 - (c) “Stand-by Duty” means any period of time outside an employee’s regularly scheduled work hours during which an employee is required to carry a pager and be available for work.
 - (d) When an employee on stand-by is called to work, the employee shall be paid in

accordance with paragraph (a) above.

- (e) When an employee on stand-by is called to work, the employee must report to work within one (1) hour and must contact dispatch upon arriving at and departing the work location. An employee on stand-by duty who fails to respond to a call or fails to report within one hour of a call, may be subject to discipline. The Employer will not arbitrarily or capriciously discipline an employee due to the employee's failure to report within one (1) hour due to, and during, periods of inclement weather.

22.5 No temporary employee will be assigned overtime until all regular employees have had the opportunity for such assignment and refused unless management feels fatigue, health and safety are a factor.

22.6 Employees may opt to earn compensatory time, at the rate of one and one-half times, in lieu of overtime pay. Employees must notify the Superintendent of their election of compensatory time when submitting their time records for the pay period in which the overtime is worked. Employees may accrue up to a maximum of forty (40) compensatory hours in a calendar year. If compensatory hours are not used prior to the end of the calendar year, those hours will be paid, at the employee's regular base rate, in the final pay period of December. Employees must submit requests to use compensatory time to the Superintendent at least one (1) week in advance, except in emergencies. Requests for compensatory time shall be approved unless approval would result in undue disruption of Precinct operations.

ARTICLE 23: STRIKES AND LOCKOUTS PROHIBITED

23.1 Under no circumstances will the Union cause, encourage, sponsor or participate in any strike, sit-down, stay-out, sick-in, work slowdowns, withholding of services, or any curtailment of work or restriction or interference with the operation of the North Conway Water Precinct, during the term of this agreement. Should any employee or group of employees engage in any such job action, the Union will cooperate with the Water Precinct to bring it to a halt.

ARTICLE 24: FAMILY AND MEDICAL LEAVE ACT POLICY

24.1 Shall be governed by existing law.

ARTICLE 25: STABILITY OF AGREEMENT

- 25.1 Should any article, section or portion thereof of this Agreement be in violation of a State law or be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specific article, section or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree immediately to meet and attempt to negotiate a substitute for the invalidated article section, or portion thereof , provided such a substitute is possible in light of the law which rendered the provision unlawful or unenforceable.
- 25.2 This Agreement represents the final resolution of all matters related to the terms and conditions of employment for members of the Bargaining Unit and, as such, supercedes any prior policies or practices, whether written or unwritten related to employment with the Water Precinct. Notwithstanding the preceding sentence, the parties recognize the existence of the North Conway Water Precinct Employee Handbook and agree that if this Agreement is silent on any topic which is covered, either now or in the future in the Handbook, then the terms of the Handbook shall apply to members of the bargaining unit. If any provision of the Handbook, either now or in the future, is inconsistent with a provision of this Agreement, then this Agreement shall govern with respect to bargaining unit members. The provisions of this Agreement shall not be changed or altered except by mutual written agreement of the parties.

ARTICLE 26: DURATION

- 26.1 This Agreement shall be in full force and effect from January 1, 2008 through December 31, 2009.
- 26.2 Either party may request negotiations for a successor agreement by serving written notice to the other anytime after July 1 of the year of expiration. The parties will make every effort to begin negotiations within four (4) weeks of such a request.

ARTICLE 27: CONSULTATION AND LABOR MANAGEMENT

The parties recognize that in order to foster harmonious relations between the employer and employees, it is beneficial to discuss issues regarding the interpretation or application of this Agreement and other issues arising out of the employment relationship. To accomplish this, the parties agree to form a Labor/Management Committee composed of up to 2 members appointed by the Union and up to 2 members appointed by the Precinct. The Committee shall meet during business hours on a quarterly basis for the purpose of discussing labor management relations and/or concerns of a general nature. Consultation at other times can be requested by either party by written request stating the nature of the matter to be discussed and such request shall not be unreasonably denied. The Committee will attempt to meet, during business hours, within five (5) work days of the request. If the matter to be discussed is a formal grievance, the Committee

shall meet in accordance with the provisions of Article 18.3(b).

ARTICLE 28: EVALUATIONS AND MERIT INCREASES

Such evaluation will indicate if the employee's performance is below expectations, meets expectations, or exceeds expectations. An employee will be provided with a copy of his/her evaluation and the original will be placed in the employee's personnel file.
