ARTICLE V: NON-DISCRIMINATION

The town and the union agree not to discriminate against a member of the unit because of race, creed, color, sex, age, religion, national origin, or membership or non-membership in the union.

ARTICLE VI: MANAGEMENT RIGHTS

1. The parties agree that all of the rights and responsibilities of the town which have not been specifically provided for in this agreement are retained in the sole discretion of the town whose right to determine and structure the goals, purposes, functions, and policies of the town without prior negotiation with the union and without being subject to the grievance and arbitration procedures of this agreement shall include but not be limited to the following:

3. Nothing in this agreement shall be construed so as to limit the right of the chief of police or his designee to command the police department as their judgment directs them in any and all emergency situations as they deem to be appropriate.

ARTICLE VII: UNION BUSINESS

1. The union officers and representatives are president, vice president, and/or secretary/treasurer and steward.
2. The union shall advise the town of the names of the employees holding union offices within thirty days of their election.
3. Union officers as described above shall be permitted to process grievances during their scheduled hours of duty, provided that they have prior permission from the chief of police or the chief's designee and the amount of time in which officers are engaged in such activities is reasonable.
4. Every effort will be made to schedule negotiating sessions at a time which does not conflict with the scheduled duty of employees who are members of the union's collective bargaining team. Should a collective bargaining session be scheduled during a time when members of the union's negotiating team are scheduled for duty, a maximum of two unit members will be permitted to participate in the negotiations without loss of pay.
5. The union shall be permitted to meet at the Merrimack Police Station or the town meeting rooms to conduct business matters so long as the meetings are scheduled at a convenient time, so as to minimize any inconvenience to the regular functions of the police department or the town. A written agenda shall be submitted by the union to the chief of police no less than five days before the scheduled date of the meeting. At the discretion of the chief of police or the designee, additional matters for discussion may be placed on the agenda. Nothing contained herein shall prevent the chief of police or the designee and the union from meeting more or less frequently upon mutual agreement.

2. Nothing contained herein shall prevent the union from consulting with the chief of police or the chief's designee at any time if urgent or emergency matters of mutual concern arise. However, grievances must be submitted in accordance with the procedure specified in this agreement.

ARTICLE X: SENIORITY

2. Seniority shall mean the length of full-time service within the police department, beginning with the first day or hire, and/or length of service by rank.
3. For purposes of computing length of service in grade as it applies to the wage schedule for patrolmen, service shall be counted from the day of employment within that rank.

 - I. the date of employment;
 - II. seniority within the department;

5. A current list must be posted at least once a year. Any objections to the seniority list as posted shall be reported in writing to the chief of police within ten days, or the list will stand approved.
6. If more than one patrolman is hired on the same date, the chief shall designate seniority on the basis of the hiring procedure test results.
 - a) In the event that an officer with less seniority is removed from their probationary period before an officer with more seniority, the seniority list will be modified to reflect a change in the seniority of the affected officer.
7. Probationary employees shall have no rights based upon seniority; however, they shall, insofar as applicable, be subject to all other clauses of this agreement.
 - a) In the event of downsizing and/or layoffs of member of Local 12, those members with the least amount of seniority within the local will be the first to be released.
 - b) Seniority will be the only consideration in laying off members.
 - c) Laid off members shall be eligible for recall for a period of 12 months from the date of the layoff. Rehiring for the vacant position will be done by rehiring the laid off member with the most seniority at the time of the layoff.
 - d) This in no way indicates that the local will be the first location of downsizing and/or layoffs; ie., other unionized and/or non-unionized personnel.

ARTICLE XI: HOURS OF WORK AND OVERTIME

1. The normal work schedule shall be four consecutive eight-hour days on duty followed by two consecutive days rest. Exceptions: detective, community service officer, and juvenile unit personnel work a consecutive five-day, 40-hour work week schedule.

5. For each and every call back, a minimum of three hours at 1.5 times the base hourly rate will be paid.
6. Exchange of shifts, squads or rotations may be granted by the chief upon the request of an employee, or upon the mutual agreement of two employees. No additional cost to the town should result from this policy.
7. All unit members scheduled to appear in court will receive a minimum of four hours pay at 1.5 times their normal hourly rates, provided that the court appearance is not scheduled during the members' regularly-scheduled shifts. There will also be a 4 hour minimum for the 2nd half of a scheduled 8 hour or more detail if the detail is split in blocks of 4 hours or more. Further, if the second half of a split detail is canceled with less than one hours notice, the member shall receive a 4 hour minimum for the canceled second half of the split detail. - e) There is a possibility that other cover shifts may be added at a later date at the discretion of the Chief of Police. In the event of promotions or unexpected shift vacancy, the most senior officer would be given the opportunity to fill such shift vacancy, and proceed in accordance to seniority until the shift vacancy is filled. Within fourteen (14) days, each shift vacancy shall be filled by seniority. This will not apply for positions assigned to special details.
- f) Nothing herein shall be construed to require minimum manning of any shift. Specifically, the Town reserves the right to determine the number of persons and their respective rank that shall be assigned to each shift and to determine whether any vacancy shall be filled or shall remain unfilled on a temporary or permanent basis.
- g) The Criminal Investigation Bureau will continue to work the 5/2 work schedule based upon the needs as determined by the Chief of Police or his designee.

An employee who has been granted leave of absence shall not forfeit those benefits appurtenant to seniority upon reinstatement to regular status.
- Any employee who accepts employment or who conducts a business during a leave of absence shall be immediately terminated unless said activities were previously approved by the chief of police and the town manager/selectmen.
- While in leave of absence status, employees will not accumulate sick leave, receive holiday pay, accrue vacation leave, or accrue additional seniority.

ARTICLE XVIII: CLOTHING ALLOWANCE

- Upon beginning service as a full-time employee of the police department, employees may elect to receive a clothing allowance of \$500.00 cash to purchase uniforms and equipment, or they may elect to receive a free issue of the following:

1 HANDGUN (SEMI AUTO PISTOL)	2 long- sleeve shirts
2 magazine holders	3 short-sleeve shirts
3 magazines	2 pairs pants
1 holster	1 hat
2 name tags	1 raincoat
1 set handcuffs	1 hat cover (rain)
1 cuff case	1 spring jacket

1 baton	1 leather jacket
1 baton ring	1 traffic vest

2 shields	1 pair white mittens
1 hat badge	14 shoulder patches

- a. Body Armor will be issued to all new hires, as stated in Article XVIII - 10
2. During the second year of service, employees will receive a clothing allowance of \$600.00, except that those who elected the free clothing/equipment issue in paragraph 1 above will be paid \$400.00.
3. During the third year of service, employees will receive a clothing allowance of \$600.00, except that those who elected the free clothing/equipment issue during the first year will receive \$450.00
4. During the fourth and all succeeding years of service, all employees will receive an annual clothing allowance of \$600.00.
5. All employees assigned to K-9, bicycle, color guard, *ATV*, or motorcycle duty will receive an additional \$100.00 in their annual clothing allowances. Union members shall be limited to a maximum of \$200.00 worth of allowance for special assignments.
6. All clothing allowances will be reimbursements for actual expenses incurred for appropriate uniforms and equipment and will be based on the contract year. Employees will present itemized receipts to the Police Department Office Manager for processing.
 - a) New hires receive the initial allowance or issue. On the first anniversary date, the employees will receive a prorated amount for the months remaining until September or March, as appropriate. The month of the anniversary date shall be counted as a full month if the anniversary date is the 15th or earlier; it shall not be counted if the date is the 16th or later.
 - b) The amount of the monthly proration shall be calculated by dividing the annual entitlement (either \$300 or \$500 during the second year) by 12. The prorated allowance shall be paid in a lump sum within thirty calendar days after the first anniversary date.
7. Employees deemed by their supervisors to be exhibiting substandard appearance may be issued a written warning. Employees may request a hearing with the chief of police within five days of receipt of the warning, and may be accompanied to the hearing by a union representative. Upon receipt of a third written warning for appearance in an anniversary year, the chief of police may place the employee on the vendor charge account system and suspend cash payment to the employee. This decision is not grievable. After one calendar year on the vendor system, the employee may request consideration for reinstatement to the cash payment system.
8. Upon resignation or termination from the department, all employees appointed after September 1, 1985, must return to the town all uniforms and equipment listed in paragraph 1 above. During the course of their employment, these employees may return this equipment to the town in a piece-by-piece manner as they upgrade their equipment.

9. Cleaning and Maintenance Subsidy

- a) The town will pay a cleaning and maintenance subsidy to every employee who is authorized to receive the clothing allowance or issue. An amount not exceeding \$200 in a contract year will be paid in two installments; an installment not exceeding \$100 on the first payday in September, and an installment not exceeding \$100 on the first payday in March.
 - b) Employees hired after the subsidy payment date will receive an initial subsidy calculated at the rate of \$12.50 per month remaining until the next subsidy payment date. Employees will receive full payment for the month in which they began work, regardless of the day of the month.
 - c) The amount of the annual subsidy will increase to \$200 per contract year, with two \$100 installments (\$16.67 per month proration). Method of payment will remain as described above.
10. The Town will provide replacement body armor on a replacement scheduled maintained by the Department as recommended by the manufacturer. The replacement will be at the same level or greater than Threat Level II A.
11. On duty officers are required to wear body armor, unless waived in writing by the Chief or his designee.

ARTICLE XIX: EARNED TIME

1. Personal Leave Account (PLA):

- a) Beginning on the effective date, the weekly accrual for the Personal Leave Account will be calculated per this table:

Personal Leave Accrual Schedule

Years of Service	Weekly Accrual	Annual Accrual
Hire Date to 5 th	2.77 hours	144 hours
5 th to 10 th	3.54 hours	184 hours
10 th to 15 th	4.31 hours	224 hours
Over 15	5.08 hours	264 hours

- b) An employee who reaches a higher years-of-service plateau will receive 40 additional hours of Personal Leave "dropped in" on the Anniversary Date, and concurrently begin accruing PLA at the higher rate.

2. Disability Leave Account (DLA).

Years of Service	Weekly Accrual	Maximum Accrual
All employees	1.23 hours	500 hours

All employees, regardless of position or years of employment, shall accrue DLA at the same rate.

3. Concept of Operation.

- a) Employees accrue both PLA and DLA hours simultaneously, at the rates described above. Personal Leave (PLA) is unrestricted and available to employees for use as they may desire, with a few limitations as described below. The Disability Leave Account (DLA) is restricted and may only be used under certain prescribed circumstances.
- b) Use of PLA:
- i. To use eight hours or less, the supervisor must be informed not later than one-half hour before the start of the employee's next shift. If any employee calls in within less than the eight hours prior to the shift, it is assumed that there is an illness or an emergency. This use of Personal Leave is primarily intended to replace Sick Leave and Personal Time. It is not necessary to offer a reason for the absence as long as the absence is for eight hours or less, but it is understood that this use of the PLA is intended for situations that were not pre-planned nor foreseen by the employee. To take short-notice PLA, then appear for a paid outside detail, for example, would violate the spirit of this agreement. Employees showing a pattern of frequent short-notice absences may be required to begin providing medical documentation, such as a doctor's note, or other written justification for such absences taken on less than 72 hours notice.
 - ii. To use more than eight consecutive hours (more than one work day, such as for a vacation), employees must submit a request through their immediate supervisors to the

Chief of Police or a designee for approval at least 72 hours prior to the beginning of the absence. This "Extended PLA" shall be governed in its use by the mutually-agreed vacation/leave policy statement placed in effect for Fiscal Year 1987-88 and kept in effect until the present time (copy attached for reference). This departmental policy may be modified at any time by joint agreement between the Chief of Police and the bargaining unit.

- iii.* Employees who are taking more than one consecutive day off due to illness or injury may understandably be unable to provide 72 hours advance notice, but are expected to give their supervisors an estimated date of return when they first notify the supervisor of the absence.
- iv.* Members of the bargaining unit may voluntarily donate any amount of their accrued PLA balance to other PLA participants who are absent under Family Medical Leave Act (FMLA) not to exceed the guidelines of 12 weeks, set forth in FMLA, which is hereby incorporated by reference.

c) Use of DLA:

- i.* The DLA should be viewed as a form of long-term disability insurance. Time accumulated in the Disability Leave Account (DLA) shall be used only in the event of injury or illness resulting in an absence covered either by Workers' Compensation or by the town's disability insurance policy. It may be used to augment the workers' compensation or disability insurance checks so that the employees continue to receive 100% of their average take-home pay (including overtime) during the absence until the DLA is exhausted. The period to be averaged for pay shall be the 26 weeks preceding the date of the illness or injury. Should the DLA become exhausted, employees may request that their PLA balance be used to augment their pay until the PLA is also exhausted.
- ii.* As clarification: any absence due to illness of three consecutive days or less shall be charged against the PLA. Any absence due to illness of seven consecutive days or more shall be claimed against the disability insurance, and any accrued leave charges shall be against the DLA retroactive to day one of the illness. An illness causing an absence of four, five, or six consecutive days shall be charged against the PLA, except that all absence after the third day shall be charged against the DLA if the employee so requests and presents a doctor's statement that the absence was required by illness. Any accrued leave charges pertaining to an absence covered by Workers' Compensation shall be charged against the DLA from day one.
- iii.* Members of the bargaining unit may voluntarily donate any amount of their accrued DLA balance to any other Earned Time participants who are absent on a workers' compensation or disability leave, and who have reduced to zero their personal balances of both the DLA and PLA accounts.
- iv.* All FMLA leave shall be governed by the Town of Merrimack's FMLA Policy.

- d) Earned Time may be charged on the time sheet by the hour or tenth of an hour.
- e) Cashing in Earned Time (Annually). Employees who meet the requirements described below shall be paid in cash annually for their excess DLA balance.
 - i. Minimum Annual Usage Requirement. Employees shall be required to use a minimum number of hours of PLA each year, in accordance with this table:

Years of	Required Annual	Maximum Annual
SERVICE	PLA USAGE	PLA BALANCE
Hire to 5 th	40 hours	160 hours
5 th to 10 th	80 hours	240 hours
10 th to 15 th	120 hours	320 hours
Over 15	160 hours	480 hours

- ii. The annual account review for all members of the bargaining unit shall occur each July for the preceding fiscal year. The base rates of pay and the accrued Earned Time balances in effect at the close of business on the last day of that fiscal year (normally June 30) shall be used for all calculations. During this review, employees' PLA balances will be audited to ensure that the required annual usage was accomplished. If the employee's usage was below the minimum, the required additional hours to reach the minimum shall be immediately forfeited. (Waivers of forfeiture shall be granted only for extreme reasons, and shall require written application in advance by the employee through the Chief of Police to the Town Manager.) The PLA balance shall be checked also to verify that it is below the maximum annual balance allowed. Any accrued PLA hours which exceed the maximum annual balance shall be transferred immediately to the DLA.
 - iii. The DLA shall then be immediately audited. Any DLA balance exceeding the maximum of 500 hours as of the fiscal year end shall be purchased by the town at a rate of .667 x the base hourly rate x the number of excess hours. Payment shall be made by the town not later than July 31.
 - iv. For the purposes of this annual audit, employees' "years of service" to establish "minimum required use" shall be as of the first day of the fiscal year. The "years of service" to establish the "maximum balance allowed" shall be the last day of the fiscal year. The intent is to avoid subjecting a new hire, or an employee who has recently reached a higher accrual level, from being subjected to higher minimum usage and maximum balance requirements prematurely.
- f) Cashing in Earned Time (Upon Separation). Upon separating from town employment for any reason, employees shall be paid the entire accrued balance of their PLA at the rate of 1.00 x their base hourly rates x the accrued number of hours on the day of separation.
 - i. In addition to the payment for the excess of over 500 hours, members, who have over 20 years of service with the town, upon separating will have 40 hours transferred from their DLA account into their PLA account and shall be paid the entire accrued balance of their PLA at the rate of 1.00 x their base hourly rates x the accrued number of hours on the

day of separation. The employee shall then be paid .25 X base hourly rate x accrued number of DLA hours which are less than 500.

- ii. In addition to the payment for the excess of over 500 hours, members, who have over 25 years of service with the town, upon separating will have 80 hours transferred from their DLA account into their PLA account and shall be paid the entire accrued balance of their PLA at the rate of 1.00 x their base hourly rates x the accrued number of hours on the day of separation. The employee shall then be paid .25 X base hourly rate x accrued number of DLA hours which are less than 500.

ARTICLE XX: DUES WITHHOLDING

1. The town agrees to withhold dues weekly from the pay checks of members of the union and to submit a check at least once each month to the Comptroller, NEPBA, 7 Technology Drive, Chelmsford, Massachusetts 01863.
2. The union shall submit authorization forms to the town finance administrator for each member who requests payroll deduction of dues.
3. Any member of the bargaining unit who wishes to cancel the payroll deduction of dues must submit a request to the union. The union will forward the request to the finance administrator within five days.

ARTICLE XXI: DISCIPLINE AND TERMINATION FOR CAUSE

An employee may be disciplined or terminated/dismissed if there is found to be proper cause for such action. Proper cause shall include, but not be limited to, the following:

- (a) medically diagnosed incapacity to perform assigned duties;
- (b) incompetence;
- (c) behavior incompatible with effective conduct of duty;
- (d) behavior detrimental to the town; or
- (e) failure to carry out assigned duties.

ARTICLE XXII: GRIEVANCE PROCEDURE

1. Definition

- a) A grievance under this article is defined as an alleged violation of any of the provisions of this agreement except Article VI (Management Rights). Commands or orders of ranking officers shall not be grievable.
- b) An employee who has a complaint must take up the complaint orally with the immediate supervisor before processing the complaint as a formal grievance. The immediate supervisor

shall give the employee an answer within five days. It is anticipated that nearly all complaints can be resolved informally without grievance.

- c) When a Step Two ruling has been issued by the Town Manager or a designee, the grievant may choose to request a review by the Town Council prior to submitting the matter to Step Three (arbitration). If this option is to be exercised, the Chief of Police shall be notified within the eight (8) working days following the grievant's receipt of the Town Manager's decision. Upon such notification, a copy of the Town Manager's ruling (including all exhibits and the earlier ruling of the Chief of Police) will be provided to the Town Council. The Council shall have thirty calendar days from the date of receipt of the Town Manager's ruling to review the documents. The Council may decide to either allow the Town Manager's ruling to stand without comment, or to schedule a hearing to determine if they will modify the decision.
- d) Should the Town Council schedule a hearing, it will be held as expeditiously as possible, and the Council's decision shall be issued within two weeks after the hearing has been completed. This review step by the Town Council may be terminated at any time by the Town Council. In the event of such termination, the Step Two rulings of the Town Manager may be appealed directly to the American Arbitration Association, or, by mutual agreement, the Public Employees Labor Relations Board (PELRB), within 30 days.
- e) Upon the expiration of the thirty day review period, or, if a hearing was scheduled, upon receipt of the Town Council's decision, the grievant may elect to request arbitration at Step Three by the American Arbitration Association, or, by mutual agreement, the Public Employees Labor Relations Board (PELRB).
- f) Each grievance must be submitted in writing by the union and must contain a statement of the facts surrounding the grievance, the provision(s) of this agreement allegedly violated, the relief requested and the extent to which the grievant has sought an informal adjustment of the grievance.

2. Procedure

- a) Step One: An employee desiring to process a grievance must file a written statement of the grievance to the chief of police no later than ten days after the employee knew the facts on which the grievance is based and, in no case, more than one month after the occurrence. The chief of police shall meet with the employee within three days following receipt of the notice and shall give a written decision within three days thereafter.
- b) Step Two: If the employee is not satisfied with the decision of the chief of police, the employee may file within five days following the chief's decision a written appeal to the town manager or the manager's designee setting forth the specific reasons why the employee believes that the agreement is being violated by the town action in question. Within ten days following receipt of the appeal, the town manager (or designee) shall either issue a written decision or schedule a hearing. Said hearing shall be held no later than thirty days following receipt of the appeal, and a written decision shall be rendered within five days thereafter.
- c) Step Three: If the employee is not satisfied with the decision of the town manager, the union may file, within twenty days following receipt of the town manager's decision, a request for arbitration to the American Arbitration Association under its rules and regulations. The

decision of the arbitrator shall be final and binding on the parties. The total cost of the arbitration shall be borne by the losing party.

3. All of the foregoing time limitations may be extended by mutual agreement of the parties.
4. Failure of the grievant to abide by the time limits set out in this article shall result in the grievance being deemed settled on the basis of the last decision made by the appropriate "hearings officer" on behalf of the town.

ARTICLE XXIII: MISCELLANEOUS

1. Intra-Unit Relations. Since it is to the benefit of all that harmonious fraternal relations prevail in the department, any disputes which may arise between and among members of the unit and which have major consequences upon their performance shall at the chief of police's discretion be referred to the bargaining agent for mediation and resolution.
2. Performance Evaluation. The Town of Merrimack's Employee Performance Appraisal program shall be used for evaluating the level of success of the employees' on-the-job performance. The annual Employee Performance Appraisal shall be a major part of the basis for discipline, promotion, and the awarding of Performance Bonus pay. Employees will be provided a true copy of all completed Employee Performance Appraisal forms. Any disciplinary action resulting from an Employee Performance Appraisal and relating to Article XXI may be submitted to the grievance procedure.
3. Joint Safety Committee. The town and the union shall each appoint two members to the Occupational Safety Committee. This committee shall meet every other month and discuss safety and health conditions. Committee members will be granted time off with pay when meeting jointly with management, and for any inspection or investigation of safety or health problems in the department or authorized by the chief of police.
4. Employee Rights and Responsibilities. The Chief of Police shall appoint a committee including at least one member of the bargaining unit to review current policy and to revise and publish same as official departmental policy.

ARTICLE XXIV: SEPARABILITY

In the event any provision of this agreement in whole or in part is declared to be illegal, void, or invalid by any court of competent jurisdiction, or any administrative agency having jurisdiction, all of the other terms, conditions, and provisions of this agreement shall remain in full force and effect to the same extent as if that provision had never been incorporated into this agreement and, in such event, the remainder of this agreement shall continue to be binding upon the parties thereto.

ARTICLE XXV: EFFECT OF AGREEMENT

1. This instrument constitutes the entire agreement between the town and the union, arrived at as a result of collective bargaining negotiations except where such amendments hereto as shall have

been reduced to writing and signed by the parties.

2. The parties acknowledge that during the negotiations which resulted in this agreement, each had unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the town and the union, for the life of this agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this agreement, or with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this agreement.

ARTICLE XXVI: DURATION OF AGREEMENT

This agreement shall be in full force and effect from and after July 1, 2013 through June 30, 2016 subject to town meeting approval.
