ARTICLE II
MANAGEMENT RIGHTS

- 2.1 Except as limited by express provisions of the Agreement, the School Board reserves the right to exercise management prerogatives to include, but not limited to: determining the standards of services to be offered by it; setting the standards of selection of employees; selecting employees; directing and assigning its employees; relieving its employees from duties because of lack of work or other legitimate reasons; maintaining the efficiency of governmental operations; determining the methods, means and personnel by which its operations are to be conducted; determining the content of job classifications; allocating and reorganizing positions; and staffing and taking all necessary actions to carry out its mission in emergencies.

ARTICLE III
NEGOTIATION PROCEDURE

- 3.1 On or before October 1, either party may initiate negotiations in accordance with RSA 273:A.
- 3.2 During negotiations, the Board and the Association will present relevant data, exchange points of view, and make proposals and counterproposals. The Board and the Association will make available to one another for inspection all pertinent non-confidential records, dates and information used in developing proposals. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.
- 3.3 Any agreement reached shall be reduced to writing and be signed by the Board and by the Association.
- 3.4 The parties may by mutual agreement pass over mediation and go directly to fact-finding.

- 3.5 If the parties have agreed to all cost items by the budget submission date (as defined in RSA 273-A:1 III), the Board agrees to publicly support those cost items. The Board and the Association will then come to agreement as to how the agreed upon contract will be submitted at the annual school district meeting i.e.: as a separate warrant article or as part of the main budget article. However, if the total budget is cut by the district meeting by an amount which the Board, in its sole discretion, determines requires the reopening of negotiations, then the Association agrees to reopen negotiations at the request of the Board, such negotiations to be limited to cost items.

ARTICLE IV

GRIEVANCE PROCEDURE

- 4.1 **Definition.** A "grievance" is any claim by a bargaining unit member, group of bargaining unit members, or the Association alleging there has been a violation, misinterpretation or misapplication of any provision of this Agreement. All time limits specified in this Article IV shall mean school days, except under Section 4.12.
- 4.2 **Purpose.** The parties acknowledge that it is more desirable for a bargaining unit member and his immediately involved supervisor to resolve problems through free and informal communications. Grievances which are not satisfactorily settled in an informal way shall be reduced to writing (see attached Grievance Report Form – Appendix A) and referred to the following formal grievance procedure. A grievance to be considered under this procedure must be initiated in writing within twenty (20) school days of its occurrence.
- 4.3 Any bargaining unit member covered by this Agreement shall have the right to be represented at any stage of the grievance procedure.
- 4.4 **Formal Procedure.** The grievance shall state the specific alleged violation, misinterpretation, or misapplication with proper reference to the contract Agreement and the relief sought. It shall also set forth names, dates, and other related facts that will provide a sound basis for a complete understanding of any such grievance. In cases where more than one bargaining unit member shall have a grievance on the same alleged violation, misinterpretation, or misapplication, such being filed with the Newport Teachers' Association grievance committee prior to any of the individual grievances reaching Level A, such bargaining unit members may file a single grievance bearing the signatures of all bargaining unit members involved, and have said grievance treated at each level according to the rights and procedures of this section with only one of the bargaining unit members representing those involved.
- 4.5 **Level A.** Within five (5) school days of receipt of a formal grievance, the building principal shall meet with the aggrieved bargaining unit member and any other pertinent personnel. Within five (5) school days following any such meeting, the principal shall give his/her answer in writing. If the grievance is not settled at this level, then it may be referred to Level B within five (5) school days of the receipt of an answer given at this level.

- 4.6 Level B. Within ten (10) school days of a grievance being referred to this level, the superintendent and/or his/her designee will meet with the participants of Level A and examine the facts of the grievance. The superintendent and/or his/her designee shall give his/her answer in writing within five (5) school days of any such meeting. If the grievance is not settled at this level, then within five (5) school days from receipt of the answer rendered at this level, the grievance may be referred to Level C.
- 4.7 Level C. Within fifteen (15) school days of a grievance being referred to this level, the School Board will meet with all the participants necessary to obtain and examine the facts of the grievance. A decision in writing with reasons for such decision will be rendered by the School Board ten (10) school days after it has completed its deliberations.
- 4.8 Level D. If the grievance remains unsettled, the grievant has fifteen (15) school days to notify the superintendent if he/she is referring the matter to the Association requesting arbitration. If the matter is referred to arbitration, then the parties shall apply to the American Arbitration Association to name an arbitrator under its rules and procedures. The arbitrator shall use his/her best efforts to arbitrate the grievance, but s/he shall have no power to add to or subtract from, alter, or modify any of the said provisions. The arbitrator shall thereafter submit a decision to both parties. The arbitrator's decision shall be binding. The parties agree to share equally in the compensation and expenses of the arbitrator.
- 4.9 The arbitrator shall not award damages in excess of a make whole remedy.
- 4.10 Time periods specified in this procedure may be extended by mutual agreement.
- 4.11 Grievance(s) of a general nature, or involving the superintendent, may be submitted by the Association to Level B. The principal will be notified of this action. A grievance, in order to be considered further must be forwarded to the next appropriate level within ten (10) school days from receipt of the answer given at the preceding level.
- 4.12 In the event a grievance is filed on or after June first (1st), the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school term, or as soon thereafter as is practicable.
- 4.13 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits (unless extended by mutual agreement) shall allow the aggrieved person(s) to proceed to the next level. Failure at any level of the procedure to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.
- 4.14 The parties agree that bargaining unit members covered by this Agreement shall enjoy freedom from restraint, interference, coercion, discrimination or reprisal in presenting or appealing any personal grievance(s).

ARTICLE V
