However, if parties are unable to agree within ninety (90) days following commencement of the initial meeting, then the matter shall be postponed until contract negotiations are reopened.
- 3.2 The City or its agents shall not discriminate against any person with respect to promotion, assignment or any other matter because of race, creed, age, sex, Association Membership or activities and all persons covered by the terms of this Agreement shall receive equal and full protection thereunder.

ARTICLE V DISPUTE PROCEDURE:

- 5.1 A grievance is defined as a claim or dispute arising out of the application or interpretation of an express provision of this agreement. Prior to the institution of the formal grievance procedure, any employee who believes to have been aggrieved must attempt to informally resolve the matter with the Chief or the Chiefs Designee. The employee shall not be prohibited from being accompanied by a union representative if the employee desires. If the grievance cannot be resolved informally the following procedure shall be utilized or such grievance shall be deemed waived.
- 5.2 STEP 1: An employee having a grievance must submit the grievance in writing to his/her Department Head within seven (7) work days of the event giving rise to the grievance or the date the employee could reasonably have been first made aware of the event. The Department Head shall file his/her answer within seven (7) work days in writing from the date he/she receives notice of the grievance.

- 5.4 STEP 3: If the Union is not satisfied with the decision of the grievance by the City Manager, or if no decision has been rendered within ten (10) work days, the Union may submit in writing a request to the Public Employees Labor Relations Board for the appointment of an arbitrator to resolve said grievance. If the Union fails to submit such written request for the appointment of an arbitrator within said twenty (20) work days of the original date the City Manager received the grievance, the grievance shall be deemed abandoned and no further action shall be taken with respect to such grievance.
- 5.5 The arbitrator shall not have the power to add, ignore, or modify any of the terms and conditions of this agreement.
- 5.6 The decision of the arbitrator shall be final and binding upon the parties as to the matter in dispute. The arbitrator's award may be appealed by either party in accordance with RSA 542.
- 5.7 The expense of the arbitrator shall be shared equally by the parties. Each party shall make arrangements for, and pay the expense of, any witnesses who are not City employees who are called by them.

5.8 If said grievance is not processed within the time limits set forth in sections 5.2, 5.3, and 5.4, the matter shall be dismissed and no further action shall be taken with respect to such grievance.

5.9 Time limits may be extended or by-passed by mutual agreement of the parties.

ARTICLE VI CONTINUITY OF OPERATIONS:

6.1 Both parties recognize the desirability of continuous and uninterrupted operation of the police services throughout the year, and the avoidance of disputes which threaten to interfere with such operations. The Union, in consideration of this Agreement and its terms and conditions shall not engage in or condone any strike, work stoppage or other concerted refusal to perform any assignments on the part of any employee(s) represented herein, nor shall the City sponsor any lockouts.

ARTICLE VII MANAGEMENT RIGHTS:

7.1 The City and the Union understand that neither the City nor the Chief of Police may lawfully delegate to the Union powers, discretions, and authorities which by law are vested in them, and this Agreement shall not be construed so as to limit or impair their respective statutory powers, discretions, and authorities. Without limiting the preceding, matters regarding the policies and practices of the city as established by ordinance or regulation relating to merit/incentive systems, recruitment, examination, appointment or advancement, under conditions of political neutrality and based upon principles of merit and competence, shall not be subjects of bargaining under the Agreement.

ARTICLE VIII COMPENSATION:

8.1 The compensation schedule for employees of the Somersworth Police Department covered by this Agreement is set forth in Appendix A attached hereto and made a part hereof.

8.2 The City agrees to include when requested by the employee, a deduction from the employee's paycheck for union dues so long as each employee requesting said deduction does so in writing, signing said request and indicating the amount to be deducted.

8.3 Deductions made in accordance with Section 8.2 shall be forwarded on a weekly basis to the Treasurer, Somersworth Police Union, c/o Somersworth Police Department, Somersworth, New Hampshire.

8.4 Employees are required to spend two full years at steps 6 and 7 before moving up. Eligible employees will move to step 7 on their anniversary date on or after July 1, 2011, provided they spent two (2) full years at step 6. Eligible employees will move to step 8 on the anniversary date two years later.

ARTICLE IX HOURS OF WORK - OVERTIME:

9.1 The regularly-scheduled shift shall be for eight (8) hours, which will include a twenty (20) minute lunch break, and two (2) ten (10) minute coffee breaks per shift. For purposes of scheduling, the workday will begin at 2300 hours and end at 2300 hours the following day. The work week will begin on Saturday at 2300 hours and end the following Saturday at 2300 hours. As soon as practicable following the approval of this Agreement, a shift bidding process will be implemented as described in Appendix B to the Agreement.

As soon as practicable following City Council approval, the Department will institute the 4/3 schedule for the one dispatcher on split schedule.

As soon as practicable following City Council approval, the Department shall institute a four (4) consecutive days on/three (3) consecutive days off schedule ("4/3 schedule") for Patrol Officers with work day shifts of ten (10) hours.

- a. This shall be a pilot program that will be reviewed and revised, as appropriate, every three (3) months while it is in place. The Union or the Chief may unilaterally terminate the pilot program after it has been in place for six (6) months and at the end each subsequent three (3)-month period. Such decision may not be grieved.
- b. During the time that the 4/3 pilot program is in place, shift bidding shall be suspended and shift assignments will be made by the Chief or his designee. In the event, the 4/3 pilot program is terminated, shift bidding will be restored.
- c. The schedules of Detectives, School Resource Officers, Housing Officer, Dispatchers, Parking Enforcement and special assignments shall not be effected by the 4/3 schedule for Patrol Officers.
- d. It is the intent of the parties that the number of hours of paid leave accrued will not be changed as a result of 4/3 schedule for Patrol Officers. The parties agree to review the contract in detail and amend, for purposes of the 4/3 schedule pilot program, any section that would be inconsistent with this intent.
- e. For employees remaining on the 5/2 schedule, Section 11.4 will be amended to allow those employees to accrue an additional personal day every three (3) months. Employees on the 4/3 schedule will continue with the same accrual schedule that currently exists in Section 11.4.. If the 4/3 pilot program is terminated, all employees will be allowed to accrue an additional personal day every three (3) months; the other terms of Section 11.4 will remain applicable.
- f. Employees working the 4/3 schedule will be eligible for overtime after working ten (10) hours in a day.

9.2 All authorized duty in excess of the employees regularly scheduled eight (8) hours of work per day shall be compensated for at the rate of time and one-half (1 1/2) the employee's regular hourly pay, with the exception of employees who have used forty (40) or more hours of sick leave in the calendar year. Management is allowed to assign shifts in this manner as needed up to eight times in a calendar year at straight time pay, provided there is an eight hour break between shifts and the second shift is a new workday. Any change in shift assignments over eight occurrences which require any employee to return to work within any 24 hour period will result in that shift being

paid at the employee's overtime rate. Employees who have used forty (40) or more hours of sick leave in a calendar year shall not be compensated at time and one-half (1 1/2) for duty in excess of the employees regularly scheduled eight (8) hours in any work week in which sick leave is taken, unless the employee has worked sufficient hours to replace the sick leave hours used in that work week. Said sick leave exception to the overtime provision shall become effective January 1, 2001.

- 9.3 Overtime shall not include swapped hours of duty between individuals, nor shall it include private duty police services. Union members shall have the right to exchange shifts with other members of equal rank, subject to review and approval of the Chief, which approval shall not be unreasonably withheld. All swaps shall be completed within thirty (30) days.
- 9.4 Any employee called back to work outside of the employee's regularly scheduled working hours, after leaving the work premises, shall be paid at the time-and-one-half rate for a minimum of three (3) hours, except in instances where the employee is coming in to perform authorized scheduled overtime, in which case the employee will be paid time and one-half the employee's regular hourly rate of pay for hours worked.
- 9.5 Employees required to assume the duties of higher rank shall be compensated for it at the rate of the rank they are assigned, provided they occupy that position for ten (10) consecutive work days.
- 9.6 At the option of the Department and with the consent of the employee compensatory time off may be used in lieu of overtime wages.
- 9.7 The parties to this Agreement recognize the value of continuing education in law enforcement for full time police officers. The Department shall provide at no cost to the employee training programs or equivalent law enforcement training offered by the NH Police Training and Standards Institute or other accredited training agencies. Subject to budget considerations all sworn officers shall be expected to attend at least two (2) training sessions per year but, in any event, each full time officer shall complete at least eight (8) hours of such programs each year.

ARTICLE X HOLIDAYS:

- 10.1 All full time employees shall be granted twelve (12) paid holidays per year at the convenience of the Department. As an alternative, an employee may elect to be paid eight (8) hours of pay at straight time rates for up to twelve (12) holidays; the election to be paid rather than to take the holidays is to be made no later than the first pay period in December.

ARTICLE XI SICK LEAVE AND WORK CONNECTED INJURIES:

- 11.1 It is hereby acknowledged by the parties to this Agreement that employees of the Police Department are involved in hazardous employment that often places them in circumstances endangering their well being. - 11.4 After a certified public employee has accumulated one hundred and forty-four (144) hours of sick leave, he/she shall receive eight (8) hours personal time for every four (4) months without use of a sick day or part thereof, which time shall be taken at the discretion of the Chief of Police. This personal time shall not be compensated upon separation.
- 11.5 At the discretion of the Chief of Police, a doctor's certificate may be required for absence due to illness in excess of three (3) days. If the Chief has reasonable basis to believe or suspect an employee has abused sick leave privileges, he may require a doctor's certificate for an illness of less than three (3) days.
- 11.6 An employee will be entitled to continue at full salary status for the first one hundred eighty (180) days after a work related injury, unless it is determined that there is no possibility that the individual will return to work. During the one hundred eighty (180) day period, the city shall pay the difference between the workers' compensation payment and the employee's regular base bay.

This shift selection will be for a period of 1 year. The senior most Officer/Dispatcher shall be notified that they have three days to declare their shift choice. Once this selection has been made the next senior Officer/Dispatcher shall make the selection in the same manner, this will continue until all Officers/Dispatchers have declared their shift assignments.

All selections will be from the remaining shifts available. Sergeants will select from the supervisor shift in the same manner as described above. Management as required will assign probationary employees to shifts as needed. Probationary employees shall be assigned to shifts by management prior to the shift selection process.

Failure of anyone to declare their selection timely under the timeline specified will result in management having the choice of assignments for that person(s). Shift assignments will run quarterly (twelve (12) weeks).

The members selected shift will not exceed two (2) rotations. The third rotation will be assigned by management. The cycle will then repeat itself for the remaining nine (9) months, with two (2) rotations being picked by employees and the third (3rd) rotation assigned by management. Management assignments for the third rotation will be provided to the Union by the beginning of the second rotation in each particular three-rotation cycle.

Special Circumstances: Management reserves the right to adjust any member's shift temporarily to accommodate department needs. This will include, but not be limited to, coverage of an extended absence relating to vacation, schooling, termination of employment, injury, illness or pregnancy. This temporary change will be completed with the least impact to members and maintaining preference towards seniority.

In the event that the Union President questions this change the matter may be brought to The Chief of Police for a final decision. The Chief's decision shall not be grievable. Prior to December 31, 2008, the Chief will meet with the Union Leadership to assess the effectiveness of the alternate schedule regarding morale, law enforcement, work-related injuries, costs to the City for leave and overtime, and other relevant factors. By December 31, 2008, the Chief in his/her sole discretion may elect to revert to a schedule assigned by management.

Excluding employees: Shift bidding will not apply to Detectives, Secretaries, Prosecutor, Parking Enforcement, Animal Control Officer, Field Training Officers assigned to active Field Training, School Resource Officer or any other specialized assignment.
