ARTICLE 5
OPEN SHOP

Membership in the Union is not compulsory. Employees may join or not, maintain, or resign membership in the Union at their sole discretion. Nothing in this Agreement shall be construed to require that any employee of the Department join the Union as a condition of being hired or retained in employment.

Employees who are not members of the Union shall not be required to pay dues to the Union. Neither the Union nor the Commission shall discriminate in favor of, or against, any employee by reason of membership or non-membership in the Union.

DEDUCTION OF DUES

An employee, who is or who may become a member of the Union, may execute a written authorization providing that a portion of his salary representing monthly dues be withheld weekly and forwarded to the Union. 4. Revocation by the employee of Dues Authorization.

The Union shall indemnify and save harmless the Commission, the Nashua Police Department, or the City of Nashua from any and all suits, claims, and damages arising out of or in connection with such dues deductions.

ARTICLE 6A
AGENCY FEE

If permitted by law and only in accordance with lawful procedures and required authorizations, the Commission agrees to deduct an agency fee from the wages of each employee who is not a member of the Union in the same manner as the collection of Union dues. They shall only be paid for their regularly scheduled workweek.

ARTICLE 12

A grievance must start at **STEP 1**, unless otherwise noted, and proceed through the procedure at each **STEP** thereafter until a settlement is reached, or the grievance will be considered as settled on the last answer given. If a grievance is settled in any one of the **STEPS**, it will be considered closed, and the grievance will not be subject to the Grievance Procedure thereafter. - C. The alleged violation of the Agreement;
- D. The basis for dissatisfaction with **STEPS 1 and 2**;
- E. The remedy that is desired;
- F. The signature of the grievant.

STEP 4. Failing a settlement at **STEP 3**, the grievant may present in writing within ten (10) calendar days after the reply in **STEP 3**, the grievance to the Board of Police Commissioners which is the final step of the grievance procedure. The Board of Police Commissioners will receive all grievances at its regular monthly meetings or a special hearing will be scheduled. The Board of Police Commissioners will reply in writing to the grievant within fifteen (15) calendar days after the grievance is presented at a hearing.

SECTION B

The Union may file grievances on its own behalf, on behalf of its members, and if requested, on behalf of non-members; any grievant may be represented at all stages of the Grievance Procedure by himself/herself and by a representative selected and approved by the union, if the grievant desires.

SECTION C

Each grievance will be separately processed under the Grievance Procedure.

SECTION D

The parties recognize that after **STEP 1** of the grievance procedure, additional time may be required by both parties to process the grievance. The parties may agree in writing to extend any of the time limits set forth in any steps of the grievance procedure.

1. In all other circumstances, management's failure to respond within the established time limits shall automatically advance the grievance to the next step.
2. The Union's failure to respond within established time limits, the grievance shall be considered settled on the basis of management's last answer.
3. Union representatives normally shall conduct investigations and all other phases of grievance handling during off-duty hours. If the nature of the grievance is such that expedited handling will result in prompt disposition thereof without interference to department operations, or require the need to hire overtime personnel, or to reassign personnel from outside of headquarters to supply coverage, management, at its discretion, may allow investigation and processing thereof during working time.
4. During any step involved in the grievance procedure, the grievant, union representatives, or witnesses for the grievant, shall not be paid overtime if not done during on-duty hours.

STEP 5. Failing a settlement at **STEP 4**, the grievant may present the grievance in writing to the union within thirty (30) calendar days after the reply in **STEP 4**. If the

Union feels that the grievance has merit and that submitting it to arbitration is in the best interest of the Department, the Union may submit the grievance to the Public Employee Labor Relations Board within thirty (30) calendar days after receiving the grievance from the grievant.

SECTION A

Expenses incurred under **STEP 5** will be shared equally by the Commission and the Union.

SECTION B

The Commission, or its designate, will have the right to file grievances against the Union and/or a member thereof. ARTICLE 13 **VACATIONS**

Part-Time Positions:

Vacation time is accrued for any month in which the individual has been employed prior to and including the 15th of the month. The accrual rate is based upon continuous department employment on the fifteenth of every month. After satisfactory completion of a probationary period as determined by the Chief of Police or designee, but not exceeding one (1) year, employees are eligible to take vacation leave. Part-time employees shall receive prorated vacation days and shall reach maximum accrual cap based on full-time accrual. A vacation balance of not more than two times the annual accrual can be earned by the member's "anniversary date". On the anniversary date, should the vacation balance be over the two times maximum accrual, the balance will be decreased to two times the annual accrual. The employee will then be allowed to accrue vacation for that month and the following months up to the "anniversary date."

- E. Twenty (20) years , but less than Thirty (30) years of Continued Service: 29 days per year
- F. Thirty (30) years or more of continued service: 30 days

Vacation Policies:

- A. The full-time (works 35 hours a week or over) anniversary date of continuous Department employment shall be used to calculate a full-time employee's length of service with respect to paid vacation eligibility. Length of service shall be measured from the employee's most recent full-time date of hire with the Department.
- B. Vacation time is accrued for any month in which the individual has been employed prior to and including the fifteenth (15) of any month. The accrual rate is based upon the years of full-time, continuous department employment on the fifteenth of every month.
- C. Paid sick leave and absences for jury or military reserve duty are considered time worked for vacation accrual purposes.
- D. If a holiday falls during a vacation week, holiday pay will be given in lieu of a vacation day.

- E. Any regular employee who is laid-off, retires, or resigns is entitled to receive accrued vacation pay prorated to the date when active employment ceases. Upon retirement a maximum of 2 times the annual amount of vacation accrual will be paid at that time. When calculating accrued vacation time, fractional hours shall be rounded up to the next full hour.
- G. All accrued vacation time shall be paid in a lump sum to the employee's beneficiary, as specified in writing by the employee on an approved form, if death occurs while employed by the Nashua Police Department. If no beneficiaries are designated by the employee, the accrued vacation leave will be paid to the employee's estate.

Transfers from another City Bargaining Unit or other City Department:

- A. **Full-Time Employees:** If a full-time employee transfers from another City bargaining unit or other City Department, he shall be paid for all accrued vacation leave by the appropriate City Department and shall not transfer any vacation accruals. The full-time anniversary date of continuous City employment shall be used to calculate a full-time employee's length of service for accrual purposes.
- B. **Part-Time Employees:** If a part-time employee transfers from another City bargaining unit or other City Department, he shall be paid for all accrued vacation leave by the appropriate City Department and shall not transfer any vacation accruals. The full-time anniversary date of continuous department employment shall be used to calculate a part-time employee's length of service for accrual purposes.

Loss of accrued vacation time:

- A. If a probationary employee resigns, is laid-off, or is discharged any time before completing his probationary period not exceeding one (1) year, he shall lose all accrued vacation time.
- B. During an unpaid leave of absence, an employee does not earn any vacation time.
- C. A vacation balance of not more than two times the annual accrual can be earned by the member's "anniversary date." On the "anniversary date," should the vacation balance be over the two times maximum accrual, the balance will be decreased to two times the annual accrual. The employee will then be allowed to accrue vacation for that month and the following months up to the "anniversary date".

Requesting use of vacation time:

- A. Employees must complete six months of continuous service before taking any accrued vacation time unless otherwise designated in this Article.
- B. Employees will have the appropriate time accrued before use of vacation time is approved. An employee may be allowed to take vacation time if it has not yet been accrued if authorized by the Chief of Police or designee.

- G. **Approval of Block Weeks:** In written form, employees are to request the use of block week vacations at least three (3) weeks prior to the date of use, unless waived by the Chief of Police. Employees may request use of vacation one (1) year in advance. Said requests for less senior employees in a bureau, division, or shift shall have their vacation request for block weeks and individual vacation days signed off by all senior employees in the bureau, division, or shift before submitting same to the Bureau Commander or designee for initial approval. Upon being requested to sign off the vacation use, the senior employee(s) will have one week to finalize this process. The appropriate Bureau Commander or designee may extend the one-week limit due to the unavailability of the senior employee(s). The only valid reason for a senior employee not to sign off the vacation request is due to a conflicting vacation usage by the senior employee. If not completed previously, the senior employee must complete a vacation request within one (1) week. If the senior employee does not complete his vacation request or sign off the less senior employee's vacation request, the requesting employee will document the circumstances via an intradepartmental memorandum, attach it to the vacation request, and submit it to his Bureau Commander or designee for initial approval.
- H. **Approval of Individual Vacation Days:** In written form, employees are to request individual vacation days at least three (3) days prior to their use; however, supervisors may waive this time restriction.

- I. **Responsibilities of Supervisors:** Potential workloads, manpower requirements, or any possibility of an emergency situation are considerations of a supervisor before approving usage. Upon receipt of the vacation request, supervisors will respond as soon as possible, but within two (2) weeks of receipt of the block week vacation request. Due to the limited time frame of individual vacation days, supervisors will respond to the vacation request prior to the date of the requested use.
- J. **Number of Employees Allowed at One Time:** The number of employees allowed on vacation at one time shall be determined by the Chief or his designee and shall not be affected by the availability of police officers.
- K. **Final Approval:** Before final approval by the employee's supervisor, the accrual of the necessary vacation time needed must be verified by the appropriate personnel in the Financial Services Division.
1. The appropriate form will be completed by the supervisor or employee, and forwarded to the appropriate Financial Services Division personnel.
 2. After approval, the form will be sent back to the employee's Bureau Commander and the employee will be notified.

- Merit Supervisors
 - Senior Full-Time Employees
 - Junior Full-Time Employees
 - Part-Time Employees
- M. **Changed/Canceled Approved Vacation:** Once a vacation is approved and the dates are to be changed or canceled by the employee, the employee must reapply. The employee must complete the appropriate form canceling the vacation and the entire process began again.
- N. **Recall of Vacation:** Any approved vacation is subject to recall by the Chief of Police or designee due to workloads, manpower requirements, and any emergencies that arise. The benefit is equal to one and one-half times the annual basic rate of pay of each employee. If an employee elects to participate, the City will pay 100% of the premium cost. This benefit also provides for optional term life insurance and is 100% employee paid. The benefit amounts are determined by the insurance carrier, and the cost of optional coverage is determined by your age.

SHORT TERM DISABILITY COVERAGE

The City of Nashua will offer Short Term Disability coverage to all employees covered under this CBA. Participation in this program will be completely optional and funded entirely at the employee's expense.

ARTICLE 17 **SICK LEAVE**

Part-Time Employees:

For the purposes of this article, sick leave deductions during one workday shall be the employee's normal workday. Part-time employees shall receive prorated sick days and reach maximum accrual caps based on full-time accruals for employees hired prior to the signing of this contract. (Examples below.)

32 hours = 8 Hours each Month or 96 hours a year, cumulative to a maximum of 612 hours.

34 hours = 8.5 Hours each Month or 102 hours a year, cumulative to a maximum of 612 hours.

Transfers from Another Bargaining Unit or other City Department:

Full-time and part-time employees who transfer from another bargaining unit or from another City Department without any breaks in City service will be permitted to retain their sick leave accrual balances. However, they will not be permitted to use them as sick days under this article until completion of six (6) months of continuous employment.

Full-Time Employees:

Full-time employees must be employed prior to and including the 15th of any month, or on approved sick or vacation leave, to accrue sick time for that particular month. Sick

- 10 hours each month or 120 hours a year, cumulative to a maximum of 1080 hours for 40-hour-a-week employees.
-
-

Sick Leave Policies:

Employees must have the appropriate time accrued before use of sick time is approved. At no time shall an employee be paid sick time if it has not yet been accrued. During an unpaid leave of absence, an employee does not accrue any sick time.

Use of Sick Leave:

1. Sick leave shall not be considered as a privilege which an employee may use at his discretion. It shall be allowed only in the case of necessity and actual sickness or disability of the employee, the employee's spouse or domestic partner, children, and parents, but only when employee's presence is required to actively care for the ill person, or to take physical and dental examinations or other sickness prevention measures.
2. Essential and non-essential employees shall not make physical and dental examinations during their tour of duty if possible. If these types of examinations cannot be made during off-duty times, essential personnel must make arrangements with their Bureau Commander or designee to assure that coverage is available during their absence from duty. If no coverage is available, the physical and dental examination will be rescheduled when the employee is off duty or when coverage is available.
3. All absences from work or absences during their tour of duty due to illness, disability, physical/dental examinations or other sickness prevention measures shall be deducted from the non-exempt employee's accumulated sick leave by actual hours missed. If the employee is exempt (salaried), he shall not have this time deducted from sick leave; however, the time may be required to be documented and allocated to FMLA if the absence is a qualifying FMLA event. This includes the right to require the employee to submit a physician's statement verifying the need for the use of the sick leave, irrespective of the number of sick hours taken. The Commission reserves the right to verify all claims for paid sick leave.

Notification of Sick Leave:

Non-essential employees are to make arrangements to notify their immediate supervisor or the Desk Sergeant at headquarters daily and in a timely manner prior to scheduled duty time of their intention to be on sick leave. Essential employees shall make the necessary notifications at least one (1) hour before their normal scheduled duty time.

Use of Leave:

The appropriate supervisor will complete NPD Form #02-06, "Use of Leave," upon notification of an employee's requesting sick leave. Employees taking sick leave are required to fill out NPD Form #02-07, "Use of Leave Time", the next working day from the use of leave.

Doctor's Slip Required:

Notwithstanding the frequency, in all cases a doctor's slip is required for employees taking three or more successive sick days within five (5) days after returning to work.

Loss & Reinstatement of Sick Leave:

1. Except in the case of death, accrued sick leave shall be lost if the employee resigns, is discharged, released, or laid off. If full-time employees leave employment with the Nashua Police Department, but return within three (3) years of your date of termination, their accrued sick leave will be reinstated.
2. Full and part-time employees who have reached their sick leave cap, 1080 hours for full-time employees and 612 hours for part-time employees, shall be allowed up to an additional year's sick leave accrual; however, said days shall not be allowed to carry into the ensuing year. At the start of every new calendar year, the sick leave balance shall be brought back to the employee's maximum accrual amount. Employees will be able to again accrue sick days as outlined in this Article beyond their cap up to an additional year's accrual for that year, and the process will begin again.
3. Full-time employees who abuse sick leave, shall forfeit 10 days (for 40-hour-a-week employees), of accrued sick leave for a first offense. (If the entire 10 days cannot be deducted from the accumulated total due to the accrual amount, the negative balance will be carried over until the entire time can be deducted.)
4. For the second offense, full-time employees shall forfeit 12 days (for 40-hour-a-week employees) of accrued sick leave. (If the entire 12 days cannot be deducted from the accumulated total due to the accrual amount, the negative balance will be carried over until the entire time can be

deducted.) For the third offense, the employee will be immediately discharged.

Death/Retirement Payments for Full-Time Employees:

1. Accrued sick leave, up to the designated amount listed in the following paragraphs, shall be paid in a lump sum to the employee's beneficiary, as specified in writing by the employee on an approved form, if death occurs while employed by the Nashua Police Department. If no beneficiaries are designated by the employee, the accrued sick leave will be paid to the employee's estate.
2. Upon retirement under the NH Retirement System, an employee will receive payment for the accrued sick leave balance in his account (up to 720 hours for 40-hour-a-week employees), calculated at the current rate of pay on the day of retirement.
3. Upon layoff due to reduction in force, an employee will be paid 25% of all accrued sick leave calculated at the employee's then current rate of pay.

Sick Bank:

1. All employees covered under this Collective Bargaining Agreement may maintain and contribute to a sick leave bank on a voluntary basis from their unused sick leave credits.
2. A Sick Leave Bank Committee appointed by members of the Union shall establish the rules and procedures of the sick leave bank.
3. A copy of the rules and procedures under which the sick leave bank operates must be provided to the Chief of Police by the Union.
4. The Sick Leave Bank Article or the procedures and standards established by the Sick Leave Bank Committee shall not be subject to the grievance procedure.

Military Leave of Absence:

If a regular full-time employee or Detention Specialist must leave city employment to enter directly into active service in the armed forces of the United States involuntarily, he shall be granted a military leave of absence for the anticipated length of such service. The employee will be allowed seniority credit for the time spent in the armed forces.

The employee is entitled to reinstatement to the position he held or one of like status and pay if a vacancy is open within the city, provided that the employee accepts release from active service at the earliest possible date and request reinstatement within ninety (90) days after release.

If a regular full-time employee is called to serve not more than a seventeen-day annual training tour of duty with the National Guard or Armed Forces Reserve, he shall be paid the difference between his pay for such government service and the amount of straight

time earnings lost by him by reason of such service, if any, based on the employee's regularly scheduled straight time rate. Such payments shall be made following the showing of satisfactory evidence of the amount of pay received for such service. The employee will continue accrual of sick and vacation time during this time and shall not lose any benefits.

If a regular full-time employee is called into active duty with the National Guard or Armed Forces Reserve for more than 17 days, he shall not be paid the difference between his pay for such government service and the amount of regular straight time earnings. Full-time employees continue to accrue sick and vacation time while on paid leaves of absence. A leave of absence shall be charged first against the employee's accumulated sick leave and then against the employee's accumulated vacation time.

Unpaid Leaves of Absence:

- 1. With prior approval, and at the sole discretion of the Chief of Police, unpaid leaves of absence may be granted to regular full-time employees

due to personal illness up to forty-five (45) continuous days. Full-time employees do not accrue sick and vacation time while on unpaid leaves of absence. Thereafter, the employee shall pay 100% of the cost if he wishes to continue applicable insurance coverage.

This shall not apply to grandfathered employees who are paid higher than the wages listed on Schedules A or B.

Employees on a 5 & 2 System may be assigned to attend special schooling away from the workplace during hours not normally worked by the employee. Employees on a 5 & 2 System shall receive their regular rate of pay during such attendance.
