- B. **Part-Time Employees:**
1. **Part-Time to Part-Time:** If a part-time employee transfers from another City bargaining unit or other City Department and remains a part-time employee, he/she shall be paid for all accrued vacation leave by the appropriate City Department and shall not transfer any vacation accruals.  2. **Part-Time to Full-Time:** If a part-time employee transfers from another City bargaining unit or other City Department and becomes a full-time employee, he/she shall be paid for all accrued vacation leave by the appropriate City Department and shall not transfer any vacation accruals. The full-time anniversary date of continuous City employment shall be used to calculate a full-time employee's length of service for accrual purposes.

LOSS OF ACCRUED VACATION TIME:

- A. **Probationary Employees:** If a probationary employee resigns, is laid-off, or is discharged any time before completing his/her probationary period not exceeding one (1) year, he/she shall lose all accrued vacation time.
- B. **Unpaid Leave of Absence:** During an unpaid leave of absence, an employee does not earn any vacation time.
- C. **Maximum Accrual:** A vacation balance of not more than two times the annual accrual can be earned by the member's "anniversary date." On the "anniversary date," should the vacation balance be over the two times maximum accrual, the balance will be decreased to two times the annual accrual. The employee will then be allowed to accrue vacation for that month and the following months up to the "anniversary date."

REQUESTING USE OF VACATION TIME:

- A. **Block Weeks:** In written form, from up to one year and at least three (3) weeks prior to the date of use (unless waived by the Chief of Police or designee), requests for the use of vacation shall be in 5-day blocks of an employee's normal schedule. Less senior employees, as outlined under Paragraph "D" below, shall check with senior personnel (if available) at least one week before submitting vacation requests to their appropriate supervisor for approval. The senior personnel have one week to notify the less senior employee that a conflict exists. The less senior employees shall document this process on the request form, including not receiving a response back from the senior employees within the one-week time frame if applicable.

- B. **Individual, Half-Day or Hourly Leave:** Employees are allowed to use vacation in one- or half-day or one hour increments of vacation leave at a time only upon approval of their Bureau Commander or designee. In written form, employees are to request individual vacation days at least 3 days prior to their use; however, supervisors may waive this time restriction.
- C. **Responsibilities of Supervisors:** Potential workloads, manpower requirements, or any possibility of an emergency situation are considerations of a supervisor before approving usage, as well as the circumstances explained in Paragraphs "D" and "E" below.
1. **Block Weeks:** Upon receipt of the vacation request, supervisors will respond as soon as possible, but within two (2) weeks of receipt of the block week vacation request.
 2. **Individual Vacation Days:** Due to the limited time frame of individual vacation days, supervisors will respond to the vacation request prior to the date of the requested use.
- D. **Hierarchy to Resolve Conflicts:** If a conflict arises in the use of vacation time among personnel in the Bureau/Division, the Bureau Commander or designee will use the following hierarchy in order to resolve it:
- Supervisors (Sworn & Civilian – As it relates under Paragraph "E" below.)
 Assistant Supervisors
 Senior Full-Time Employees
 Junior Full-Time Employees
 Part-Time Employees
- E. **Number Allowed on Vacation at One Time/Availability of Police Officers:** The number of employees and police officers allowed on vacation within a Bureau or Division at one time shall be determined by the Chief or designee based on the positions held. The approval of employees on vacation within a Bureau or Division is normally not affected by the availability of police officers, except when certain conditions exist. The below are examples, but the conditions are not limited to the specific examples below.
1. **Supervisory v. Assistant Supervisor:** In the cases where a police officer is the Supervisor of the Division and the employee is the Assistant Supervisor of the Division, the employee, being an assistant supervisor, may or may not be approved to be on vacation the same time as the supervisor by the applicable authority. An example is the Communications Division Supervisor (police officer) and the Assistant Communications Division Supervisor (employee).
 2. **Performing the Same Job:** In the cases where employees perform the same duties as police officers, and there is a minimum staffing requirement necessary to perform the essential duties that could not otherwise be performed by others outside of the Bureau/Division, the employee's vacation may or may not be approved if certain manpower conditions exist. An example is the Police Attorneys (employees) and Police Prosecutors (police officers) who perform the same prosecution duties in court. In this situation, minimum staffing requirements allow only two prosecutors to be on a block week vacation at any one time in any combination, and up to three which allows the approval of an individual vacation day under special circumstances as authorized by the applicable authority.
- F. **Partial Vacation Leave – Family Medical Leave:** Employees may use partial vacation days in any increment for payment of time used for valid FMLA incidents.
- G. **Approval of Vacation Leave Beyond Two Consecutive Work Weeks:** Except as approved by the Chief of Police or designee, employees cannot take more than two (2) consecutive work weeks of vacation at any one time.

H. **Final Approval:**

1. **Verification by Financial Services Division:** Before final approval by the employee's supervisor, the accrual of the necessary vacation time needed must be verified by the appropriate personnel in the Financial Services Division.
 2. The appropriate form will be completed by the supervisor or employee, and forwarded to the appropriate Financial Services Division personnel.
 - a. **Completion of Probationary Period:** Employees must complete six (6) months of continuous service before taking any accrued vacation time unless otherwise designated in this Article.
 - b. **Time Available Before Use:** Employees will have the appropriate time accrued before use of vacation time is approved. Under special circumstances, an employee may be allowed to take vacation time if it has not yet been accrued if authorized by the Chief of Police or designee.
 3. After approval, the form will be sent back to the employee's Bureau Commander or designee, and the employee will be notified.
- I. **Changed/Canceled Approved Vacation:** Once a vacation is approved and the dates are to be changed or canceled by the employee, the employee must reapply. The employee must complete the appropriate form canceling the vacation and the entire process began again.
- J. **Recall of Vacation:** Any approved vacation is subject to recall by the Chief of Police or designee due to workloads, manpower requirements, and any emergencies that arise.
1. **Non-Exempt Employees:** Non-exempt employees shall be paid time and half of their regular rate of pay for a callback when on vacation and granted an equivalent amount off vacation time, but no less than one day, which may be banked for future use.
 2. **Exempt Employees:** Exempt employees do not receive overtime for a callback when on vacation, but are granted an equivalent amount off vacation time, but no less than one day, which may be banked for future use.

ARTICLE 37
DEFERRED COMPENSATION PROGRAM

A Deferred Compensation Program is eligible to employees as long as it is offered by the City of Nashua and no additional costs are incurred by the Department as a result of employee participation in the Program.

ARTICLE 38
LONGEVITY

For purposes of this article, the full-time, continuous date of hire with the City of Nashua will be used for computing length of service.

Full-time or Part Time regular employees, who work 32 hours or more a week, who have been employed by the Nashua Police Department for five or more years on an uninterrupted basis (except by reason of layoff or an approved leave of absence), are eligible for a longevity payment on a normal payday nearest their anniversary date of hire with the department. Part-time employees (work 32 hours or less a week), are eligible for prorated longevity payments at the employees amount of hours worked.

An employee with more than 5 years but less than ten (10) years of service in the department shall receive a lump sum longevity payment of \$300.00 the pay week following the employee's anniversary date.

An employee with ten (10) years of service in the department shall receive a lump sum longevity payment of \$500.00 the pay week following the employee's anniversary date. Employees with more than 10 years of service will receive an additional \$50.00 each year thereafter, cumulatively.

Employees eligible to receive longevity pay, who are not employed by the department on the anniversary date of any year, shall forfeit the right to all or any portion of longevity pay to which they otherwise would have been entitled.

An employee is not eligible for this benefit if the following conditions apply:

1. If the employee is in layoff status;
2. If the employee is not currently employed by the Nashua Police Department;
3. If the employee is on long term disability;
4. If the employee is on an unpaid leave of absence.

According to the Fair Labor Standards Act, any longevity payments received by employees shall be added to their total annual wages for computation of overtime rates. Such overtime rates shall be effective January 1st of every year based on the amounts of longevity payments that will be received during the upcoming calendar year. If the employee does not receive a longevity payment during the calendar year, the appropriate adjustments will be made.

If employees retire, longevity payments will be pro-rated by month based on the actual length of service. Employees must work at least 15 calendar days in any month to receive credit for that month.

Two (2) weeks prior to the employee's anniversary date, the employee can request that this longevity payment be deposited into a 457 Retirement Plan provided that the employee has a 457 Retirement Plan set up through the City.

5th through 9th anniversaries	\$ 300.00
10th through 14th anniversaries	\$ 500.00

15th through 19th anniversaries	\$ 700.00
20th and longer anniversaries	\$1,000.00
