 - 1. No annual increment shall be approved while such employee is in probationary status. Upon successful completion of the probationary period in the new position, the annual increment that the employee would have been entitled to receive shall be paid.
 - 2. This Agreement shall apply during the probationary period of such employee except that the Judicial Branch may determine in its sole discretion that the employee is not an appropriate fit for the position.
 - 3. A promoted employee may return to his or her previous position or to a similar vacant position at any time during the probationary period if such a position is available. A position shall be considered available if it has been posted and not filled by or offered to and accepted by an applicant within five working days of the offer.
- iii. **Extension of Probationary Period.** At any time prior to the completion of the probationary period, the Administrative Authority may extend the probationary period of an employee in a probationary status one time, for an additional maximum of three months.

 - 2. Any interruption of service during the probationary period shall not be counted toward accumulation of time required to satisfy the probationary period.
- iv. **Waiver of Qualifications.** Any employee who is hired by the Judicial Branch and who lacks some necessary entry level requirements may be placed in a training status for a period not to exceed 12 months. Hiring employees who need to be placed in a training status should only occur where there are no qualified applicants or the position is being filled by a reclassified Judicial Branch employee. Positions for which a training period is established shall be downgraded in labor grade for the term of the training period. The amount of downgrading shall be determined by the Administrative Authority and the Director.

If the granting of a reclassification request is beyond the 120 or 150 days, as the case may be, the reclassification shall be retroactive to the 120th or the 150th day.

G. PERFORMANCE EVALUATION

- i. A formal written evaluation of each employee shall be completed for all employees. This annual performance evaluation serves two purposes:
 1. To analyze the employee's performance during the past year, to identify strengths and weaknesses, and to compare such performance to previously set goals; and
 2. To establish performance goals for the following year, to determine the steps necessary to achieve them, and to identify the standards on which the employee's job performance will be rated.
- ii. Annual performance evaluations shall be considered in determining increments, promotions, demotions, and dismissals. Probationary evaluations excepted, written annual evaluations shall be completed prior to the employee's anniversary date, in a manner prescribed by the Director. In the event that an evaluation is not completed prior to an employee's anniversary date or the applicable date for consideration of an increment, any increment for which the employee is otherwise eligible shall not be withheld. The performance evaluation may still be completed.
- iii. The annual evaluation of each employee shall be made by the employee's immediate supervisor, by the Administrative Authority, or by another qualified person designated by the Administrative Authority. A qualified person is one who is in a more senior position to the employee, and familiar with the employee's position and performance. For court monitor/operations specialists, the performance evaluation shall be conducted in consultation with any or all of the judges with whom court monitor/operations specialist works. If a court monitors' performance evaluation is less than satisfactory, it will include a list of individuals whose input was considered in the development of the evaluation.
- iv. The Administrative Authority shall review each performance evaluation and approve, disapprove or modify each evaluation.
- v. The employee, the evaluator, and the Administrative Authority or designee, shall sign the evaluation form. The employee's signature shall indicate only that the employee has seen the evaluation, not necessarily that the employee agrees with the content.

- vi. Any modifications made after the employee's signature is affixed must be read and initialed by the employee to indicate the employee's awareness of the modifications.
- vii. A copy of the entire performance evaluation, including the signature page, shall be forwarded to Human Resources Department to be maintained in the employee's personnel file. A copy shall be provided to the employee.
- viii. An employee who receives a performance evaluation indicating at least satisfactory overall job performance shall receive an increment, if eligible, based upon this collective bargaining agreement.
- ix. An employee who receives a written evaluation indicating less than satisfactory performance shall not immediately receive an increment, if eligible, based upon this collective bargaining agreement. The employee may receive a written Performance Improvement Plan, in which case, the employee's status and performance shall be reviewed for a period not to exceed 90 calendar days with a written evaluation of performance at the end of each 30-day period. If at any time after initial notice the employee's performance continues to be unsatisfactory, the employee may be subject to disciplinary action.
- x. At the end of the review period, if the employee's overall job performance is evaluated as at least satisfactory, an increment will be granted prospectively if the employee is eligible for an increment based upon this collective bargaining agreement.
- xi. If the employee's overall job performance is still evaluated as less than satisfactory, the question of receiving an increment shall not be reconsidered for the current review period.
- xii. In addition to the annual evaluation, a written evaluation of an employee's performance may be initiated by the Administrative Authority at any time during the year. The employee may receive a written Performance Improvement Plan, in which case, the employee's status and performance shall be reviewed for a period not to exceed 90 calendar days with a written evaluation of performance at the end of each 30-day period. If at any time after initial notice the employee's performance continues to be unsatisfactory, the employee may be subject to disciplinary action.
- xiii. If, at the end of the review period, the overall evaluation continues to be unsatisfactory, the employee may be subject to disciplinary or adverse action.
- xiv. In the event an employee is due for an annual performance evaluation when a Performance Improvement Plan is in effect, the annual performance evaluation shall be completed upon the completion of the Performance Improvement Plan.

H. ASSIGNMENT/REASSIGNMENT/RELOCATION

For the purposes of this article only, court monitor/operations specialist assignments shall be divided into divisions. These divisions shall be designated superior court division; circuit court division; and travel division. For purposes of this article, the court monitor/operations specialist previously employed by the probate court and now employed by the circuit court shall be considered a part of the circuit court division. Sections I-IV shall apply to court monitor/operations specialists only.

- i. **Initial Assignment:** Upon hire all court monitor/operations specialists will be given a designation to a home court and a division. All court monitors/operations specialists shall

maintain their current home court and division assignment except as explicitly provided herein.

- ii. **Assignments Within Home Court:** Court monitors/operations specialists within the travel division are assigned to a home court. These individuals are hired with the expectation that a substantial portion of their assignments will be in courts other than their home court. These individuals will receive their assignments from the Administrative Judge of the assigning court and/or his/her designee. Court monitors/operations specialists in the travel division will get their assignments with as much notice as possible. Superior court and circuit court assignments within the home court are initially at the discretion of the Administrative Judge or designee, subject to the daily direction of the clerk. That discretion shall not be exercised in an unreasonable fashion or in contravention of this agreement.
- iii. **Assignments Outside of Home Court:** Court monitor/operations specialists in the travel division are utilized as the primary individuals for outside home court assignments; however, other court monitor/operations specialists may be used for such assignments at the convenience of the court. Convenience of the court shall include, but not be limited to, reduced expenses, compatibility of judicial officer and court monitor/operations specialist, training on the equipment to be used, and experience in the procedures of the court. In making all outside home court assignments, the Administrative Judge or designee shall consider the distance to be traveled by the court monitor/operations specialist and any relevant family and other personal issues of the court monitor/operations specialist being considered for the assignment. All assignments are at the discretion of the Administrative Judge. That discretion shall not be exercised in an unreasonable fashion or in contravention of this agreement.
 - 1. If a court monitor/operations specialist in the superior court division remains without a regular assignment for more than three months, a court monitor/operations specialist from the home court in question shall be assigned to the travel division. In the first instance, volunteers from among the court monitor/operations specialists at that home court shall be sought. If no volunteers come forward, the court monitor/operations specialist at that home court location with the least seniority shall be assigned to the travel division. If the court monitor/operations specialist at that home court location with the least seniority does not wish to be assigned to the travel division, that court monitor/operations specialist may elect to be laid off. Such layoffs will entitle the court monitor/operations specialist to the benefits of the contract as to layoff. In such layoffs, the court agrees to cite the official reason for the layoff as being "lack of work" within the facility.
 - 2. If a home court location needs to increase the number of assigned court monitor/operations specialists, first preference shall be given to a court monitor/operations specialist in the travel division who previously worked in that home court location but who was assigned to the travel division in accordance with the terms of the preceding paragraph. Second preference shall be given to court monitor/operations specialists in the travel division with the most seniority.

3. Any court monitor/operations specialist being reassigned to a different division in accordance with the preceding paragraph shall be notified in writing at least twenty-one (21) days prior to such transfer.
- iv. **Reassignment/Relocation to New Home Court:** Because reassignments/relocations to a new home court location may result in dramatic changes in a court monitor/operations specialist's life, reassignments/relocations to new home courts will not be done unless the interest of justice, fiscal circumstances, or necessary reduction in workforce so requires. When reassignment/relocation is necessary, the judicial branch will provide the court monitor/operations specialist as much notice as possible. To this end, the judicial branch will strive to give the court monitor/operations specialist at least 90 days' notice of any reassignment/relocation. In the event that the reassignment/relocation will be to a new home court that requires the court monitor/operations specialist to commute more than 50 miles from that court monitor/operations specialist's current residence or the former home court at the discretion of the employee, the court monitor/operations specialist may elect to be laid off. Such layoffs will entitle the court monitor/operations specialist to the benefits of the contract as to layoff, except for recall rights. In such layoffs, the court agrees to cite the official reason for the layoff as being "lack of work" within the facility.
- v. **Other Employees:** All other employees shall be assigned a home court which shall be the judicial branch site to which the employee most often reports for work; however, employees may be called upon for temporary or permanent assignments to other courts.
1. In making all temporary outside home court assignments, the Administrative Judge or designee shall consider the distance to be traveled by the employee and any relevant family and other personal issues of the employee being considered for the assignment. All assignments are at the discretion of the Administrative Judge. That discretion shall not be exercised in an unreasonable fashion or in contravention of this agreement. The Administrative Judge or designee shall give the employee as much notice as possible of any temporary assignment.
 2. Because reassignments/relocations to a new home court location may result in dramatic changes in an employee's life, reassignments/relocations to new home courts will not be done unless the interest of justice, fiscal circumstances, or necessary reduction in workforce so requires. In any reassignment/relocation, volunteers shall be sought, and accepted if qualified to perform the essential functions of the position, if the reassignment/relocation of the volunteer does not interrupt the objective business needs of the judicial branch, and if the factors listed below make the employee a good fit for the position. If no volunteer is selected for the reassignment/relocation, the judicial branch will consider, but not be limited to, the following factors in deciding to reassign/relocate an employee:

- a. Commuting distance to the new home court;
 - b. Experience necessary at the new home court;
 - c. Impact of the employee's departure on the former home court;
 - d. Seniority of the employee;
 - e. Personal circumstances of the employee;
 - f. Qualifications of the employee; and
 - g. Allocation of resources to caseload
3. This subparagraph shall be retroactive to January 1, 2010. In the event that the reassignment/relocation involves the physical relocation of an employee's home court to a site more than fifteen miles from the prior home court, an employee so reassigned/relocated shall be entitled to four (4) hours of personal leave for every three (3) months that such reassignment/relocation is in effect up to a maximum of two years from the start of the reassignment/relocation. The following conditions shall apply to the use of such personal leave:
- a. must be taken in four hour increments;
 - b. may accumulate up to eight hours;
 - c. has no pay-out value;
 - d. must be taken while the employee is reassigned/relocated or within thirty (30) days thereafter; and
 - e. use must be approved by the Administrative Authority, which approval shall not be unreasonably withheld.
4. Reassignment/Relocation to New Home Court: Because reassignments/relocations to a new home court location may result in dramatic changes in an employee's life, reassignments/relocations to new home courts will not be done unless the interest of justice, fiscal circumstances, or necessary reduction in workforce so requires. When reassignment/relocation is necessary, the judicial branch will provide the employee as much notice as possible. To this end, the judicial branch will strive to give the employee at least 90 days' notice of any reassignment/relocation. In the event that the reassignment/relocation will be to a new home court that requires the employee to commute more than 50 miles from that employee's current residence or the former home court at the discretion of the employee, the employee may elect to be laid off. Such layoffs will entitle the employee to the benefits of the contract as to layoff, except for recall rights. In such layoffs, the court agrees to cite the official reason for the layoff as being "lack of work" within the facility.
- vi. **Impact of NH e-Court Project and Other Innovations:** The parties agree that the NH e-Court Project and other innovations will result in reassignments/relocations of employees. A report on the progress of the NH e-Court Project and other innovations and a discussion of the impact of that progress on employees subject to this Agreement shall be a standing issue on the agenda of the Labor Management Committee, which shall meet at least every three months.

I. EMPLOYEE RECORDS AND RIGHTS

- i. **Access to Personnel Files:** Employees shall be allowed access to their personnel files during normal working hours for inspection and/or copies of documents which will be provided by the Employer. Such inspection shall be made subject to prior arrangement with the Employer. Employees shall be entitled to a copy of their complete personnel file without charge.
- ii. **Copies of Letters:** Employees shall be provided with a copy of any material concerning work performance, commendations or discipline that are placed in the personnel file within a reasonable time.
- iii. **Employment Recommendations:** If requested, upon termination employees will be advised of any recommendation for rehire which has been made a part of that employee's record.
- iv. **Location of Files:** Every employee shall be informed as to the existence and location of all personnel files. Personnel file shall be defined as any file kept by a supervisor or custodian of official records which relate directly in any way to an employee's status as an employee.
- v. **Pay and Leave Records:** All records pertaining to time worked and leave earned and taken shall be maintained and be available for inspection at a designated area.
- vi. **Disciplinary Investigations:** Employees shall be informed when a disciplinary investigation is complete and of the determination of said investigation.

- viii. **Privacy:** The Employer agrees to make every reasonable effort to counsel and/or reprimand employees in private and to limit discussion of any employee's problems by supervisors to essential parties.

J. RESIGNATION, ABANDONMENT, DEPARTING EMPLOYEES

- i. An employee who wishes to resign shall submit a written letter of resignation to the Administrative Authority at least ten (10) working days prior to the effective date of the resignation. The Administrative Authority shall forward a copy of the resignation letter to the Administrative Judge and to the Director.
- ii. An employee shall have the right to withdraw a resignation before the effective date only upon the recommendation of the Administrative Authority and the approval of the Administrative Judge. Recommendation of the withdrawal of a resignation by the Administrative Authority shall be immediately conveyed to the Administrative Judge. Approval of the withdrawal by the Administrative Judge shall be conveyed to the Director.
- iii. An employee shall be deemed to have abandoned employment if absent from work for three consecutive working days without notifying the Administrative Authority of the reason for absence and receiving approval for the leave unless physically or mentally unable to do so. Such a termination shall be administered as a dismissal.

- iv. The pay computation for an employee who **resigns** from the employ of the New Hampshire Judicial Branch shall be as follows:
 - 1. A resigning employee shall be compensated for all unused accrued annual leave remaining to his/her credit up to a maximum of fifty (50) days.
 - 2. All unused accrued sick leave shall lapse upon the resignation of an employee.
 - 3. A resigning full-time administrative/exempt employee shall be compensated for terminal pay.
- v. The pay computation for an employee who is **dismissed** from the employ of the New Hampshire Judicial Branch shall be as follows:

 - 3. A retiring full-time administrative/exempt employee shall be compensated for terminal pay.
- vii. The pay computation for an employee who **dies** while in the employ of the New Hampshire Judicial Branch shall be as follows:
 - 1. A sum equal to the unused accrued annual leave remaining to the employee's credit, up to a maximum of fifty (50) days, shall be paid to the employee's estate.
 - 2. A sum equal to the unused accrued sick leave remaining to the employee's credit shall be paid to the employee's estate.
 - 3. The estate of a deceased full-time administrative/exempt employee shall be compensated for terminal pay.

K. REDUCTIONS IN HOURS

As provided in the Supreme Court order of March 22, 2010, any employee, who retires after the execution of this agreement at a time when the reductions in hours of work will impact the employee's pension, may utilize, at the employee's sole discretion, sick days to the extent available to replace the number of hours reduced. This election shall be made at time of retirement and applied retroactively by the Judicial Branch. The payment of sick days pursuant to this section shall be in addition to the number of sick days paid pursuant to the section of this Agreement on payments to retiring employees.

L. LAYOFFS

Employee layoffs may become necessary because of a general reduction in work force, a change in the organization, a decline in the workload, insufficient funding, a change in state law, or a change in federal requirements.

- i. An employee who is laid off shall receive the following which shall be paid within thirty (30) days after the effective date of the layoff:
 1. Compensation for all unused accrued annual leave remaining to his/her credit up to a maximum of fifty (50) days;
 2. Compensation for 50% of accumulated sick leave to his/her credit not to exceed sixty (60) days; and
 3. Compensation for terminal pay for full-time administrative/exempt employees.
- ii. A bargaining unit employee who is laid off and who elects to continue on the health plan shall not be required to submit a contribution for coverage for the first three months following lay off if the laid off employee is not eligible to retire and receive post-retirement benefits under RSA 21-I:26-36 or RSA 100-A:52-55, and is not eligible to receive medical or healthcare coverage under another employer, as the spouse of a person covered under the plan of another employer, or the state plan as the spouse of a state employee. This provision shall expire on June 30, 2013.
- iii. The Judicial Branch may seek employees in the bargaining unit who wish to volunteer to be laid off. Any employee electing a lay off shall be entitled to the benefits of the Layoff Provision except for the right to recall. In the event involuntary employee layoffs are initiated, for employees with less than seven (7) years of seniority the layoff will be conducted on the basis of seniority, for court monitor/operations specialists within the affected division as described in the article on assignment/reassignment/relocation, and for all other employees within each judicial branch group, including, but not limited to, the Supreme Court full-time employees, the AOC full-time employees, the Superior Court full-time employees, the Jury Center full-time employees, the Superior Court Electronic Filing Center full-time employees, the Circuit Court full-time employees, the Circuit Court Electronic Filing Center full-time employees, the Information Center full-time employees, the Supreme Court part-time employees, the AOC part-time employees, the Superior Court part-time employees, the Jury Center part-time employees, the Superior Court Electronic Filing Center part-time employees, the Circuit Court part-time employees, the Circuit Court Electronic Filing Center part-time employees, and the Information Center part-time employees.

An exception to the seniority rule within each judicial branch group may be made for court locations with fewer than three employees. In the event of a layoff, the affected

- employees shall receive at least 21 days' notice. Any layoffs shall be equitably apportioned among judicial branch groups.
- iv. However, in the event involuntary employee layoffs are continued beyond employees with seven (7) years or more of seniority, the layoff will be conducted on the basis of seniority with layoffs consisting of both part time and full time employees. The lists in the preceding paragraph shall be eliminated and there shall be only two seniority lists, one for the full time employees and another for the part time employees.
 - v. After the effective date of the layoff, the Judicial Branch shall post vacant bargaining unit positions in groups on the 1st and 15th of each month, or the first business day thereafter, as vacant bargaining unit positions are approved for external recruitment. The postings shall be placed on the JIBB, sent to all court sites, and sent by email to all laid off employees who have provided the Human Resources Manager with an email address. The Human Resources Manager will copy the SEA by email on all email postings. If a laid off employee does not have a personal email address, the laid off employee must notify the Human Resources Manager at the time of layoff that he/she will need his/her notices sent by normal mail service. Each posting period shall last 10 days.
 - vi. In the event that the Judicial Branch elects to convert any vacant full-time position to a part-time position(s), laid off full-time employees may express an interest in those converted position(s). Laid off part-time employees may express an interest in the converted position(s) after the recall list of full-time employees has been exhausted or in the event no laid off full-time employee expresses an interest in the converted position(s). A laid off full-time employee who either accepts a converted position or who does not express an interest in a converted position shall not be removed from the recall list as a result but shall retain all recall rights outlined in this provision. The method of recall shall be, in all other respects, as set forth in this provision.
 - vii. Laid off employees interested in a posted position shall express that interest either by email or by letter to the Human Resources Manager. To be timely, the email or the letter must be received by the Human Resources Manager before the end of the 10 day posting period. Laid off employees may express interest in only such positions that are of a labor grade the same as or lower than the position from which the employee was laid off. Except as set forth in the preceding paragraph, laid off full-time employees may express interest in only full-time positions until the recall list of part-time employees has been exhausted, and laid off part-time employees may express interest in only part-time positions until the recall list of full-time employees has been exhausted. At the conclusion of each posting period, the Human Resources Manager shall review the names of the laid off employees expressing an interest in each position posted and shall recall to each position the most senior laid off employee who expressed an interest, considering any priority expressed by the employee. An employee recalled to work shall report to work within fifteen (15) days after the recall, failing which the employee shall be removed from the recall list and the next most senior laid off employee who has yet to be recalled and who had expressed interest in the position shall be recalled to the position.
 - viii. All laid off employees are free to express an interest in as many posted positions as they desire during each posting period, and if expressing an interest in more than one, shall provide the Human Resources Manager with his or her priority of posted positions. The

right to recall shall end for an employee when the employee has been removed from the recall list or three years from the date of the layoff, whichever occurs first.

- ix. In the event layoffs are initiated, the judicial branch agrees to enact an external hiring freeze within positions covered by this agreement such that no external hiring shall occur for bargaining unit positions until all eligible laid-off employees have been offered recall or have not expressed an interest in the positions posted in accordance with the preceding paragraphs.

V. ADVERSE ACTION / RESOLUTION

A. DISCIPLINARY OR ADVERSE ACTION

- i. The Judicial Branch shall not discharge or take other disciplinary or adverse action without adherence to the principles of fundamental fairness and justice to the affected employee.
- ii. Employee Actions that may Warrant Disciplinary or Adverse Actions: Examples of employee actions that may result in disciplinary or adverse actions include, but are not limited to:
 - 1. submitting false travel, payroll or purchase vouchers;
 - 2. personal use of official vehicles;
 - 3. falsifying, destroying, mutilating or altering court documents or records;
 - 4. providing false information on any Judicial Branch job application;
 - 5. violating the policy against discrimination or sexual harassment;
 - 6. retaliating against an individual for cooperating with or otherwise participating in an investigation, or for filing or reporting a complaint;
 - 7. accepting loans, free services, goods or favors, including cash, from any business or person seeking favorable or preferential treatment from the court or soliciting favorable or preferential treatment from the court;
 - 8. causing loss or damage to court property through willful or grossly negligent action;

 - 12. use of alcohol or drugs, while on duty or otherwise, to the extent that job performance is adversely affected;
 - 13. the use, possession, distribution, dispensation, or manufacture of a controlled substance, unless such use, possession, distribution, dispensation, or manufacture is lawful under RSA ch. 318-B or any other state or federal statute regulating controlled substances;
 - 14. failure to report in writing to the Administrative Authority and the Administrative Judge within three days any criminal charges and failure to report in writing to the Administrative Authority and the Administrative Judge

within three days any criminal conviction, regardless of whether an appeal is taken;

15. engaging in partisan political activity prohibited by law or by this Agreement;
 16. conviction of any crime;
 17. unsatisfactory performance of job responsibilities;
 18. excessive unexcused tardiness or absence from work;
 19. knowingly providing case or court file related information to persons or entities not entitled to that information or to persons or entities outside of standard or customary procedures; or
 20. notwithstanding any of the above, violating employee standards of conduct, which recognizes that "Every position in the Judicial Branch is a public trust. Employees must conduct themselves in a manner which will uphold the dignity and integrity of the Judicial Branch. Employees must observe standards of fidelity and diligence appropriate to their position with the Judicial Branch."
- iii. **Disciplinary Progression:** The Administrative Authority shall be responsible for taking appropriate intermediate steps and initiating adverse action. Employees entrusted with supervisory responsibility shall be required to expeditiously report to the Administrative Authority any matters that require review, discipline and/or adverse action. The Judicial Branch may not demote an employee for disciplinary reasons except for conduct within section (A)(17) or in a performance evaluation. Such a demotion shall be considered adverse action.
- iv. **Intermediate Disciplinary Steps:** In that it is the Administrative Authority's responsibility to use sound judgment and to act promptly and fairly, it is advisable to take lesser disciplinary action where appropriate. Intermediate disciplinary steps include the following:
1. **Counseling:** Written counseling may be given to the employee by the Administrative Authority upon recommendation by the employee's supervisor or on the Administrative Authority's own initiative. The number of warnings given prior to taking further disciplinary or adverse action depends on the seriousness and/or frequency of the matter or conduct.
 - a. It is the Administrative Authority's responsibility to point out the specific nature of the conduct and discuss in detail with the employee the correct action to be followed in the future. This responsibility may be delegated to the employee's immediate supervisor if appropriate.
 - b. The judicial branch is not precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.
 2. **Written Reprimand:**
 - a. If the Administrative Authority feels written counseling has been, is, or would be ineffective or insufficient in view of the nature or seriousness and/or frequency of the conduct, a written reprimand may be prepared.
 - b. Written reprimands must contain a complete description of the misconduct alleged, the supporting factual data, details of the corrective action to be

- taken by the employee and a time frame in which it should occur, and the consequences if corrective action does not occur. Written reprimands must indicate that unless corrective action is taken the employee will be subject to discharge.
- c. The written reprimand shall be signed by both the Administrative Authority and the employee. If the employee refuses to sign, the Administrative Authority shall so indicate on the form. The Administrative Authority, employee, Administrative Judge, and Director shall each receive a copy of the signed written reprimand.
 - d. Each written reprimand shall expire as a basis of possible discharge three years after its date but shall be kept in the employee's file.
 - e. The judicial branch is not precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.
- v. **Adverse Action:** The Administrative Authority is responsible for initiating or taking adverse action against an employee where appropriate and, if appealed, following the appeal procedure. All adverse actions shall be approved by the Administrative Judge who shall consult with the Director before any action is taken. Adverse actions include the following:
1. **Suspension:** Suspension is the temporary removal of an employee from a position with or without pay.
 - a. The decision to suspend an employee with or without pay shall be based on the seriousness and nature of the matter or conduct. The judicial branch is not precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.
 - b. An employee may be suspended with or without pay pending disposition of a felony or misdemeanor charge or a serious violation as determined in the discretion of the Administrative Judge. If an employee is suspended without pay and the suspension is set aside through the appeal procedures, the pay shall be reinstated retroactive to the date of suspension.
 - c. Suspension may be appealed through the appeal procedure set out in this contract, but the suspension shall become effective when imposed.
 2. **Discharge:** Discharge is the permanent removal of an employee from employment within the judicial branch.
 - a. The judicial branch is not precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.
 - b. Discharge may be appealed through the appeal procedure, but the discharge will become effective when imposed. If the employee successfully appeals the discharge, all pay denied during the period of discharge shall be reinstated retroactive to the date of discharge, except for any period of suspension ordered by the Appeals Board.
- vi. **Actions By Judges:** Notwithstanding any provision set forth herein, any justice or judge of any court may report or recommend disciplinary actions when they become aware of activities or conduct which justify disciplinary action as set forth under this Agreement.

B. APPEAL OF ADVERSE ACTION

- i. An appeal of an adverse action shall be in writing and delivered to the Director within fifteen working days of the date of the action. The appeal shall state the basis for the appeal. The appeal may be submitted by the employee personally or on his or her behalf by the SEA.
- ii. Upon receipt of the appeal, the Director, or designee, shall within ten working days from the day the appeal is received: (a) recommend to the Administrative Judge granting the relief without arranging for a hearing or, (b) begin arrangements for a hearing.
- iii. **Selection of the Appeals Board:** The Appeals Board shall be composed of the following members:
 1. A justice of the New Hampshire court system appointed by the supreme court who shall be chair;
 2. An individual chosen by the Association; and
 3. An individual chosen by the individuals listed in subsection (1) and (2) above.
 4. In the event agreement is not reached concerning the appointment of the third member, a list will be requested from the American Arbitration Association in accordance with their rules. An alternate may also be chosen.
 5. None of the members shall be a member of a bargaining unit represented by the Association.
- iv. **Expenses:** All travel expenses incurred by members of the board in the course of the board's work shall be paid by the judicial branch.
- v. **Appeals Board Procedure:**
 1. The Director, or designee, shall arrange for the hearing to take place no later than 30 working days from the date the appeal is received.
 2. The Director, or designee, shall provide written notice by personal service or by certified mail, return receipt requested, at least twenty working days prior to the hearing, including the date, time, and place of the hearing, and a summary of how the hearing shall be conducted under this policy, including, but not limited to, deadlines for submission of witness and exhibit lists. The appellant shall sign a receipt for this notice and return it immediately to the Director, or designee.
 3. Requests for postponement of the hearing shall be addressed to the appeals board and shall include a statement of whether the opposing party assents.
- vi. **Conduct of the Hearing:**
 1. The appeals board shall conduct an independent, impartial hearing.
 2. The jurisdictional burden shall be on the appellant to establish a prima facie case that the imposing official did not follow proper procedure or otherwise have justification for the sanction or that the sanction imposed was not within the authority or discretion of the imposing official. Once jurisdiction is established, the burden is on the appellant to prove his or her case is more probable than not.
 3. The appellant shall have the right to be present at the hearing, with a representative provided at his or her expense. If the appellant is in pay status at

the time of the hearing, the appellant shall be in duty status while in attendance at the hearing.

4. The Judicial Branch shall have the right to be present at the hearing and be represented by the Attorney General's office if a request is made and consented to under RSA 99-D:2 or its subsequent statutory counterpart or by a court employee with such employee's consent. A court employee providing such representation shall be allowed reasonable time for preparation. Any court employee shall be in duty status while in necessary attendance at the hearing.
 5. The parties or their representative shall have the right to present evidence, witnesses, and to cross-examine witnesses.
 6. All testimony shall be under oath or affirmation. For this purpose, the appeals board is authorized to administer the oath or affirmation.
 7. Witnesses may be presented by the parties if their testimony is considered relevant by the chair of the appeals board or may be requested by the appeals board. Witnesses may not be compelled to appear without a subpoena.
 8. The hearing shall be recorded. A party may request a transcript at his or her own expense.
 9. The chair of the appeals board shall decide on the admissibility of evidence at the hearing. The chair shall not apply the rules of evidence strictly, but may exclude witnesses or matters which are irrelevant, immaterial, or unduly repetitious.
 10. Since all matters before the appeals board are personnel matters, proceedings hereunder shall be private.
 11. In a case of progressive discipline, the appellant may contest any and all prior discipline that formed the basis of the action being appealed.
- vii. **Witnesses:** Witnesses who are court employees shall be in duty status during the time they are participating in a hearing and supervisors shall provide for those employees to be available. Witnesses shall remain free from restraint, coercion, or reprisal before, during, and after testimony before an appeals board. Any employee who attempts to influence the testimony of a witness through coercive means shall be subject to discipline through adverse action.
- viii. **Record of the Hearing:** The record of the hearing shall consist of all documents, papers, or other physical objects accepted by the appeals board, as well as the recording of the hearing. Documents, papers, and physical objects which were denied admissibility by the chair of the appeals board shall not be part of the official record of the hearing, but shall be attached to it and identified properly.
- ix. **Scope of the Appeals Board's Review:** The appeals board shall review the personnel action by determining the facts surrounding the adverse action; the procedural and legal justification under this Agreement and under the standard of fundamental fairness and justice to the grievant; and whether or not the sanction imposed was within the authority and discretion of the imposing official. Management has discretion in applying a sanction under the article on Disciplinary or Adverse Action. Before submitting a decision for reversing or modifying the sanction imposed, there must be a finding that the sanction was not legally or procedurally justified under this Agreement and under the

standard of fundamental fairness and justice to the grievant; or management abused its discretion in imposing the sanction. Absent one or the other of these findings, the appeals board should not substitute its judgment for that of management. It is not the intent of this Agreement to encourage appeals for the sake of mitigating sanctions. It is, however, the intent of this Agreement to ensure fair treatment of employees and to provide procedural due process in the adverse action area. To the extent an issue of interpretation of statutes or of this Agreement arises in an appeal of an adverse action, the appeals board shall have jurisdiction to decide the issue. However, the appeals board will be limited in its interpretation of statutes and this Agreement by precedent. Any interpretation of this Agreement by the Appeals Board will not have precedential effect.

- x. **Decision of the Appeals Board:** The decision of the appeals board shall be submitted to the Director, the employee's representative, and respective Administrative Judge no later than 20 working days after the end of the hearing. The decision shall consist of findings and recommendations relating solely to the adverse action originally commenced and the grounds for appeal initially alleged. The findings shall be based solely on the evidence in the record. The decision shall be consistent with findings.
- xi. **Final Decision:** The decision of the appeals board shall be subject to any rights of appeal provided by law.

C. GRIEVANCE PROCEDURE

- i. **Purpose:** The purpose of this Article is to provide a mutually acceptable procedure for adjusting grievances and disputes arising with respect to interpretation or application of any provision of this Agreement and matters of complaint, concern or dissatisfaction to an employee. This grievance procedure may not be used, however, for matters involving discipline and adverse action.
- ii. **Intentions:** It is intended that the procedure provided herein shall facilitate the resolution of any such disputes at the lowest possible level, and the judicial branch and the SEA agree to work together towards this end. Nothing in this article shall be interpreted as preventing or discouraging employees from discussing any disputed matter in an informed and informal manner with the immediate supervisor, the Administrative Judge, or AOC personnel. Such discussions will not, however, interfere with the right to seek resolution of the dispute through the grievance procedure provided herein.
- iii. **Supervisory/Administrative Authority Responsibility:** Supervisors and the Chief Justice of the Superior Court, the Administrative Judge of the Circuit Court, and AOC and Supreme Court personnel are to make a sincere effort to resolve grievances, and must refrain from making any statement or taking any action that amounts to coercion or intimidation. It is the responsibility of the supervisor and the Chief Justice of the Superior Court, the Administrative Judge of the Circuit Court, and AOC and Supreme Court personnel to use sound judgment and to act promptly and fairly.
- iv. **Investigations:** The Steward, when requested by one or a number of employees whom he/she represents, may investigate the basis for any dispute arising under this Agreement and may, at any stage, assist the employee(s) in seeking resolution of such dispute through the grievance or appeal procedure, provided herein, as may be applicable. A staff representative of the Association may substitute in place of the Steward at the

- second step or sooner if the judicial branch is represented by other than the supervisor or intermediate supervisor.
- v. **Procedure:** Any employee having problems concerning the interpretation or application of any provision of this Agreement subject to this grievance procedure shall seek adjustment in the step order listed below. There shall be not less than two nor more than five adjustment steps.
 - vi. **Time Limits:** All time limits set herein may be extended by mutual agreement between the grievant and the Employer.
 - vii. **Non-Intervention:** Nothing in this Article shall be construed as an abrogation of the right of any employee to present a grievance without the intervention of the exclusive representative in accordance with RSA 273-A:11(a).
 - viii. **Group Grievances:** If a group of employees files a grievance, not more than three (3) employees shall represent the group at any scheduled meeting provided for in the steps listed below.
 - ix. In any case where the rights of the Association, as opposed to rights of members, are affected, the Association may file a grievance in its own name through any of its agents or officers and shall be filed directly with the Chief Justice of the Superior Court or the Administrative Judge of the Circuit Court or the Director or the Clerk of the Supreme Court and shall be considered a Step II appeal.
 - x. A grievance initiated by the Employer against the Association or its members shall be filed directly with the President of the Association and shall be considered a Step II appeal. The deadlines and procedures provided in Step II below shall apply to a grievance initiated by the Employer.
 - xi. **Filings:** A grievance shall be filed within thirty (30) work days of the time the grievant knew or should have known of the alleged violation.
 - xii. **Written Notices:** A copy of all grievances which have been reduced to writing shall be forwarded to the Director and to the offices of the Association.
 - xiii. **Grievance Procedure - STEP I - Employee and Administrative Authority**
 - 1. The employee and/or his/her Steward shall present the facts pertaining to the dispute to his/her Administrative Authority at the employee's current location. The Administrative Authority shall resolve the dispute at once or notify the employee or his/her representative of the decision in writing within ten (10) working days from the day the problem was presented to him/her. Copies of any written decision shall be forwarded to the respective Chief Justice or Administrative Judge and the Director.
 - xiv. **Grievance Procedure - STEP II - Employee and the Respective Chief Justice of Superior Court, or Administrative Judge of the Circuit Court, or the Director or the Chief Justice of the Supreme Court**
 - 1. If, subsequent to the Administrative Authority's decision, the employee and/or his/her Steward feels further review is justified, notification to that effect and a statement of all the facts pertaining to the problem, specifying the Article(s) and Section(s) which have been allegedly violated shall be made in writing to the respective Chief Justice or Administrative Judge or the Director, as well as

the Administrative Authority, within fifteen (15) working days from the day the employee was informed of the Administrative Authority's decision.

2. The Chief Justice or Administrative Judge of the Circuit Court or the Director shall schedule a meeting with those concerned as soon as practicable after receipt of the written notification of appeal. Such meeting shall be scheduled within ten (10) working days.
3. The Chief Justice or Administrative Judge of the Circuit Court or the Director shall notify in writing the employee, the Administrative Authority, and the Director of the decision reached within ten (10) working days after the meeting.

xv. **Grievance Procedure - STEP III – ARBITRATION**

1. If the Association or the Employer is not satisfied with the decision rendered pursuant to Step II, the Association may file within twenty (20) calendar days following receipt of the Chief Justice's or Administrative Judge's of the Circuit Court or the Director's written decision, or expiration of the time limit delineated therein, a request for arbitration to the American Arbitration Association under its rules and regulations. The decision of the arbitrator shall be final and binding upon the parties, except as provided herein.
2. **Arbitrator's Powers:** The arbitrator shall be limited to interpretation or application of the express terms of this Agreement, and all other complaints filed before him/her. To the extent that a matter is properly before an arbitrator in accordance with this provision, the arbitrator's decision thereon shall be final and binding providing it is not contrary to existing law or regulation nor requires an appropriation of additional funds, in either of which case it will be advisory in nature.
3. The Parties further agree that questions of arbitrability are proper issues for the arbitrator to decide.
4. **Cost of arbitration:** If there is any expense charged by the arbitrator, it shall be borne equally.

xvi. **General Provisions:**

1. **Consistency with Agreement:** Any resolution of a grievance shall not be inconsistent with the terms of this Agreement.
2. **Missed Time Limits:** Failure on the part of either party to comply with the time limit requirement of this Article shall elevate a grievance to the next step unless the Parties have agreed to extend the time limit requirement.

VI. BENEFITS

A. COMPENSATION

i. Salaries:

1. Salaries for all employees shall be in accordance with the Judicial Branch salary matrix provided in Appendix B-1, as amended by this contract.

2. Full-time and part-time employees shall be eligible for an increment by moving from step one to step two after successful completion of one year at step one; from step two to step three after successful completion of one year at step two; from step three to step four after successful completion of one year at step three; from step four to step five after successful completion of one year at step four; from step five to step six after successful completion of two years at step five; from step six to step seven after successful completion of two years at step six; from step seven to step eight after successful completion of two years at step seven; and from step eight to step nine following successful completion of three years at step eight. For purposes of this section, successful completion means that the employee shall have received a satisfactory annual performance evaluation for the period or that an increment has been approved without a completed evaluation.
3. Upon promotion or reclassification that results in a higher labor grade, the initial waiting period between steps shall be no more than the time periods specified herein. Thereafter, the waiting periods between steps specified herein shall apply to such employees in their respective labor grade. The month and day of an employee's increment date shall not be adjusted for promotions, reclassifications or demotions.
4. In addition to the implementation of a revised salary matrix, as necessary to incorporate COLAs approved and funded by the legislature by NHJB employees as set forth herein below, the Judicial Branch agrees to include sufficient funds in its budget request for FY24-25 to cover increased costs resulting from a reallocation of the following positions: Court Operations Specialist position (CBA Appendix D) from Labor Grade 10 to Labor Grade 14; Senior Court Operations Specialist position (CBA Appendix E) from Labor Grade 17 to Labor Grade 19; Court Monitor/Operations Specialist position (CBA Appendix C) from Labor Grade 20 to Labor Grade 22; Information Center Representative I position (CBA Appendix H) from Labor Grade 10 to Labor Grade 14; Information Center Representative II position (CBA Appendix I) from Labor Grade 14 to Labor Grade 17. The parties agree that salary adjustments in connection with the reallocation shall be in keeping with the process use for reclassifications, as provided in the New Hampshire Judicial Branch Personnel Rules. For purposes of the Fringe Benefits section of this agreement, this allocation adjustment does not represent an "across-the-board" wage increase. The parties agree to advocate such funding by the Governor and the Legislature without offsetting reduction to other budget requests unless agreed to by the Judicial Branch.

ii. **Longevity Computation and Compensation:**

1. Any employee who has completed 10 years of service for the state shall be paid, in addition to the salary to which he/she is entitled by the classification plan, the sum of \$350 annually and an additional \$350 for each additional 5 years of state service, in the first pay period of November on any given year. This provision will change as necessary to reflect the amount provided either in

RSA 99:5 or the State Employees Association of New Hampshire and State of New Hampshire Collective Bargaining Agreement, whichever is greater. Part-time employees who do not receive benefits from the New Hampshire Retirement System shall receive a prorated share. The proration shall be based upon the regular budgeted hours as of November 30 of that current year for the part-time employee divided by 37.5 hours and then multiplied by the longevity payment for the employee's seniority.

2. The additional compensation provided by the provisions of this section shall not affect the maximums set by the classification plan and the receipt of said long service payments shall not prohibit the recipient from receiving the yearly increments to which he/she may be otherwise entitled within his/her classification ranges.
3. Once an employee achieves ten years of service, the employee will continue to receive longevity payments, even if the employee changes status from full-time to part-time, or part-time to full-time. However, the amount of the longevity payment will depend on the employee's status at the time of the payment. Employees in full-time status at the time of the payment will receive the full amount. Employees who are in part-time status at the time of the payment will receive a pro-rated amount based on average hours worked.
4. Temporary employees and part-time employees receiving a pension from the New Hampshire Retirement System or the New Hampshire Judicial Retirement System do not qualify for longevity payments.
5. Unless otherwise directed by administrative payroll protocols, the longevity payment will be made in the paycheck issued on the first payday in November and will reflect years of service as of December 1 of that current year.
6. Longevity pay will be included in the payout of a terminating employee provided the terminating employee has worked beyond his or her next anniversary date following December 1.

iii. **Cost of Living Adjustments (COLAs):**

The meaning and intent of this article is to provide members of the bargaining unit with any cost of living adjustments, or other economic adjustments, provided to executive branch classified employees represented by the State Employees' Association of New Hampshire which the legislature applies to the judicial branch and funds for judicial branch employees, the judicial branch shall implement the adjustments for members of the bargaining unit consistent with the timing and funding approved by the Legislature. In the event the State Employees' Association of New Hampshire and the State of New Hampshire agree to a new master contract for classified state employees and should that new contract contain any cost of living adjustments, or other economic adjustments which the legislature applies to the judicial branch and funds for judicial branch employees, the judicial branch shall implement the adjustments for members of the bargaining unit consistent with the timing and funding approved by the Legislature. The Association acknowledges, without prejudice to any arguments that it may advance, that the judicial branch's obligation to pay any such adjustments requiring additional funds is contingent on the appropriation of such funds to the judicial branch for that purpose.

B. HEALTH AND DENTAL INSURANCE AND FRINGE BENEFITS

Full-time employees shall receive all fringe benefits as negotiated by the State Employees Association of New Hampshire and as provided for classified state employees, including health and dental insurance. The Health Insurance provisions of section 19.8.1 and the Dental Insurance provisions of section 19.13 of the agreement negotiated by the State Employees' Association of New Hampshire, Inc. for executive branch employees are attached hereto as Appendix A.

- i. For purposes of this Agreement, Health Insurance section 19.8.1.a and Dental Insurance section 19.13 will be applied to the judicial branch with the same meaning and intent as the executive branch and shall be changed for judicial branch employees as follows. All full-time judicial branch employees who subscribe to health and dental benefits shall make benefits co-payments consistent with the salary band matrix attached to this Agreement as Appendix B-2. Part-time employees shall receive the fringe benefits provided in this agreement, and for part-time employees regularly budgeted for 30 or more hours per week, pro-rated health and dental insurance in accordance with RSA 98-A:6-a will be available with benefits copayments as shown in <https://das.nh.gov/hr/MedicalandDentalContributionCharts.asp>

The salary threshold for the health insurance and dental insurance contribution bands provided in Appendix B-2 shall be automatically adjusted to reflect negotiated salary increases, including cost of living (C.O.L.A.) increases and other across the board wage increases, specifically excluding step increases or wage changes due to a promotion or demotion. The salary bands will change in the exact amount of the across the board negotiated salary increase(s) to ensure that no individual employee's benefit contribution is increased due solely to the negotiated increase.

The judicial branch may periodically review and propose adjustments to the bands to ensure conformity with Executive Branch employee contribution requirements. The parties shall attempt in good faith to agree upon the manner in which the amount of the adjustment applicable to the bargaining unit is implemented. Any agreement(s) resulting from this process shall be reflected in a memorandum of understanding prior to implementation.

- ii. In the event the State Employees' Association of New Hampshire and the State of New Hampshire agree to a new master contract for classified state employees and should that contract contain changes in health and dental benefits, the parties will accept the changes in plan design. If that agreement adjusts the employee contribution for the benefit which the legislature applies to the judicial branch, the parties shall ascertain the amount of the adjustment applied to the judicial branch that is applicable to the bargaining unit.
- iii. The parties shall in good faith agree upon the manner in which the amount of the adjustment applicable to the bargaining unit is implemented and shall reflect by a memorandum of understanding any changes necessary as anticipated in this subparagraph.
- iv. **Holidays:**
 1. Regular full-time employees shall be entitled to 12 holidays annually as set forth

in an administrative order issued by the New Hampshire Supreme Court. Part-time employees shall be compensated for the holiday based upon the employee's regular budgeted hours divided by 37.5 hours. If a part-time employee's regular weekly hours consistently exceed his or her regular budgeted hours, the employee may request the Human Resources Manager to review the proration. The administrative office of the courts shall consult with the Association prior to the issuance of the holiday schedule.

2. An employee shall be compensated for the holiday at the employee's rate of pay in effect at the time of the holiday.
3. An eligible employee shall receive holiday pay only if the employee is in pay status (actually working or on approved paid leave) on the regularly scheduled work day prior to and immediately following the holiday.
4. An administrative/exempt employee shall receive compensatory time off at the rate of straight time for hours worked, or a minimum of four hours, on days when the court is closed but such work is necessary due to the New Hampshire Judicial Branch's obligation to conduct certain hearings required by law to meet statutory timeframes.

C. EXPENSE REIMBURSEMENT

- i. It is expected that an employee shall report to a home court location at the normal start of the workday and remain at the home court location until the court closes at the normal end of the workday.
- ii. When an employee is assigned to other than a home court location and that assignment is within 45 minutes of his/her home, the employee must arrive at the assigned court at the normal beginning of the court day, unless such arrival is impossible due to the lateness of the assignment, and must remain at the court location until the court closes at the end of the workday. The time it takes an employee to drive from the employee's home to the assigned court location is computed under normal driving conditions. Exceptions may be made for abnormal driving conditions (snow, construction, paving, traffic demands).
- iii. If the employee lives farther than 45 minutes away, the employee may arrive at the assigned court location later than the normal court opening time, and may leave the court location prior to the end of the normal workday, subject to paragraph 4 below. The amount of time the employee may arrive later than the normal court starting time and leave earlier than the normal court closing time will correspond to the amount of time in excess of 45 minutes that it takes for the employee to get to the court location in the morning and return home from the court location at the end of the day. The later start time and earlier leaving time must be approved by the clerk in the superior court or a court administrator in the circuit court, as the case may be. The superior court clerk or court administrator in the circuit court, as the case may be, shall use his or her best efforts to allow employees, when not doing essential functions, to leave the assigned court at such time that the employee will arrive home at the employee's normal home arrival time.

- iv. The above notwithstanding, if the employee is serving an essential function on a particular day as determined by the clerk of court or court administrator, the employee may not arrive late or leave early.
- v. In the event an employee travels to a court location away from the employee's home court and such travel time outside the normal seven and a half hour workday exceeds 100 hours in a calendar quarter, the employee shall receive one additional administrative day. Employees shall be responsible for all record keeping pursuant to this paragraph.
- vi. **In-State Travel:** If an employee is assigned to travel for more than one day away from their principal place of business, and the cost of mileage reimbursement exceeds the cost of an overnight stay, the employee shall be given the option of staying overnight in the area of the assignment in a facility approved by the judicial branch. The judicial branch shall reimburse the costs of meals associated with an overnight stay under the following conditions:

Reimbursement for meals purchased will not require receipts. Reimbursements for meals purchases shall be in the following amounts:

Breakfast	\$11.00
Lunch	\$12.00
Dinner	\$23.00

- vii. **Out-of State Travel:** When associated with court business outside of New Hampshire, employees may be reimbursed for lodging, meals, and incidentals at rates consistent with the General Services Administration (GSA) Travel Per Diem Rates in effect at the time of travel, without a receipt. GSA per diem rates are available on their website (<http://www.gsa.gov>).
- viii. Should the receipts limits be increased by the State or the judicial branch, the new limits will be substituted.
- ix. **Mileage/Expenses:** Employees who must travel from their residence to a location that is not their principal place of business, or from a location that is not their principal place of business to their residence, will be reimbursed for mileage incurred less the employee's normal commuting mileage from their residence to their principal place of business. When an employee has traveled to any court location and then must travel on judicial branch business to another location, all mileage will be reimbursed. Mileage shall be paid at the rate paid to executive branch employees. All tolls incurred during travel conducted for court business shall be reimbursed except for any tolls that would have been incurred in commuting to or from their residence and the home court location. Toll will be reimbursed at the lowest rate unless supported by a receipt.
- x. The employee shall submit to their administrative authority a completed travel reimbursement request. Sick leave taken for the illness of an immediate family member requiring the care of the employee shall not exceed six (6) days per year unless such leave is taken pursuant to the family and medical leave provisions contained in the Other Leaves article. Additional sick leave for the illness of an immediate family member may be granted with approval from the Administrative Judge, or the Director if applicable to employees under his or her authority. When using sick leave for dependent leave for up to six (6) days per year, an eligible employee shall not lose credit toward bonus leave.
11. Employees shall earn sick leave during periods of leave with pay except that leave shall be credited only when the employee returns to work, and leave earned during such periods shall be forfeited if the employee fails to return to work.

- iii. **Community Service:** An employee is encouraged to participate in community service programs or activities outside of work hours provided such service does not impair the employee's job performance, is not a conflict of interest with the employee's judicial branch work, or does not present an appearance of impropriety. Employees are encouraged to consult with their administrative authority before engaging in community service which could conflict with this provision. If the employee's administrative authority believes this community service could conflict with this provision, the employee may request a Consultation under this agreement. The employee's Administrative Judge or the Director, as the case may be, shall be present at the Consultation. Both the employee and the administrative authority may present information to the Administrative Judge/Director. The decision of the Administrative Judge or the Director shall not be subject to the grievance procedure.
- iv. **Inclement Weather:**
 - 1. While it may be reasonable to cancel jury trials, non-jury trials, and even some hearings during inclement weather, the judicial branch strives to keep courthouses open to serve the needs of lawyers, litigants, and the public during workdays. If inclement weather prevents an employee from getting to work, the time away from work may be charged as a day of accumulated annual leave, bonus leave, administrative leave, or personal day awarded as a result of furlough days. Non-administrative/non-exempt employees may take compensatory time or make arrangements with the administrative authority to work compensatory time to cover the amount of time away from work due to inclement weather. Such time must be worked within two pay periods of the date it is taken.
 - 2. Notwithstanding the above, truly exceptional circumstances may arise that require that a court or several courts be closed for all or a portion of a workday due to inclement weather. In the event of such a closure, employees shall receive their normal compensation during the period of closure. Employees who do report to work during periods of closure shall be entitled to only their normal rate of compensation and shall not receive additional leave or compensatory time.
- v. **Surveillance:** Recordings obtained through the use of video surveillance technology shall not be used as the sole basis to initiate an investigation into employee conduct. Such recordings may be used as evidentiary support for employee conduct issues only when the Administrative Judge has agreed that a valid reason exists for its use. If recordings obtained through the use of video surveillance technology are to be used in connection with employee conduct issues, the Administrative Office of the Courts shall provide the State Employees' Association of NH, SEIU Local 1984, with a copy of the video recording upon request. Security video surveillance recordings are confidential and shall be disseminated only as necessary to address the conduct issues. The judicial

branch will also make available to an individual subject to discipline, through the State Employees' Association of NH, SEIU Local 1984, any recordings which may be exculpatory. Any evidentiary issues under this paragraph may be considered by the Appeals Board in any appeal pursuant to the Appeal Procedures article.

vi. **Political Activity:** Employees may participate in political activity during non-duty hours as long as it does not create a conflict of interest, is consistent with the United States and New Hampshire Constitutions and existing statutes, and does not interfere with an employee's assigned duties. Participation must also be within the limitations set by other sections of this article.

1. Activities prohibited during working hours include, but are not limited to: distribution of campaign materials, display of campaign materials within a Judicial Branch building, including political buttons and bumper stickers, solicitation of contributions for a political candidate or party, and soliciting signatures for political candidacy.
2. Employees who participate in political activity during their off-duty hours shall not use their position title, except persons running for the office of register of probate, as influence in such activities.
3. Employees shall not use court supplies, equipment, or facilities in connection with any political activity.
4. Employees shall not use or promise to use, directly or indirectly, any official authority or influence, whether possessed or anticipated, for the purpose of influencing the vote or political action of any person.
5. Employees shall not seek or hold elected office in the New Hampshire legislative or executive branches.
6. Nothing in this rule shall be construed to limit the right of an employee to hold office in a constitutional convention, to express opinions, to register a party preference, and to cast a vote. Nothing in this rule shall be construed to limit the right of an employee to contribute voluntarily to a political party or candidate, the right to belong to a partisan political club, or to attend political party meetings and functions. Nothing in this rule shall interfere in any way with the right of freedom of speech, full criticism, or disclosure by any unit member.

C. WAIVER

Waiver by either Party of the other's non-performance or violations of any term or condition of this Agreement shall not constitute a waiver of any other non-performance or violation of any

other term or conditions of this Agreement, or of the same non-performance or violation in the future.

D. DURATION

Except as otherwise specifically provided herein, this Agreement as executed by the parties is effective as of July 1, 2023, and shall remain in full force and effect until June 30, 2027 or until a new Agreement is executed. Reopening shall occur by written notice to the other party delivered in accordance with the Notices article of this Agreement. Notice of reopening on the basis of items contained in the collective bargaining agreement negotiated by the State Employees' Association of New Hampshire, Inc. for executive branch employees must be provided within 30 days of a negotiated agreement between the SEA and the Executive Branch.

Renegotiation of this Agreement shall be effective by written notice by one party to the other not later than October 15, 2026 or earlier by mutual agreement. Negotiations shall commence within fifteen (15) days after receipt of such notice or at such other time as agreed to by the parties.

The State of New Hampshire

ADMINISTRATIVE OFFICE OF THE COURTS

NH JUDICIAL BRANCH SUPPLEMENTAL SICK LEAVE

Plan

The New Hampshire Judicial Branch (“Branch”) hereby establishes a Supplemental Sick Leave Plan (“Plan”) that allows court employees to donate sick leave to a centralized Supplemental Sick Leave Bank (“Bank”) for the use of court employees who have exhausted their own accumulated leave balances.

Eligibility

The Branch acknowledges that there are circumstances in which court employees may utilize all accumulated leave time as a result of a medical emergency. A medical emergency is defined as a medical condition of the employee that is likely to require an employee to be absent or expected to be absent from duty for a prolonged period and to result in a substantial loss of income. A substantial loss of income is defined as an expected absence without available paid leave of at least 24 work hours for a full-time employee (pro-rated for a part-time employee) because of the employee's lack of available paid leave. For those circumstances, the Branch will allow a court employee to apply for Supplemental Sick Leave, subject to approval by the Supplemental Sick Leave Committee (“Committee”).

Eligible employees are non-judicial employees, including law clerks, who are eligible to accrue their own leave time. Per diem Court Security Officers, temporary employees, contractual employees, and employees who are receiving Worker’s Compensation benefits are not eligible to donate to or receive hours from the Bank.

Conditions

The Committee shall consider only those instances where an employee has a medical emergency. An employee’s absence from work for at least 24 hours due to pregnancy and/or recovery from childbirth constitutes a *medical emergency* for purposes of supplemental sick leave. Childbirth shall be considered a medical emergency for a period of up to 6 or 8 weeks, dependent upon the method of delivery, and an employee affected by childbirth shall be eligible to apply for supplemental sick leave. Supplemental sick leave shall not apply towards periods of child-bonding beyond the first 6 or 8 weeks post-partum.

The supplemental sick leave requested by an employee must be for a defined period of time.

All court employees have a responsibility to prudently manage their own leave accruals to provide for coverage of ordinary illnesses and injuries. The Committee will consider the past management of leave time by the requesting employee when evaluating the request.

A court employee must exhaust, or expect to exhaust, all accrued leave time prior to receiving supplemental sick leave. Accrued leave includes sick leave, annual leave, administrative leave, bonus days, and compensatory time.

Supplemental sick leave will only be granted for medical emergencies that is likely to require an employee to be absent or expected to be absent from duty for a prolonged period and to result in a substantial loss of income. Supplemental sick leave will not be granted for common or minor illnesses, injuries, impairments or physical or mental conditions.

Application Process

Court employees applying for supplemental sick leave from the Bank may request no more than 90 days (675 hours) in any one application. There is no limit on the number of times a court employee may apply to the Committee for consideration.

The administrative authority, or designee, of the requesting employee will be asked if there are any special circumstances or conditions that should be part of the request. Additionally, the administrative authority will be asked if there are any accommodations that would allow the employee to remain working or return to work earlier. The administrative authority's recommendation will be made known to Human Resources and the Committee.

The employee's physician or medical practitioner will be required to fill out a form providing information regarding the medical condition to the Committee. The employee's request, the administrative authority's recommendation, and the medical information will be forwarded to the Committee, which will approve or deny the request in whole or in part.

The Human Resources Department shall communicate the Committee's decision to the requesting employee.

A subsequent request for additional supplemental sick leave from the Bank may be forwarded from the court employee to the Human Resources Department, stating the reason(s) for the request and the amount of additional sick leave requested, following the same procedure as the initial request.

The Application

The Application for Supplemental Sick Leave is a three-step process and includes three forms:

The first step requires the court employee, or his/her designee, to complete **Part I** of the **Application for Supplemental Sick Leave** form. No third party applications or recommendations will be considered.

The second step requires the administrative authority, or his/her designee, to complete **Part II** of the **Application for Supplemental Sick Leave**.

The third step requires the employee's physician or medical practitioner to complete **Part III** of the **Application for Supplemental Sick Leave**, providing the Committee with information regarding the medical condition of the requesting employee.

Donations to Supplemental Sick Leave Bank

If an employee wishes to donate time from their own accumulated sick leave, such request must be made in writing to the Human Resources Department, and the employee must identify the number of hours they wish to donate to the Bank. Once notified, the Human Resources Department will transfer the hours from the donating employees' sick leave accounts to the Bank for use by the requesting employee.

Committee

The Committee shall be comprised of one representative each from: Supreme Court; Superior Court; District, Probate, and Family divisions of the Circuit Court; and the Administrative Office of the Courts. The representative from the Supreme Court shall be appointed by the Chief Justice; the representatives from the Superior Court and the Circuit Court divisions shall be appointed by the respective Administrative Judge; and the representative from the Administrative Office of the Courts shall be appointed by the Director. In addition, the Committee shall have one representative who is a member of the Judicial Branch bargaining unit represented by the State Employees' Association (SEA) of NH, SEIU Local 1984. The members of the Committee shall serve one-year terms and shall be eligible for reappointment by their Administrative Judge. The Human Resources Manager, or designee, shall provide staff to the Committee and shall not have voting rights.

The members of the Committee shall maintain the confidentiality of all information disclosed to them as members of the NH Judicial Branch Supplemental Sick Leave Committee. Any breach of the duty of confidentiality shall result in removal of the offending member from the Committee and may result in discipline under the Judicial Branch Personnel Rules or the Collective Bargaining Agreement with the State Employees' Association of NH, SEIU Local 1984, up to and including discharge from employment with the Judicial Branch. 2. NHJB agrees to provide at least 30 days' notice to the SEA and its impacted members as to the date of implementation. Such notice can be concurrent with the SEA period of voting, however, implementation is contingent upon an affirmative vote. All employees who hold these positions on March 24, 2023 ("Implementation Date") shall be reclassified to Non-Exempt status for payroll purposes and shall be eligible for overtime compensation under wage and hour laws. Employees in this group shall be considered Administrative Non-Exempt employees and be referred to as "grandfathered employees", for so long as they remain in the same position. These positions, as set forth in paragraph four, shall be referred to as "grandfathered positions." At such time

as an employee vacates a "grandfathered position", the position will convert to a classification of Non-Administrative Non-Exempt. Memorandum of Understanding – Addendum A identifies all grandfathered employees and positions.

3. All grandfathered employees who hold these positions on the Implementation Date shall receive pay or compensatory time (as determined by the employer) at the rate of straight time for hours worked up to 40 hours in a given work week, and pay or compensatory time at time and a half for hours worked beyond 40 hours in a given work week. Employees who work on days when the court is closed but work is necessary due to the New Hampshire Judicial Branch's obligation to conduct certain hearings required by law to meet statutory timeframes shall earn compensatory time off at the rate of straight time for hours worked, or a minimum of four hours of worked.
4. All grandfathered employees occupying these grandfathered positions on the Implementation Date shall be classified as Administrative Non-Exempt employees and shall retain their administrative benefits (annual and sick leave accruals, administrative leave accruals, and terminal pay) for so long as they continue to serve in the current grandfathered position.
5. At which time any grandfathered position becomes vacant, the classification of that position will change from Administrative Non-Exempt to Non-Administrative Non-Exempt, and the position will no longer be classified as a "grandfathered position."
6. Any employees who are newly hired into any of these Non-Exempt positions after the Implementation Date, and any employees who are promoted, demoted, or transferred into any of these positions after the Implementation Date, shall be subject to all terms and conditions of employment for "Non-Administrative Non-Exempt" employees pursuant to the CBA from the date of hire, promotion, demotion, or transfer.
7. Eligible grandfathered employees shall receive terminal pay upon vacating their grandfathered position if they are terminating or retiring from their grandfathered position, or transferring, promoting, or demoting from their grandfathered position to a Non-Administrative position. In these instances, eligible grandfathered employees will be paid terminal pay based only on the years of service in an Administrative position for which they have not already received terminal pay. Eligible grandfathered employees who transfer, promote, or demote to an Administrative Exempt position shall not receive terminal pay until such time as they terminate or retire from the position, or transfer, promote, or demote to a Non-Administrative Non-Exempt position.

8. Any current language in the CBA relative to compensatory time for "Administrative Exempt" employees shall be updated to refer to "Administrative Non-Exempt" employees.

The Parties agree to update language throughout the CBA in accordance with the intent of this MOU. The Parties agree that all other articles of the current CBA remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties hereto by their authorized representatives have executed this Memorandum of Understanding on the 22nd day of March 2023.
