It is understood that the grieving parties shall have the right to be represented at all levels of the grievance procedure. The Board has the right to return any grievance for more detailed specification of the alleged violation. If a more detailed specification is requested, the time limit shall be extended three (3) days excluding holidays and school term vacations. Any grievance matter, regardless of outcome, shall not become part of an employee's personnel file.
- 5.2 **Level 1:** -- The procedure to be followed by grieving parties regarding a grievance related to an alleged misinterpretation, misapplication or violation of this Agreement, is to discuss the matter with the building administrator or superintendent within ten (10) days of the known occurrence of the alleged misinterpretation, misapplication, or violation. Grieving parties are entitled to present their grievances to any higher supervisory officer. An unsatisfactory result of an interview with a supervisory officer may be appealed to the Superintendent of Schools.

- 5.3 **Level 2:** -- Grieving parties shall appeal to their Principal, within ten (10) days of the meeting at level 1, in writing, using the Grievance Record as shown in Appendix D of this Agreement. A written response by the Principal shall be made within seven (7) days of the appeal.
- 5.4 **Level 3:** -- Grieving parties may appeal to the Superintendent of Schools the decision of Level 2. This appeal must be made within ten (10) days following the decision of Level 2. - 5.5 **Level 4:** -- Grieving parties may appeal the decision of Level 3 to the School Board. The appeal must be made within ten (10) days following the decision of Level 3. A written response shall be given to the grieving parties within seven (7) days of the completion of the hearing.
- 5.6 **Level 5:** -- In the event that the grieving parties are not satisfied with a decision made at the School Board level, the grieving parties may request, within ten (10) days, that the Association refer the grievance for arbitration. The Association shall notify the Chair of the Board and the parties shall apply to the NH PELRB for a list of arbitrators within seven (7) days. It is understood that the decision shall not be binding, but advisory. It is further understood that any costs for arbitration shall be paid by both parties equally.
- 5.7 Time periods specified in this procedure may be extended by mutual agreement. However, since it is important that grievances be processed as rapidly as possible the number of days at each step should be considered as a maximum and every effort shall be made by both sides to expedite the process.

ARTICLE VI ASSOCIATION RIGHTS

Up to twelve weeks leave shall be granted upon the request of the employee. Employees shall be paid by utilizing authorized leave up to the full twelve weeks. Health insurance coverage shall be maintained at the shared District/employee cost for the duration of the paid leave period.

During unpaid leave (not utilizing sick leave), health insurance coverage may be maintained at the employees' expense, paid monthly in advance. If health insurance payments are ten (10) days late, a certified letter from the District shall be sent notifying employees that without payment in fifteen (15) days the carrier shall be notified to terminate the insurance coverage. Unpaid leave shall be granted if requested by the employee for a total leave (combined paid and unpaid) period of up to one year.

Military personnel, who are in reserve status, and who are called to active duty in any of the United States military services which cannot be postponed or deferred, such as Reserve Duty, Special Emergency Duty, etc., shall be compensated for such absence from their contract duty to the District to the extent that the District shall pay, during their contract, the difference between their per diem contract salary and their per diem military pay. The intent of this policy is to give full salary to the employees on military duty in addition to the District providing a substitute to fulfill their contract responsibilities. Employees must provide adequate lesson plans for at least ten (10) school days to their replacement.

13.5 **Jury Duty**

If it is necessary for employees of the District to serve as jurors, they shall be assured of their contract salary.

13.6 **Other Leaves**

1. Upon return from any leave granted by the School Board, employees shall be assigned to the same position, unless the position has been modified or terminated during the leave.
2. Employees on leave of absence shall not be denied the opportunity to substitute in the School District by reason of the fact that they are on a leave of absence.
3. Upon return from such leave of absence, all accrued rights and benefits held prior to leaving shall be reinstated upon returning to employment. Employees shall be given full credit for actual teaching experience gained while on leave.
4. Employees on leave under the above provisions of the Article shall be issued a statement indicating the type, duration and conditions of such leave.

All courses shall be reimbursed the following October, March or June after successful completion of the course. In order that sufficient funds can be budgeted for this purpose, it shall be necessary for employees to notify the Superintendent of their intention to take courses by November 1st of the fiscal year prior to the fiscal year in which they plan to be reimbursed.

All attempts will be made to reimburse all employees for professional growth programs within two accounts payable cycles after the employee has submitted the appropriate paperwork. Mileage reimbursement, for private vehicle use, shall be paid at the current IRS rate.
 - 14.4 Employees shall have prior approval of their program from the Principal and Superintendent. Proof of successful completion of programs shall be given to the Superintendent prior to reimbursement.
 - 14.5 **Special Projects.** Employees may make application to the Superintendent of School to develop ideas, teaching units or programs during summer months or outside of school time during the school year. In the event a new co-curricular position is created during the term of this Agreement, the School Board shall establish the initial salary and the salary for said position shall be negotiated in future agreements. If the activity is less than 8 weeks, reimbursement shall be made at the end of the activity. If the length of the activity is more than 8 weeks, but less than a full year, the reimbursement shall be made twice. If the activity is for a full year, reimbursement shall be made three times a year. Payment will be in a separate paycheck not added to the regular employee paycheck. This payment arrangement also includes co-curricular assignments that are not listed in Appendix A-1. Co-curricular payments shall not be made if the entire season or activity is canceled prior to its scheduled start. Cancellation of a season or activity after its scheduled start shall result in payment on a pro rata basis. WHEREIN IT IS MUTUALLY AGREED AS FOLLOWS:

- 1) The District shall employ the Teacher for the school year beginning on following the date of this agreement, and ending on the following June 30th, at an annual salary listed below payable in 26 bi-weekly installments commencing on less any deductions required by Federal or State law, proper deductions for loss of time, and other deductions agreed to by the parties and authorized in writing by the Teacher.
2) The Teacher shall work for the District for said period and shall conform to and carry out all public school laws and all lawful rules and regulations relative to the conduct of the schools and teachers which may be adopted by the School Board or the State Board of Education (RSA 189:15 and 186:5).
3) The Teacher is assigned to the position listed below. Such position shall include those duties of a non-instructional nature as are customarily incident thereto.
