District \$6,500;

With 26-30 years of service in the District \$8,000;

With 31-35 years of service in the District \$9,500;

With 36 or more years of service in the District \$11,000.

In situations when a teacher retires due to a disability, but provides notice after December 31, and the teacher would otherwise have been eligible for a service award, such teacher shall receive the service award by July 31st of the second fiscal year after the date of retirement.

Each time a teacher gives notice under this section of intent to retire by a stated date, but then does not retire, that teacher's eventual Recognition of Service Award will be reduced by 10%.

14.5.1 Retirement with Health Insurance Benefit: Any teacher between the ages of 60 and 65 with 10 or more years of service in the District who elects to retire as provided in Section 14.5 above, shall also be eligible to receive a maximum of two years of insurance coverage at 50% district contribution towards the plan premium for single or two person coverage. Eligibility for this benefit ends at age 65.

14.6 Recognition of Service-Longevity: In addition to their base salaries, bargaining unit members who have worked in the District longer than ten (10) years will receive annual, non-cumulative, longevity payments for service in District as follows:

at the completion of each of years 10-14 , one hundred sixty-seven dollars (\$167);
at the completion of each of years 15-19, three hundred thirty-three dollars (\$333);
at the completion of each of years 20-24, five hundred dollars (\$500);
at the completion of each of years 25-29, six hundred sixty-seven dollars (\$667);
at the completion of each of years 30-34, eight hundred thirty-three dollars (\$833);
at the completion of each year of 35+, one thousand dollars (\$1,000).

14.7 Co/Extra-Curricular Compensation Committee: The Co/Extra Curricular Compensation Committee shall be comprised of six members, three appointed by the District, and three appointed by the Association. New appointments to the Committee will be made every two years.

The primary function of the Committee is to review the compensation/compensation formulas for current co/extra curricular positions, and academic/administrative stipend positions, in so far as the compensation and duties for the positions relate to each other.

The Committee shall establish "Relative Compensation Ratings" for each position. There shall be two different groups upon which Relative Compensation Ratings will be established: (1) academic/administrative (e.g., Department Heads, Team Leaders, etc.; and (2) co/extra curricular positions; with the Relative Compensation Ratings established by comparison only within the separate groups. The Relative Compensation Ratings for the current co/extra curricular positions, and the current stipend amounts for the academic/administrative positions are set forth at Appendix C.

The Committee will endeavor to establish Relative Compensation Ratings for the academic/administrative positions.

Nothing in this section shall be interpreted as limiting in any way the School Board's authority to establish new positions, eliminate existing positions, or to re-define the scope or duties of such positions. Moreover, the parties agree that the Committee's review of the positions is based entirely upon the positions as defined, or as may be re-defined, by the School Board and/or the Administration.

The Committee shall receive notice no later than two school days after any decision by the School Board to establish, re-define or eliminate a position. In the event that the Board establishes a new position to start during the then current fiscal year, such position shall be

paid from funds other than those allocated for existing positions, or from then unfilled positions. In the event that the new position is to begin less than 30 days after the decision to add the position, or in the event that the Committee has not established a Relative Compensation Rating for the new position as of two weeks before the start date for the position, the School Board may unilaterally establish the compensation/stipend amount for that position for the then current fiscal year.

15. WORKING CONDITIONS

- 15.1 Morning duty, Recess duty, and any other non-classroom duties which are necessary for maintaining a well-run school and assuring the safety of the students will be considered part of the regular work day for teachers. Before August 15 the Building Principals shall meet with the President of the Association or his/her designee to discuss the proposed duty schedule for the coming school year. All non-classroom duties will be assigned fairly as is practicable by the administration, among the teachers assigned to each building as scheduling permits. Teachers will be notified of any permanent, non-emergency change to the duty schedule during the school year at least five (5) days in advance. Teachers whose teaching assignments are in more than one building shall not be assigned duties.
- 15.2 The "normal" on-site workday for members shall begin fifteen (15) minutes prior to the beginning of the student day until fifteen (15) minutes after the close of the student day as set forth by board Policy for the 2002-2003 school year. While all teachers are expected on occasion to carry on on-site obligations outside the normal workday, it is understood that these occasions will not be so frequent as to be considered part of the usual daily routine. The preceding sentence is not intended to increase the number of workdays permitted under Section 14.1.
- 15.3 All bargaining unit members shall be scheduled a duty-free, uninterrupted lunch period equal to the student lunch period.
- 15.4 The District shall provide teachers with a minimum of 4 unencumbered planning periods per 5- day workweek. For elementary teachers, this planning time shall occur when students are scheduled for art, music, P.E., technology education plus an additional 25 minutes per student day. The current level of planning time shall not be reduced without the consent of both parties.
- 15.5 Teachers who substitute or are required to perform District-related work resulting in the loss of a planning period will be reimbursed at the rate of \$30.00 per hour pro-rated up or down to the nearest fifteen minutes. If this substitution continues for more than ten (10) school days for a position that has not been filled, the teacher shall receive one third (1/3) of their salary for the portion of the work year (the fractional portion of the 183-day work year) that s/he fills this position. This sentence will apply to members of the high school staff based upon the current block schedule of classes. For the members of the middle school staff, the teacher shall receive one fifth (1/5) of their salary for the portion of the work year (the fractional portion of the 183-day work year) that s/he fills this position. If the schedule of classes changes from the current configurations, the preceding ratios will be changed to reflect the new schedule of teaching assignments.
- 15.6 In the event of emergency, the parties agree to cooperate to protect the welfare of the students and/or the educational program.
- 15.7 A member who has been substituting for a member of the bargaining unit for more than ten (10) school days will be paid on the salary schedule of the appropriate step and track based upon her/his training and experience.
- 15.8 If the grade assigned to a student by a teacher is changed by the principal, the Board or administratively (e.g., attendance failures, etc.), then the teacher's name will be removed

from the student's transcript.

16. REDUCTION OR ADJUSTMENTS IN FORCE

Should the School Board find it necessary to reduce the number of certified full time teaching positions, the District shall follow the procedures set forth below. These procedures shall apply equally when the "reduction" in force is comprised of an adjustment to staffing levels which although do not result in any net change of positions, a person with different credentials is required (e.g., replacement of a German teaching position with an additional Math position).

- 16.1 The Superintendent will notify the President of the Teachers Association when discussion of a reduction in force is placed on the School Board agenda.
- 16.2 Before any decision to reduce force, the School Board will request written presentations regarding said reduction in force from the Teachers' Association, individual teachers, students, and the public. These presentations are to be submitted on or before the next scheduled School Board Meeting (First Meeting), at or following which the Board may decide whether the reduction in force is necessary or appropriate.
- 16.3 The Superintendent will present a reduction in force proposal to the School Board at the next scheduled School Board Meeting, taking into consideration the presentations submitted to the School Board in (2) above. (Second Meeting)
- 16.4 The Superintendent will use the following guidelines in determining the personnel involved in the reduction in force.
 - 16.4.1 All reductions in force will be determined by these classifications:
 - (1) Grades K-8 by certification
 - (2) Grades 7-12 by certification
 - (3) Specialist by certification
 - (4) Special Education
 - 16.4.2 Reductions within the affected classification will be made as per the following priorities:
 - (1) Retirement
 - (2) Resignation
 - (3) Voluntary Transfer
 - (4) Non-Renewal of Contract of probationary teachers
 - 16.4.3 After the factors of Sections 16.4.1 and 16.4.2 are utilized, the Superintendent will use the following: certification, academic preparation, professional growth, job performance, seniority, experience in certified areas(s) and classification(s), ability, overall effectiveness, and past performance. All of the factors being equal, then seniority will be the final determinative factor. Seniority is defined as the length of continuous service within the District, excluding any period while not employed in a bargaining unit position. Approved leaves shall not constitute a break in service.
- 16.5 Teachers shall be recalled in reverse order of layoff for any open position within the classification in which the layoff occurred.
 - 16.5.1 Laid off teachers shall be eligible for recall for a two-year period following their final date of employment.
 - 16.5.2 Teachers shall be responsible for notifying the Superintendent in writing of their current address. Recall notices shall be mailed certified, return receipt

requested.

16.5.3 Teachers shall have 20 business days to respond to any recall notice. Failure to accept recall shall terminate the teacher's rights under this Article.

16.5.4 No new employees shall be hired for any vacancy within a classification while there are laid off personnel from those classifications available to fill those positions as per a, b, and c above.

16.6 The decision to implement a reduction in force shall be made at the sole discretion of the School Board.

17. RESIGNATION

17.1 Except in the case of an emergency, or as otherwise provided by law, teachers shall be expected to give thirty (30) days notice of their intent to resign.

17.2 It is the intent of the parties that emergency be defined as including a physical or emotional crisis of the teacher or the immediate family of the teacher where re-employment is not contemplated or undertaken.

17.3 Any teacher whose resignation does not follow the conditions set forth in Section 17.1 or meet those set forth in Section 17.2 above, shall pay the District \$350.00. Said payment may be deducted from the final paycheck of the teacher.

18. DURATION

The provisions of this Agreement will be effective as of July 1, 2016 except as otherwise provided for herein, and will continue and remain in full force and effect until June 30, 2017.

19. NOTICES

Notwithstanding any provision of this Agreement to the contrary, for any written notice, request or demand described in this Agreement, the delivery, submission or receipt of which triggers a countdown to a deadline for a future act, right or procedure, that countdown will commence upon the receipt by the party to receive the notice, request or demand. Any such notice, request or demand required to be given to a bargaining unit member, or to either of the parties, will be deemed received as of:

19.1 the date of a return receipt for USPS Certified Mail;

19.2 the date of a signed record of delivery by Federal express, or some other commercial carrier;

19.3 the date of any signed receipt from the person to whom the notice is directed;

19.4 the date shown on any affidavit (which need not be acknowledged) completed by a New Hampshire resident over the age of eighteen that the notice, etc. was delivered in hand to the person to whom the notice is directed, or the person's residence. The limitation to New Hampshire residency shall not apply to bargaining unit members, representatives of the NEA- NH, or employees of the District or SAU #87;

19.5 the date and time shown on any fax confirmation receipt or email, provided that a copy of the fax or email is forwarded via first class US mail within eight business hours thereafter; or

19.6 Notices to bargaining unit members may be made in hand, or by delivery to the residential address on record with the District.

20. MANAGEMENT RIGHTS

Except as otherwise provided for in this Agreement, the Association recognizes that the School Board shall retain the sole right and authority to operate and direct the affairs of the School District in all its various aspects. The "right and authority to operate and direct the affairs of the School District" shall be construed to include, but shall not be limited to the powers specially enumerated within RSA 273-A, XI, as well as the powers; to plan, direct, control and determine the operations or services to be conducted in and by the School District or its employees; to determine the methods and means by which such operations are to be conducted; to supervise, manage and control the District work force; to hire, promote, transfer, and lay off employees; to lawfully and for just cause, to demote, discipline, suspend or discharge employees as allowed by law and this Agreement, to relieve employees due to lack of work, funds or other legitimate reasons; to determine schedules of work and the work tasks and standards of performance for employees, as allowed by law and this Agreement; to make and enforce rules and regulations; and to change methods, equipment or facilities, as allowed by law and this Agreement.

Notwithstanding the foregoing, it shall be the right of the Association to present and process grievances of its members and exercise other rights provided for/by this Agreement and under law.

21. ENTIRE AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement.

Therefore, the Board and the Association, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to, or covered by this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Unless expressly stated herein to the contrary, all prior practices and agreements, oral or written, are hereby cancelled and superseded.

Notwithstanding the foregoing, as there may be prior practices which are:

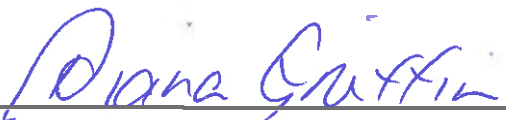

- a. evidence of the parties' mutual interpretation of the provisions of this or prior collective bargaining agreements and/or
- b. accepted practices concerning mandatory subjects of negotiation, such prior practices survive this agreement until otherwise changed by written agreement of the parties.

This Agreement concludes collective bargaining (except as provided for in the grievance procedure) for its term, and may only be amended during its term by the parties' mutual agreement in writing.
