City Clerk, Chief Assessor, Tax Collector, Director of Welfare, Systems Supervisor, Director of Recreation, Director of BZLS, Economic Development Manager, Library Director, Director of Planning, Director of Public Works, Fire Marshal, City Engineer and Assistant Fire Chief.

ARTICLE 2: MANAGEMENT RIGHTS

The City retains traditional rights to manage and direct the affairs of the employer in all of its various aspects and to manage and direct its employees, pursuant to managerial policy within the exclusive prerogative of a public employer as defined by RSA 273-A:1.XI including but not limited to the following: to plan, direct, control and determine all operations and services of the City; to direct the working forces; to establish the qualifications for employment; and to lay off employees for lack of work or lack of funds; to schedule and assign work; to establish work and productivity standards and to, from time to time, change those standards; to assign overtime; to determine the methods, means, organization, and number of personnel by which such operations are to be conducted; to make and enforce rules and regulations; to employ, discipline, suspend, demote and discharge employees for just cause; to change or eliminate existing methods, equipment or facilities; provided however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

ARTICLE 3: PROBATION

1. All newly hired employees not currently employed by the City of Rochester shall be in a probationary status for twelve (12) months and not subject to the Agreement.
2. Employees currently employed by the City, promoted to positions in this bargaining unit shall serve a probationary period of six (6) months. The promoted employee may return to the previous position for a period of thirty (30) days as a matter of right. Thereafter, the promoted employee may return to the previous position for a period of five (5) months if it remains unfilled and is allowed by the contract of the bargaining unit in question. All aspects of this contract shall apply except that the City may determine in its sole discretion that the employee is not an appropriate fit for this position.
3. A promoted employee will not be required to perform the duties of a subordinate position simultaneously with the promoted position on a regular basis for a period in excess of sixty (60) calendar days.

ARTICLE 4: DISCIPLINARY POLICY

1. The City agrees that it shall only discipline or discharge bargaining unit members for cause. The term “discharge” shall not include termination of employment directly caused by departmental reduction or restructuring.
2. The bargaining unit member has the right to request a union representative at any meeting where disciplinary matters are discussed.
3. Disciplinary action will normally be taken in the following order:
 - a. Verbal warning
 - b. Written warning
 - c. Suspension
 - d. Discharge
4. The parties recognize that certain infractions are sufficiently serious to merit immediate suspension or discharge. Nothing herein shall serve to deprive any bargaining unit member of his/her rights under law.

ARTICLE 5: GRIEVANCE PROCEDURE

1. Definition

A grievance is defined as an alleged violation, misunderstanding, or misapplication of a specific provision of this Agreement. The grievance shall state the facts giving rise to the dispute, a description of the specific provisions of the Agreement allegedly violated, misunderstood, or misapplied, and a clear description of the relief sought.
2. Time Limits

The time limits specified in this Article shall mean calendar days unless stated differently. Time limits indicated hereunder are considered maximum, unless extended by mutual Agreement. All such Agreements to extensions must be in writing.
3. General Provisions

The union shall be the exclusive representative of the employee at all levels of the grievance procedure and may use representatives of its own choosing.

Responses at all levels of the grievance procedure shall be communicated in writing to the president of the union or an authorized designee. The Union shall be responsible for contacting the employee.

Failure at any grievance level to meet or to communicate the decision within the specified time limits to the president of the Union or his designee shall permit the Union to proceed directly to the next level.

The time limits for the processing of any grievance may be extended by written consent of both parties.

All grievances shall be initiated not later than ten (10) calendar days after the occurrence of the event giving rise to the grievance.

Both parties to this Agreement recognize the benefit of resolving all grievances at the lowest possible level and the importance of early and effective communication of this process.

Step #1

The Group member and his/her Group Representative shall meet to discuss informally any violation of the Agreement with the City Manager within ten (10) calendar days of said violation. If the Group member is not satisfied by the informal opinion/decision of the City Manager, the Group member will move on to step two.

Step #2

The Group member and his/her Group Representative shall submit in writing, within ten (10) calendar days of the informal meeting, a summary of said grievance. This summary shall specifically state the article of Agreement or implied condition that has been violated. The City Manager shall within ten (10) calendar days, deliver his written decision/opinion to the Group and to the member. If the Group member and his/her representative are still not satisfied they may then move on to step three.

Step #3

If the Group has not reached an Agreement, they may appeal to the New Hampshire Public Employee Labor Relations Board (PELRB) within ten (10) days of step 2 for the appointment of an arbitrator. The decision of the PELRB arbitrator will be binding on both parties to the Agreement. The cost of this arbitration shall be borne equally by the Group and the City.

The decision of the arbitrator shall be final and binding. However, either party may appeal the decision of the arbitrator pursuant to RSA 542. Any appeal not filed within forty-five (45) days of the arbitrators opinion shall be deemed waived.

ARTICLE 6: HOLIDAYS

- 1. Employees shall have the following paid holidays:

New Year’s Day	Columbus Day

The provisions of this section shall apply to full-time regular employees and, on a pro-rata basis, to part-time regular employees.

ARTICLE 7: VACATIONS

The provisions of this section shall apply to full-time regular employees and, on a pro-rata basis, to part-time regular employees who work a minimum of 40 hours a pay period. Applications for vacation leave shall be approved by the department head and shall be chosen based on seniority, except that no employee shall select more than two (2) weeks at one time until all employees have been given an opportunity to choose their preferred vacation time. Except for employees hired by the City after July 1, 2014, vacation time accrued in a year (based on anniversary date) shall be taken within the next following employment year. Vacation time will be accrued during the probationary period but may not be taken until after successful completion of probation, except with approval of the employee's supervisor and the City Manager. After commencement of the first year of continuous full-time employment, each employee shall accrue paid vacation time at the rate of ten-twelfths (10/12) of a day for each month of full-time employment during each employment year through and including the fifth (5th) employment year. After the commencement of the sixth (6th) year of full-time employment, each employee shall accrue paid vacation time at the rate of one and three-twelfths (1 3/12) days for each month of full-time employment during each employment year through and including the tenth (10th) employment year. After commencement of the eleventh (11th) year of full-time employment, each employee shall accrue paid vacation at the rate of one and eight-twelfths (1 8/12) days for each month of full-time employment during each employment year through and including the twenty-fourth (24th) employment year. 25+ years	5 weeks/year

Employees hired by the City after July 1, 2014, shall have a maximum accumulation of vacation time of one and one-half (1.5) times the annual accumulation amount. Effective July 1, 2015, all other employees (hired prior to July 1, 2014) may accumulate up to 2.0 times the annual vacation time accumulation amount but shall be limited to 1.5 times the annual vacation accumulation for the purposes of payout at the time of separation. Upon reaching the applicable maximum accumulation, monthly additions to the total shall cease until usage reduces the accumulation.

Notwithstanding the foregoing, and in the event the employee's legitimate job responsibilities prevent vacation usage, the City Manager may grant an exception to the employee ceasing to accumulate vacation time or increase the limit of 1.5 times the annual vacation accruals paid at the time of separation. Upon application for an exception, the employee shall submit a plan for vacation usage bringing the employee's accumulations within the above-specified limits or to increase the payout at the time of separation as cannot otherwise be avoided. Approval of the vacation usage plan and the requested exception by the City Manager shall not be unreasonably withheld.

For employees hired after June 30, 2016, vacation time shall be awarded on the anniversary date of hire and must be used in the 12 months following the award or the vacation time shall be forfeited.

Employees may opt to buy or sell vacation days in accordance with the Flexible Benefit Plan.

ARTICLE 7A: PAID TIME OFF (PTO)

PAID TIME OFF (PTO) – Time off that combines vacation, sick, family sick and personal time off into a single bank of non-cumulative days for employees to use to take paid time off from work.

Employees hired after July 1, 2018 – Upon commencing employment and each employment year thereafter, exempt employees will be credited with thirty (30) non-cumulative leave days that will be usable for 14 calendar months. In the event the employee’s legitimate job responsibilities or an approved leave of absence (FMLA or worker’s comp) prevent PTO usage as outline above, an exception shall be granted by the City Manager, with an approved plan for PTO usage bringing the employee’s accumulation within the specified limits. Upon separation from City service, the maximum PTO paid shall be 30 days.

There will be a one-time option (January 2019) for current employees to convert to the PTO policy. Current employees that choose to convert to PTO will start with an account balance consisting of the vacation, sick (eligible payout on 12-31-18), and personal leave time balance at the time of conversion. Employees will not lose days if they come into the plan with a balance greater than the PTO cap. Employees who have days over the maximum will have one year to use time in excess of the maximum allowed accrual.

Guidelines for PTO Use

Time that is not covered by the PTO policy, and for which separate guidelines and policies exist, include paid holidays, bereavement time off, required jury duty, and military service leave.

Non-probationary employees are paid for the PTO at employment end.

In the event of termination by reason of death, said payment in the amount of fifty (50%) percent of accrued sick leave shall be made to his/her beneficiary.
6. Sick leave shall be considered a matter of grace and not a privilege and shall be allowed only in case of actual illness or to keep necessary medical appointments. Sick leave shall be used in minimum blocks of two (2) hours.
7. To receive compensation while absent on sick leave, the employee shall notify his/her department head prior to the time set for beginning his/her daily duties or as may be specified by the department head. At the discretion of the department head, a doctor's certificate may be required for absence due to illness in excess of three (3) days. If the Department head has a reasonable basis to believe or suspect an employee has abused sick leave privileges, he/she may require a doctor's certificate for an illness of less than three (3) days. Proof of illness or disability may be required at any time by the City Manager, department head or Division head.

2. The City recognizes the Group is composed of salaried and hourly, professional members whose hours and methods of work are defined by the requirements of their respective positions.
3. Non-salaried employees may request to be compensated with compensatory time at the rate of one and one-half (1 ½) hours for each hour of overtime worked. All overtime must receive the prior approval of the department head. If compensatory time is to be used to compensate overtime hours, the employee and the department head prior to the hours being worked must agree to it. Compensatory time may be accrued to a total of forty (40) hours. All compensatory time must be used by June 15 of each year or it will be paid out as overtime on the next pay day. Employees who are not working and out on leave when City services are curtailed shall not be compensated for the emergency closing day. The provisions of this section shall apply to full and part-time regular employees (to include probationary employees for regular positions).

The actual payment of wages shall be a combination of the worker's compensation benefit as determined by the Department of Labor and a supplemental payment by the City, which will be the difference between the worker's compensation payment and the employee's regular compensation, to be paid on a bi-weekly basis.
2. At the end of the twenty (20) day period of said job connected injury, the employee shall continue to receive both worker's compensation benefit and the difference between that benefit and the employee's regular compensation, except that the differential between the worker's compensation benefit and the employee's regular compensation shall be charged against the employee's accrued sick leave, if any, and thereafter, against vacation leave. The employee may elect to receive only the work's compensation benefit and decline to receive the differential between the worker's compensation benefit and the regular weekly compensation, so as to avoid the charge against sick leave or vacation leave.
3. In the event that a physician finds that the employee is permanently incapacitated, the employee shall apply for NHRS disability retirement benefits. If the employee is awarded a

disability retirement under the provisions of the New Hampshire Retirement Law, the commencement of payments under the New Hampshire Retirement Law shall end the City's obligation to provide the difference between the worker's compensation payment and the employee's regular compensation, to be paid on a bi-weekly basis.

In accordance with RSA 281-A:23-b, employees will be provided temporary alternate work opportunities if disabled by a work-related injury or illness. Employees who are eligible for recall shall be sent a recall notice by registered mail, return receipt requested. The employee must notify the City Manager within three (3) weeks after receiving the notice of recall of their intention to return to work. Failure by the employee to so notify the City Manager shall represent a decision not to accept the recall. The City shall be deemed to have fulfilled its obligations under this section by mailing the recall notice by registered mail, return receipt requested, to the last address provided by the employee. It shall be the obligation and responsibility of the employee to immediately notify the City Manager of any changes in mailing address during the fourteen (14) month period from layoff provided by this section, or extension thereof.

Employees that have medical coverage through their spouse may choose to “opt out” or “opt down” of participation in the City-sponsored plan. If employees opt out or opt down, they will receive a portion of the monthly premium savings that can be used to offset the cost of other benefits or receive it as taxable compensation in their paychecks throughout the year.

The City reserves the right to re-open this Agreement in the event that changes in health insurance regulations substantially increase, alter or impair the financial obligations of the City or subject its health insurance plans to fines, taxes and/or penalties.

The amount the employee can receive depends on their eligible coverage level, as shown in this chart:

Eligible Coverage Level*	Annual Opt-Out Amount
Family coverage	\$2,400
2-Person coverage	\$1,600
Single coverage	\$1,000

Eligible Chosen Level**	Annual Opt-Down Amount
Family to Single coverage	\$1,200
Family to 2-Person coverage	\$750
2-Person to Single coverage	\$750

**Eligible coverage level refers to the number of eligible dependents the employee has.*

***Eligible/chosen coverage level refers to an employee that chooses a plan lower than their eligible coverage level.*

To opt out, employees must provide proof of comprehensive insurance coverage elsewhere.

ARTICLE 28: REIMBURSEMENT ACCOUNTS

Reimbursement accounts offer a tax effective way to pay certain healthcare and dependent care expenses. Two types of reimbursement accounts are available to all employees:

- Healthcare reimbursement account (maximum annual contribution \$2,500)
- Dependent Care reimbursement account (maximum annual contribution – the lesser of the following):
 - \$5,000 if you are married and file joint tax return
 - \$2,500 if you are married and file separately or
 - The lower of you and your spouse’s income

These deductions shall be prorated for employees who are employed for less than a full calendar year.

ARTICLE 29: DENTAL INSURANCE

All employees covered by this Agreement are provided with the Northeast Delta Dental Plan through HealthTrust. That plan or one with the same or greater benefits is provided by the City with the City paying up to three hundred dollars (\$300.00) per year towards the cost of the benefit. Employee pays costs above that amount through the Flexible Benefits Program and payroll deductions. The Base Option V Coverage A, B; Mid Option III Coverage A, B, C and High Option I Coverage A, B, C, and D are available to the employee in either Single, Two-Person or Family Plans.

ARTICLE 30: DISABILITY INCOME PROTECTION

Full Coverage Plan

The Full Coverage Plan is mandatory for employees hired after November 1, 1998. It includes three separate and distinct elements:

- a) Sick Leave Account
- b) Short-Term Disability (STD) Plan
- c) Long-Term Disability (LTD) Plan

Limited Plan

With this plan, if you are unable to work because of accident or illness, you will receive 100 percent of your salary for as many sick days as you have accrued, to a maximum of 120 days.

Limited Plan Plus

Employees hired prior to November 1, 1998, may continue their participation in the sick leave program in place at that time and purchase LTD insurance.

ARTICLE 31: LIFE INSURANCE

The City pays 100% of the cost of a basic amount of life insurance protection for all employees. This “core coverage” is equal to one times the employee’s base salary. Employees can choose to purchase additional “supplemental coverage”. The cost of any additional insurance will be made through payroll deductions or offset by any remaining city-provided benefit funds.

ARTICLE 32: BUY/SELL ACCRUED LEAVE

During the City’s open enrollment period, and as part of the Flexible Benefits Program, employees that have PTO benefits (Article 7a) may opt to sell back to the City up to nine (9) days of PTO; or employees that do not have PTO benefits, may opt to buy or sell back to the City up to seven (7) days of accrued vacation and/or sell back to the City two (2) days of accrued earned personal leave in exchange for Benefit Bucks (used for the employee’s share of medical, dental and/or supplemental life insurance). However, after the exchange, the employee still must have at least five (5) days of vacation or PTO leave.

ARTICLE 33: COMPENSATION AND WAGES

Agreement Effective July 1, 2018 employees in the bargaining unit will be eligible for an annual merit pay wage increase of between zero percent (0%) and three percent (3.0%) (based upon the results of the annual performance evaluation process). See attached Exhibit A & A-1.

Effective July 1, 2019 employee in the bargaining unit will be eligible for an annual merit pay wage increase of between zero percent (0.0%) and four percent (4.0%) (based upon the results of the annual performance evaluation process). See attached Exhibit A & A-2.

Any merit salary increase so awarded shall be based on a rating of employees by their supervisor using a systematic and formal evaluation process to be completed as set forth below. The department head will consider the written evaluation, the personnel file, recommendations of the supervisor and such other information to determine the base wage adjustment. Merit pay increases will not be diminished because of financial considerations of the department or the City.

Extraordinary Annual Bonus:

The City Manager may award up to a 2.0% annual bonus for extraordinary service to the City of Rochester or its taxpayers by a bargaining unit employee. This bonus shall be in addition to any merit pay and shall be paid in the first pay period of December. This bonus shall not be added to the employee's base wages. The grant or failure to grant this extraordinary annual bonus by the City Manager shall not be subject to the grievance process.

Evaluation Process:

By April 1 of each year of this contract, the immediate supervisor shall complete a draft evaluation of each position/employee within the bargaining unit. The evaluation shall utilize the evaluation instrument attached as Exhibit A. The immediate supervisor shall meet with each unit employee prior to April 15 to discuss the draft evaluation.

The immediate supervisor shall thereafter fill out a merit pay worksheet for each employee and assign the merit pay increase in accordance therewith. By May 15, the employee's immediate supervisor shall advise the employee of the assigned merit increase and any recommendations from the immediate supervisor for an additional annual bonus for extraordinary service. The City Manager shall approve all evaluations and wage adjustments no later than June 1 of the then current year. Wage increases shall be effective from July 1 through June 30.

Appeal Process:

Any unit employee that is dissatisfied with their assigned wage increase may ask for a meeting with the City Manager within 10 days of receipt of notification of their wage increase. Employees that receive less than a 1.0% wage increase may appeal the recommended wage increase to the Personnel Advisory Board (PAB) for an opinion within thirty (30) days after July 1 of each respective year. The parties will submit their prospective positions in writing to the PAB with the City bearing the burden of production and proof. The parties will submit their respective positions within 15 days of a request for an appeal or upon an agreed on date. If the PAB finds the rating of the City unreasonable in any manner, the City Manager shall adjust the merit pay accordingly. The employee may appeal to the NHPELRB if he/she is dissatisfied with the ruling of the PAB.

Pay Ranges:

The pay ranges contained in the salary schedule will adjust by the percentage change in the CPI index for Boston-Brockton-Nashua (from November to November of the year preceding the effective date of the pay range adjustment). To the extent an employee's proposed merit increase causes the employee to exceed his/her pay range, the employee shall be entitled to an amount not to exceed two percent (2.0%) above the then top of the pay range. Any amount due that exceeds the top of the pay range, shall be paid in a lump sum amount in the first pay period in December and shall not become part of base wages.
