- (a) to direct and manage all activities of the School District and its employees;
  - (b) to assign and direct the work of their employees;
  - (c) to hire, promote, transfer, assign and retain employees in positions within the School District;
  - (d) to suspend, demote, discharge, withhold all salary increased at the highest step or increment wage increases, whichever applies, or take any other disciplinary action against the employees;
  - (e) to act unilaterally including by adoption of rule or regulation, on any and all matters not excluded by RSA 273-A, provided said act, rule or regulation, does not conflict with or violate any of the terms of the agreement;
  - (f) to maintain and direct the efficiency of government operations;
  - (g) to relieve employees from duties;
  - (h) to take actions as may be necessary to carry out the mission of the agency in emergencies; and
  - (i) to determine the methods, means and personnel by which operations are to be conducted, so as to continue public control of government functions.

The parties understand the Board may not lawfully delegate the power or authority which, by law, is vested in it, nor may the Superintendent lawfully delegate the power or authority, which, by law, is vested in him/her; and this Agreement should not be construed as to constitute a delegation of the power or authority of either. The term “law” as used above shall include regulations lawfully passed by the New Hampshire State Board of Education.

- 1.1 The Board recognizes the Rumney Teachers Association, NEA-New Hampshire for purposes of collective negotiations according to RSA 273-A as the exclusive representative of all teachers of the Rumney School District, certified by the New Hampshire Public Employees Labor Relations Board.

- 1.2 Definitions: The following list of terms will be used frequently in this agreement and when they are used they will refer to the definitions described below unless otherwise stipulated.

- 1. The term “school” means any work location.

The term “teacher” means all members of the bargaining unit as certified by the New Hampshire Public Employee Labor Relations Board (NHRSA 273-A) inclusive of full and part time certified teachers including guidance counselors. Excluding Superintendent, Assistant Superintendent, Principal, Special Education Coordinator, Nurse, Speech Therapist, Occupational Therapist and Physical Therapist.

5. Whenever the singular is used in this agreement, it is to include the plural.

## **ARTICLE TWO – NEGOTIATIONS PROCEDURE**

The Board shall be responsible, within thirty days of the signing, for publication of the Agreement and distribution to the Association without cost.
- 2.5 The parties recognize that if the Russell Elementary School is identified as needing improvement under Federal and State law and has not met State defined adequate yearly progress goals for two (2) consecutive years, the School must develop a plan to increase performance. If the school does not make adequate yearly progress after three (3) consecutive years, additional educational services and summer school programs may be required, which could extend a teacher work day or school year or both. If the School fails to make adequate progress after four (4) years, the School could be subject to reconstitution, hiring of a private management contractor, conversion to a Charter School, or staff restructuring. In recognition of these requirements imposed by law, the Rumney Teacher's Association and Rumney School Board agree to engage in further collective bargaining to address the requirements, if necessary, imposed by law.

salary if the leave is for a full year or full salary if the leave is for a half (1/2) year.

- 5) Decisions regarding granting of sabbaticals are at the sole discretion of the Board and cannot be grieved. Any exceptions to this Article are not to establish precedent.

#### 10.6 General Provisions:

### **ARTICLE TWELVE – COMPENSATION**

- 12.1 The basic salaries of teachers covered by this agreement are set forth in the Appendices which are attached to and incorporated into this agreement.

The Salary Grid (Appendix A) is a tool used for the placement and movement for current and future teachers of the District. Teachers will advance one step from their current placement each year for the duration of the contract. Any change shall become part of the teacher's annual base wage as the basis for future negotiated increases.

All new hires will be placed on the appropriate step based on years of experience in relation to a current member of the staff. The highest initial placement for a new hire as of July 1, 2010 is step 13 for the first year. Thereafter, they are to receive an Off-Grid Salary Schedule adjustment.

Off-Grid Salary Schedule

2014-2015	1.0%
2015-2016	1.0%
2016-2017	1.5%
2017-2018	2.0%

Teachers that fall outside the Salary Grid will also be eligible for horizontal educational track movement at the same dollar amounts found on the salary schedule (\$1,500 for each track advancement.)

The additional Track increases will become part of the Teacher's Annual Base wages.

- 12.2 When the accumulated number of semester hours beyond a salary step reaches the next track on the salary schedule, the teacher shall be placed on the track which reflects the accumulation of approved credits upon presenting evidence of same. For budget purposes, the Superintendent of Schools shall be notified in writing on or before November 1 of the year preceding the anticipated placement of individual teachers. All documentation (evidence) supporting a track change must be received by September 30 of the ensuing year following notification.
- 12.3 Placement on the salary schedule of teachers entering the District shall be based on degree status and years of teaching experience before entering this District. These factors shall be assessed by the Superintendent and School Board and this shall serve as the basis for placing an incoming teacher on an appropriate step on the salary scale. The highest first year placement for teachers entering the District after June 30, 2007 is Step 13.
- 12.4 No incoming teacher will be placed on the scale at a higher salary than that of a teacher presently in the system with equivalent training and experience. The highest first year placement for teachers entering the District after June 30, 2007 is Step 13.

- 15.3 Transfers and Reassignments: The Board will consult with the teacher prior to making any transfer but retains the right to make the final decision.

#### **ARTICLE SIXTEEN – EVALUATION**

- 16.1 Teachers not being nominated or re-elected shall be notified in writing on or before April 15 (RSA 189:14a)
- 16.2 The parties recognize the importance and value of a procedure for assisting and evaluating the progress and success of both probationary and non-probationary teachers for the purpose of improving instruction.
  - 16.2-1 All monitoring or observation of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher. The sole purpose of observation is to improve instruction. Therefore, observations are to be followed up as soon as possible by a conference to constructively review the teacher's performance in an effort to improve the effectiveness of the teacher. Probationary teachers may be observed during the month of September.
  - 16.2-2 Observation of probationary teachers:
    - 1) Observations of probationary teachers shall be conducted at least three (3) times during the school year.
    - 2) The written report of each observation shall be discussed in detail with the teacher within seven (7) school days after the observation. The teacher and observer shall acknowledge the review of all reports by affixing their signatures to each report prior to the filing of said reports. A signature does not necessarily mean agreement.
    - 3) No probationary teacher will be formally observed twice in the same day.
    - 4) Teacher observations during the last period on Fridays will be avoided unless circumstances make it necessary.
  - 16.2-3 Periodic observations of all non-probationary teachers shall be conducted at least once during the school year. The same observation procedures as detailed for probationary teachers shall be followed for non-probationary teachers.
  - 16.2-4 In the event the teacher feels their evaluation was incomplete or unjust, they may put their objections in writing and have them attached to the evaluation report to

be placed in their personnel file within ten (10) school days of the post conference.

- 16.2-5 During the first three (3) weeks of school, the administration shall orient all teachers new to the district regarding evaluative procedures and instruments.
- 16.3 Each teacher will have the right upon request and in the presence of the Superintendent of Schools or their designee to review and copy the contents of their complete personnel file, with the exception of confidential references and recommendations. A teacher will be entitled to have a representative of the Association accompany them during such review. Teachers shall provide at least twenty four (24) hours notice for review of their personnel file.
- 16.3-1 The teacher will acknowledge the review of such material by affixing their signature to the copy filed with the express understanding that such signature in no way indicates agreement with the contents thereof. The teacher will also have the right to submit a written answer to such material and that answer shall be reviewed by the Superintendent and attached to the file copy.
- 16.4 The Rumney School Board and the Rumney Teachers Association shall adopt the New Hampshire Department of Education (NHDOE) "Teacher Evaluation Model" framework as it pertains to teacher evaluations.

#### **ARTICLE SEVENTEEN – FAIR TREATMENT**

- 17.1 Notifications of Deficiencies: The Board, in recognition of the concept of progressive improvement, shall promptly notify a teacher in writing of any alleged deficiencies, indicate expected correction, and indicate a reasonable period of correction.
- 17.2 Right to Representation: When the teacher has been suspended with pay, they shall be entitled to have present a representative of the Association when being disciplined for an infraction of rules or delinquency in professional performance. When a request for such representation is made, no further action shall be taken with respect to the teacher until such representative of the Association is present.
- 17.3 Just Cause: A teacher shall not be discharged, non-renewed, suspended, disciplined, reprimanded, adversely evaluated with written notice required by NH RSA 189:14 a-III, reduced in rank or compensation, or deprived of any professional advantage without just cause. The only exception shall be the non-renewal of a probationary teacher. A probationary teacher is a teacher who has not achieved continuing contract status per NH RSA 189:14 a-III. All information forming the basis for disciplinary action will be made available to the teacher and, if authorized in writing by the teacher, to the Association.

An adverse evaluation shall meet the standard of "just cause" when the evaluator has conducted a minimum of three (3) observations of the teacher within a school

year, articulates reasons in writing to explain and support the adverse evaluation, and follows the process provided in Article 16.2

17.4 Suspension:

- A) In accordance with RSA 189:31, the Superintendent may suspend a staff member with pay, pending action by the Board. Such School Board action shall occur within thirty (30) days of the date of the suspension.
- B) Because such action could only follow the most grave situation, the Superintendent shall file written charges with the School Board and shall forward copies of the charges to the suspended staff member, the President of the Association and the Chair of the Association Grievance Committee or designee, by certified mail. The identity of the President of the Association, the Chair of the Association Grievance Committee and/or designee shall be provided to the Superintendent as changes occur.

17.5 Complaints: Any complaint regarding a teacher made to any member of the administration by a parent, student, or other person who may be used in any manner in evaluating a teacher shall be promptly investigated by the administration. The teacher shall be given an opportunity to respond to and meet with the person making the complaint, if possible, in order that they may respond to the complaint. The teacher shall acknowledge that they had the opportunity to review such complaint by affixing their signature to the copy to be filed with the expressed understanding that such signature in no way indicates agreement with the contents thereof. The teacher shall also have the right to submit a written answer to such material, and their answer shall be reviewed by the Superintendent or his/her designee and attached to all copies. Unsubstantiated complaints shall not be placed in a teacher's file.

NH RSA 189:14-a Failure to be Renominated or Reelected.

I. (a) Any teacher who has a professional standards certificate from the state board of education and who has taught for one or more years in the same school district shall be notified in writing on or before April 15 or within 15 days of the adoption of the district budget by the legislative body, whichever is later, if that teacher is not to be renominated or reelected, provided that no notification shall occur later the Friday following the second Tuesday in May.

(b) School boards shall have a teacher performance evaluation policy.

(c) Any teacher who has taught for 5 consecutive years or more in the teacher's current school district, or who has taught for 3 consecutive years or more in the teacher's current school district before July 1, 2011, and has been so notified may request in writing within 10 days of receipt of said notice before the school board and may in said request ask for reasons for failure to be renominated or reelected. For purposes of the section only, a leave of absence shall not interrupt the consecutive nature of a teacher's service, but neither shall such a leave be included in the computation of a teacher's service. Computation of a teacher's service for any other purposes shall not be affected by this section. The notice shall advise the teacher of all of the teacher's rights under this section. The school board, upon receipt of said request, shall provide for a hearing on the request to be held within 15 days. The school board shall issue its decision in writing within 15 days of the close of the hearing.

II. Any teacher who has a professional standards certificate from the state board of education shall be entitled to all the rights for notification and hearing in paragraphs I(b), III, and IV of this section if:

(a) The teacher has taught for 5 consecutive years or more in any school district in the state and has taught for 3 consecutive years or more in the teacher's current school district; or

(b) Before July 1, 2011, the teacher taught for 3 consecutive years or more in any school district in the state and taught for 2 consecutive years or more in the teacher's current school district.

III. In cases of nonrenomination or nonreelection because of reduction in force, the reduction in force shall be based solely on seniority.

IV. In all proceedings before the school board under this section, the burden of proof of nonrenewal of a teacher shall be on the superintendent of the local school district by a preponderance of evidence. Except as provided in paragraph III, the grounds for nonrenomination and nonreelection shall be determined at the sole discretion of the school board.

V. "Teacher" means any professional employee of any school district whose position requires certification as a professional engaged in teaching. The term "teacher" shall also include principals, assistant principals, librarians, and guidance counselors.

RSA 189: 14-b Review by State Board.

I. A teacher aggrieved by such decision may either petition the state board of education for review thereof or request arbitration under the terms of a collective bargaining agreement pursuant to RSA 273-A:4 if applicable, but may not do both. Such petition must be in writing and filed with the state board within 10 days after the issuance of the decision to be reviewed. Upon receipt of such petition, the state board shall notify the school board of the petition for review, and shall forthwith proceed to a consideration of the matter. Such consideration shall include a hearing, if either party shall request it. The state board shall issue its decision within 15 days after the petition for review, and the decision of the state board shall be final and binding upon both parties. A petition for review under this section shall constitute the exclusive remedy available to a teacher on the issue of the nonrenewal of such teacher.

Effective Date July 1, 2011
