Application must be in writing using the appropriate form PD-8 three days in advance, unless waived by the Administrative Authority. The Administrative Authority may create reasonable stipulations regarding minimum and maximum amounts of leave time which may be taken at any time.
- (2) Annual leave may be taken during the first six months of employment when recommended by the Administrative Authority. The Administrative Authority shall make a determination within ten (10) business days and shall not unreasonably deny a request. Reasons for a denial shall be provided to the employee in writing. A granted annual leave request shall not be unreasonably rescinded. Payment of annual leave pursuant to the article entitled "Resignation, Abandonment, Departing Employees" shall be limited to a maximum of fifty (50) days.
- (3) Requests for annual leave in excess of two consecutive weeks shall be authorized only upon a determination that such absence will not have a detrimental effect on the operation of the court.

- (5) All regular full-time court security officers with more than two years service shall take at least two weeks annual leave each calendar year.

- (10) A full-time court security officer who transfers from one position to another position in the court system during his or her initial probationary period shall be credited with any accrued time toward annual leave earned in the first court and such earned leave time shall be recognized by the Administrative Authority.
- (11) If insufficient leave has been accumulated, the court security officer eligible for annual leave shall be charged with leave without pay for time away from work.

APPEAL PROCEDURES

Policy. The procedures listed below are to be followed when a court security officer appeals from an adverse action.

(A) Appeal of Adverse Action:

- (1) An appeal of an adverse action shall be in writing and delivered to the Director within fifteen working days of the date of the action. The appeal shall state the basis for the appeal. The appeal may be submitted by the employee personally or on his or her behalf by the Union.
- (2) Upon receipt of the appeal, the Director, or designee, shall within ten working days from the day the appeal is received: (a) grant the relief without arranging for a hearing, or (b) begin arrangements for a hearing.

(B) Selection of the Appeals Board: The Appeals Board shall be composed of the following members:

- (1) A justice of the New Hampshire Superior Court appointed by the supreme court who shall be chair;

- (2) An individual chosen by the Union; and
- (3) An individual chosen by the individuals listed in subsection (1) and (2) above. In the event agreement is not reached concerning the appointment of the third member, a list will be requested from the American Arbitration Association in accordance with its rules. An alternate may also be chosen.
- (4) None of the members shall be a member of the bargaining unit.

All travel expenses incurred by members of the board in the course of the board's work shall be paid by the judicial branch.

(C) Procedure:

- (1) The Director, or designee, shall arrange for the hearing to take place no later than 30 working days from the date the appeal is received.
- (2) The Director, or designee, shall provide written notice by personal service or by certified mail, return receipt requested, at least twenty working days prior to the hearing, including the date, time, and place of the hearing, and a summary of how the hearing shall be conducted under this policy, including, but not limited to, deadlines for submission of witness and exhibit lists. The appellant shall sign a receipt for this notice and return it immediately to the Director, or designee.
- (3) Requests for postponement of the hearing shall be addressed to the appeals board and shall include a statement of whether the opposing party assents.

(D) Conduct of the Hearing:

- (1) The appeals board shall conduct an independent, impartial hearing.
- (2) The jurisdictional burden shall be on the appellant to establish a prima facie case that the imposing official did not follow proper procedure or otherwise have justification for the sanction or that the sanction imposed was not within the authority or discretion of the imposing official. Once jurisdiction is established, the burden is on the appellant to prove his or her case is more probable than not.
- (3) The appellant shall have the right to be present at the hearing, with a representative provided at his or her expense. If the appellant is in pay status at the time of the hearing, the appellant shall be in duty status while in attendance at the hearing.
- (4) The Judicial Branch shall have the right to be present at the hearing and be represented by the Attorney General's office if a request is made and consented to under RSA 99-D:2 or its subsequent statutory counterpart or by a court employee with such employee's consent. A court employee providing such representation

shall be allowed reasonable time for preparation. Any court employee shall be in duty status while in necessary attendance at the hearing.

- (5) The parties or their representative shall have the right to present evidence, witnesses, and to cross-examine witnesses.
- (6) All testimony shall be under oath or affirmation. For this purpose, the appeals board is authorized to administer the oath or affirmation.
- (7) Witnesses may be presented by the parties if their testimony is considered relevant by the chair of the appeals board or may be requested by the appeals board. Witnesses may not be compelled to appear without a subpoena.
- (8) The hearing shall be recorded. A party may request a transcript at his or her expense.
- (9) The chair of the appeals board shall decide on the admissibility of evidence at the hearing. The hearing officer shall not apply the rules of evidence strictly, but may exclude witnesses or matters which are irrelevant, immaterial, or unduly repetitious.
- (10) Since all matters before the appeals board are personnel matters, proceedings hereunder shall be private.
- (11) In a case of progressive discipline, the appellant may contest any and all prior discipline that formed the basis of the action being appealed.

(E) Witnesses:

- (1) Witnesses who are court employees shall be in duty status during the time they are participating in a hearing and supervisors shall provide for those employees to be available.
- (2) Witnesses shall remain free from restraint, coercion, or reprisal before, during, and after testimony before an appeals board. Any employee who attempts to influence the testimony of a witness through coercive means shall be subject to discipline through adverse action.

(F) Record of the Hearing: The record of the hearing shall consist of all documents, papers, or other physical objects accepted by the appeals board, as well as the recording of the hearing. Documents, papers, and physical objects which were denied admissibility by the chair of the appeals board shall not be part of the official record of the hearing, but shall be attached to it and identified properly.

(G) Scope of the Appeals Board's Review: The appeals board shall review the personnel action by determining the facts surrounding the adverse action; the

procedural and legal justification under this Agreement and under the standard of fundamental fairness and justice to the grievant; and whether or not the sanction imposed was within the authority and discretion of the imposing official.

Management has discretion in applying a sanction under the article on Disciplinary or Adverse Action. Before submitting a decision for reversing or modifying the sanction imposed, there must be a finding that:

- (1) the sanction was not legally or procedurally justified under this Agreement and under the standard of fundamental fairness and justice to the grievant; or
- (2) management abused its discretion in imposing the sanction.

Absent one or the other of these findings, the appeals board should not substitute its judgment for that of management. It is not the intent of this Agreement to encourage appeals for the sake of mitigating sanctions. It is, however, the intent of this Agreement to ensure fair treatment of employees and to provide procedural due process in the adverse action area.

- (3) To the extent an issue of interpretation of statutes or of this Agreement arises in an appeal of an adverse action, the appeals board shall have jurisdiction to decide the issue. However, the appeals board will be limited in its interpretation of statutes and this Agreement by precedent. Any interpretation of this Agreement by the Appeals Board will not have precedential effect.

(H) Decision of the Appeals Board:

- (1) The decision of the appeals board shall be submitted to the Director and the employee's representative no later than 20 working days after the end of the hearing.
- (2) The decision shall consist of findings and recommendations relating solely to the adverse action originally commenced and the grounds for appeal initially alleged. The findings shall be based solely on the evidence in the record. The decision shall be consistent with findings.

- (I) Final Decision:** The decision of the appeals board shall be subject to any rights of appeal provided by law.

ASSIGNMENT/REASSIGNMENT/RELOCATION

Court security officer assignments shall be made by the Security Manager or his designee. Assignments shall be made in a reasonable fashion in conjunction with this contract.

Upon employment with the Judicial Branch, a *per diem* court security officer shall provide the Security Manager with a list of court locations to which he/she shall be available for assignment. The Security Manager shall designate one of those courts as the *per diem* court security officer's home court. Requests for changes to this list must be made in writing by the court security officer and sent to the Security Manager with at least a 10-day notice. Requests for changes must be approved by the Security Manager.

The Security Manager may assign *per diem* court security officers for one-half day, a full day, or multiple days. The Security Manager may also default assign *per diem* court security officers to a court location on a regular basis. In determining assignments of *per diem* court security officers, whether on a regular basis or on an as-needed basis, the Security Manager shall consider the seniority of the court security officers available for the particular assignment, giving preference where possible to the most senior court security officer available.

To the extent possible, the Security Manager will provide court security officers with work assignments with at least one week notice. The Security Manager reserves the right to call court security officers with less notice if necessary.

The Security Manager shall consider the distance traveled by the court security officer, relevant family issues, or other personal issues in making an assignment. Any *per diem* court security officer traveling to a court other than his or her home court shall receive mileage at the applicable Judicial Branch rate for any mileage in excess of fifteen miles each way from the court security officer's home court.

BASIC WORK WEEK

Basic Work Week: The basic workweek for every regular full-time court security officer in the judicial branch shall be thirty seven and one half (37 ½) hours per week.

Normal Work Day: The normal workday shall consist of 7.5 hours per day with work normally performed between the hours of 7:45 a.m. to 5:00 p.m. Monday through Friday; however, the normal workday may be adjusted as the needs of the court require. If the needs of the court require extension of the normal work day, the needs of the court security officer shall be taken into consideration. Hours worked in excess of 7.5 hours per day shall be compensated at the court security officer's hourly rate. Any hours worked in excess of 40 hours in a work week shall be compensated at the rate of one and one half times the court security officer's hourly rate.

Meal Periods: Every court security officer working five (5) consecutive hours or more shall receive a lunch period of not less than one half hour nor more than one hour. Such lunch periods shall not be considered working time.

BI-WEEKLY PAY PERIOD

- (A) All court security officers shall be routinely paid on every other Friday as is the state practice.
- (B) Pay periods shall commence on a Friday and extend 14 days in length through and including the second Thursday after the beginning of the pay period.
- (C) All court security officers became part of the payroll system by having the state withhold no more than the first two weeks of pay. Compensation shall continue on a biweekly basis based upon hours worked and paid two weeks in arrears.

CONSULTATION and LABOR MANAGEMENT COMMITTEE

Consultation:

Obligation to Meet: The Parties recognize their mutual obligation to meet and confer regarding problems arising out of the employment relationship between the Employer and regular full and part-time court security officers and *per diem* court security officers.

Matters for Consultation: It is agreed and understood that policies and procedures related to terms or conditions of employment are appropriate matters for consultation between the Parties, providing however, that neither Party waives or relinquishes their right to negotiate mandatory subjects of collective bargaining.

Requests: Either Party in writing, stating the reason for the meeting and the agenda or topic of consultation, shall request a Consultation. Consultation requests by the Union shall be made to the Director, or his/her designee. Consultation requests by the Employer shall be made to the Union's Business Agent.

Meetings: A mutually agreeable meeting date shall be established providing that such date shall be within fifteen (15) workdays of receipt of the written notice. The time limit may be extended by agreement.

Attendees: A Union staff member shall represent the bargaining unit alone, or with not more than four (4) employees. The Union will state the names and work areas of the employees, if any, who are to attend the meeting. Representatives of the Employer shall meet with the Union representatives. The Manager of Operations at the Administrative Office of the Courts will attend such consultations whenever feasible providing that his/her attendance may be specifically requested and complied with by notice of either the Union or the Employer.

Labor Management Committee:

Composition: The Parties agree to establish a Labor Management Committee consisting of not more than three (3) representatives of the Judicial Branch Negotiating Committee

and not more than three (3) representatives of the Union's Bargaining Team. In addition to the three representatives, the chief negotiator from each side may attend the meetings of the Committee.

Meetings: The Committee shall meet as frequently as may be necessary to carry out its purpose and responsibilities as set forth in this Agreement. Either party may request a meeting. In such event, the meeting shall be scheduled within twenty (20) business days.

Purpose: The purpose of the Committee shall be to ensure the application, clarification and administration of this Agreement. The Committee may resolve grievances presented to the Committee for review. In addition, the Committee shall discuss and make recommendations to the Director and the Supreme Court concerning standardized weapons, uniforms and badges, and physical and training standards for court security officers.

COST OF LIVING

FRINGE BENEFITS: In accordance with RSA 490:28, all regular full-time court security officers shall receive all fringe benefits as negotiated by the State Employees' Association of New Hampshire and as provided for executive branch classified state employees, including health and dental insurance. For purposes of this Agreement, Health Insurance section 19.8.1.a of the agreement negotiated by the State Employees' Association of New Hampshire for executive branch employees shall be changed for judicial branch employees as follows: all full-time court security officers who subscribe to health insurance shall pay \$20.00 per pay period if their annual salary is \$33,000 or less, \$40.00 per pay period if their annual salary is more than \$33,000 up to \$45,000, or \$60.00 if their annual salary is more than \$45,000. Regular part-time court security officers receive those same benefits on a pro-rated basis in accordance with policies established by the judicial branch. In the event the State Employees' Association of New Hampshire and the State of New Hampshire agree to a new master contract for executive branch classified state employees and should that contract contain changes in health and dental benefits, the parties will accept the changes in plan design. If that agreement adjusts the employee contribution for the benefit which the legislature applies to the judicial branch, the parties shall ascertain the amount of the adjustment applied to the judicial branch that is applicable to the bargaining unit. The parties shall in good faith agree upon the manner in which the amount of the adjustment applicable to the bargaining unit is implemented. No fringe benefits are accorded *per diem* court security officers other than the payment of the employer's share of payroll taxes and holiday pay as defined in the section on holidays, except as explicitly specified in this Agreement.

Should the Union produce a Health and Welfare benefit that is no more financially burdensome to the judicial branch than the current plan, the parties agree to meet to review the Union plan to consider its adoption. It is agreed that any such plan change shall only be made by mutual agreement of the parties. The adoption of a new plan may also apply to regular full-time, regular part-time, and *per diem* court security officers by mutual agreement.

SALARIES: Salaries for regular court security officers during the term of this Agreement shall be as provided in Appendix D, which reflects judicial branch labor grade 16 for CSO IIs and judicial branch labor grade 11 for CSO Is. *Per diem* court security officers shall be paid \$85 per day for each day worked and \$45 per half day.

C.O.L.A.S: The meaning and intent of this article is to provide court security officers with any cost of living adjustments provided to executive branch employees represented by the State Employees' Association of New Hampshire. In the event the State Employees' Association of New Hampshire and the State of New Hampshire agree to a new master contract for executive branch classified state employees and should that new contract contain any cost of living adjustments which the legislature applies to the judicial branch, the parties shall ascertain the amount of the adjustment applied to the judicial branch that is applicable to the bargaining unit. The parties shall in good faith agree upon the manner in which the amount of the adjustment applicable to the bargaining unit is implemented. The Union acknowledges, without prejudice to any arguments that it may advance, that the judicial branch's obligation to pay any such adjustments requiring additional funds is contingent on the appropriation of such funds to the judicial branch for that purpose.

(B) Disciplinary Progression: The Administrative Authority shall be responsible for taking appropriate intermediate steps and initiating adverse action. Court security officers entrusted with supervisory responsibility shall be required to expeditiously report to the Administrative Authority any matters that require review, discipline and/or adverse action, to the extent that they have been made aware of such matters.

(C) Intermediate Disciplinary Steps: In that it is the Administrative Authority's responsibility to use sound judgment and to act promptly and fairly, it is advisable to take lesser disciplinary action where appropriate. Intermediate disciplinary steps may include the following:

- (1) **Written Warning:** Written warnings may be given to the court security officer by the Administrative Authority upon recommendation by the court security officer's supervisor or on the Administrative Authority's own initiative. The number of warnings given prior to taking further disciplinary or adverse action depends on the seriousness and/or frequency of the matter or conduct.

It is the Administrative Authority's responsibility to point out the specific nature of the conduct and discuss in detail with the court security officer the correct action to be followed in the future. This responsibility may be delegated to the court security officer's immediate supervisor if appropriate.

The judicial branch is not precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.

A court security officer who is the subject of a written warning may write the Administrative Authority a letter of disagreement, which shall be placed in the court security officer's personnel file.

(2) **Written Reprimand:**

- (b) Written reprimands must contain a complete description of the misconduct alleged, the supporting factual data, details of the corrective action to be taken by the court security officer and a time frame in which it should occur, and the consequences if corrective action does not occur. Written reprimands must indicate that unless corrective action is taken the court security officer will be subject to discharge.
- (c) The written reprimand shall be signed by both the Administrative Authority and the court security officer. If the court security officer refuses to sign, the Administrative Authority shall so indicate on the form. The Administrative Authority and the court security officer shall each receive a copy of the signed written reprimand.
- (d) Each written reprimand shall expire as a basis of possible discharge three years after its date but shall be kept in the court security officer's file. The time limitation of this subparagraph shall not apply if the prior written reprimand related to a violation of paragraph (A)(18).
- (e) The judicial branch is not precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.
- (f) A court security officer who is the subject of a written reprimand may write the Administrative Authority a letter of disagreement, which shall be placed in the court security officer's personnel file.

(D) **Adverse Action:** The Administrative Authority is responsible for initiating or taking adverse action against a court security officer where appropriate. All adverse actions shall be approved by the Director before any action is taken. Adverse actions include the following:

- (1) **Suspension:** Suspension is the temporary removal of a court security officer from a position with or without pay.
 - (a) The decision to suspend a court security officer with or without pay shall be based on the seriousness and nature of the matter or conduct. The judicial branch is not

precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.

- (b) A court security officer may be suspended with or without pay pending disposition of a felony or misdemeanor charge or a serious violation as determined in the discretion of the Director.  - (c) Suspension may be appealed through the appeal procedure set out in this contract, but the suspension shall become effective when imposed.

- (a) The judicial branch is not precluded from issuing discipline for conduct, on or off official duty, that adversely affects the integrity of the judicial system.

GRIEVANCE PROCEDURE

Purpose: The purpose of this Article is to provide a mutually acceptable procedure for adjusting grievances and disputes arising with respect to interpretation or application of any provision of this Agreement and matters of complaint, concern or dissatisfaction to a court security officer. This grievance procedure may not be used, however, for matters involving discipline and adverse action.

Intentions: It is intended that the procedure provided herein shall facilitate the resolution of any such disputes at the lowest possible level, and the judicial branch and the Union agree to work together towards this end. Nothing in this article shall be interpreted as preventing or discouraging court security officers from discussing any disputed matter in an informed and informal manner with the immediate supervisor, the

SICK LEAVE

(A) One and one-quarter days (9.375 hours) sick leave shall be earned each month by all regular full-time court security officers from the date of their initial employment. The fifteen days earned per year may accumulate to a maximum of 120 days for all regular full-time court security officers. Part-time regular court security officers shall earn sick leave on a prorated basis.

(B) Sick Leave Provisions.

(1) The sick leave allowance of a court security officer eligible for sick leave may be utilized upon approval of the Administrative Authority on the basis of proper application in writing.

requiring the care of the court security officer, injury, exposure to contagious diseases endangering the health of other employees when requested by the attending physician, or death in the court security officer's immediate family. Immediate family is defined in subsection B(4) below.

- (b) Sick leave used shall be deducted from the court security officer's allowance on the basis of workdays and not calendar days. All sick leave must be reported on the biweekly payroll report and shall be deducted from available accumulated balances.
 - (c) A court security officer eligible for sick leave who is unable to report to work due to the reasons stated above and who wishes to utilize sick leave shall make a good faith effort to notify the Administrative Authority as early in the day as possible to report the reason for the absence and the expected date of return to work. If the court security officer is unable to call, another person should contact the Administrative Authority with the same information.
 - (d) The court security officer shall continue to advise the Administrative Authority each day of absence unless an extended absence has been indicated and an alternative call schedule has been established. Failure to report to the Administrative Authority may be grounds for disciplinary action.
- (2) Sick leave may be utilized only to the extent that such sick leave has been earned.
 - (3) For purposes of utilization, sick leave shall be converted to hours (example: 1 1/4 days equals 9.375 hours).

Additional sick leave for the illness of an immediate family member may be granted by the Director. When using sick leave for dependent leave for up to six (6) days per year, an eligible court security officer shall not lose credit toward bonus leave.

 - (7) Court security officers eligible for sick leave shall not earn sick leave during a period of leave of absence without pay.
 - (8) Forfeiture of accrued sick leave as a disciplinary action shall not be authorized.

 - (10) A full-time court security officer who transfers from one position to another position in the Judicial Branch during an initial probationary period shall be credited with any accrued time toward sick leave earned in the first position and such earned leave shall be recognized by the receiving Administrative Authority.
 - (11) Payment: Upon retirement under the provision of RSA 100-A:5 and RSA 100-A:6 only, or upon eligibility under RSA 100-A:5 but electing to receive a lump sum payment in lieu of an annuity, or upon a layoff, an eligible court security officer shall receive payment in a sum equal to 50% of the number of sick leave days remaining to the court security officer's credit. However, the total number of days eligible for payment shall not exceed sixty (60) days.
 - (12) All eligible court security officers are entitled to participate in the NH Judicial Branch Supplemental Sick Leave Plan attached hereto as Appendix E.
- (C) Proof of Illness.

The certificate shall contain a statement that, in the physician's professional judgment, extended sick leave is necessary.
 - (2) A court security officer eligible for sick leave may be required, at state expense, to provide verification of illness from a neutral party selected from a list of physicians compiled by the Director if in the Administrative Authority's opinion the court security officer may not be entitled to sick leave.
- (D) Reinstatement. Whenever a former court security officer, who has been separated from the Judicial Branch by a reduction in work force formula, or for reasons without prejudice but for the convenience of the State of New Hampshire, is reinstated within three years, the court security officer's previously accumulated

and unused balance of sick leave allowance shall be revived and credited to the court security officer.

STANDARDS

The parties hereby recognize that the physical fitness of employees vitally affects the efficient, safe, and productive operation of court security and the quality of court security services provided to the public. Each court security officer is required to maintain the level of physical fitness necessary to perform the normal duties of his/her position.

All court security officers hired on or after the effective date of this Agreement shall pass a physical fitness test prior to being employed as a court security officer. Once employed and as a condition of continued employment, the newly-hired court security officer shall be tested every three years, except that all newly-hired court security officers shall be tested at age 70 and every two years thereafter. Extensions of time for taking the physical fitness test shall be permitted in the case of temporary disabilities. All court security officers hired before the effective date of this Agreement shall be exempt from physical fitness testing.

Once employed, any newly-hired court security officer who fails to meet the standards of the physical fitness test shall be retested six months after the initial failure. Any court security officer who fails a second consecutive physical fitness test shall be dismissed from employment as a court security officer.

The Security Manager, Court Security Training Officer, or their designee will administer the physical fitness test. The physical fitness test standards will be based on gender and age and will consist of the following events:

Push-Ups: A push-up is used to measure upper body muscular endurance and should consist of the officer placing toes and hands on the floor, making sure the back and arms are straight, and keeping the hands slightly more than shoulder-width apart. The body should be lowered until the elbows are bent at a 90 degree angle then pushed up to return to the original position.

Modified Push-Ups: A modified push-up is used to measure upper body muscular endurance and should consist of the officer placing hands and knees on the floor, making sure the back is diagonally aligned with the head and neck, arms are straight, and the hands are kept slightly more than shoulder-width apart. The body should be lowered until the elbows are bent at a 90 degree angle then pushed up to return to the original position.

Sit-Ups: A sit-up is used to measure core body muscular endurance and should consist of the officer lying on the floor with knees bent at a 90 degree angle, feet on the floor, and the arms across the chest. The officer will raise his or her upper body up completely off

of the floor. At the peak height of the exercise, only the feet and buttocks should be touching the floor. The officer will then lower the body back to the original position.

1.5 Mile Run: This exercise is used to measure aerobic capacity. The aim of this test is to complete the 1.5 mile course in the shortest possible time. At the start, the officer lines up behind the starting line. On the command “go,” the clock will start, and the officer will begin running at his or her own pace. Although walking is authorized, it is strongly discouraged.

The Union agrees that it shall guard against the use of excessive time in handling such responsibilities. Each Steward, before leaving his/her assigned work area to transact appropriate Union business, shall first obtain the consent (which consent shall not be unreasonably withheld) of his/her Administrative Authority; upon entering a work area, other than their own, the Steward shall first advise the appropriate clerk of court of his/her presence and specify the name(s) of the employee(s) to be contacted.

Training: The Employer agrees to authorize three (3) days off annually without loss of time or pay for up to two (2) Stewards to attend a Union training program. The Union shall notify the Employer as soon as possible but not less than twenty (20) work days in advance of such proposed training program.

Such meetings will be held within ten (10) working days from the request date, unless it is mutually agreed to extend the time frame.

Representation of Employees: With the exception of newly-appointed or re-appointed court security officers during their probationary period, a court security officer shall be entitled to Union representation at an investigative interview or meeting if requested by the court security officer when that court security officer reasonably believes that the interview or meeting may result in disciplinary action against him/her. All parties shall be given at least 24-hour notice of such meetings except in extraordinary circumstances. The court security officer requesting the meeting will be given specific notice regarding the matters being investigated prior to the meeting. The Union representative's role at an investigative interview or meeting is to consult with the court security officer. The Employer is free to insist upon hearing the employee's own account of the matter(s) under investigation. The Parties agree that in all cases the principles of "Weingarten" and "Garrity" and other applicable case law shall be observed. - Court security officer's date of employment

Union Business: Court security officers shall conduct the internal business of the Union during their non-duty hours.

The Union may utilize the Employer's electronic mail system(s) and such other systems as may be agreed upon for the duration of this Agreement for internal Union business, provided that said mailings are clearly identified as the property of the Union.

Use of Facilities: Union committees or chapters shall be allowed the use of facilities of the Employer for meetings providing that written approval of the Employer is secured subject to the following conditions:

Such Employer facilities are available and their use for such meetings would not conflict with the Employer's business.

Such approval shall be subject to such other reasonable conditions as may be imposed by the Employer.

Such approval, if given, will be limited to members of the committee, bargaining unit employees, Union staff members, and guests.

Nothing in this provision shall be construed as a limitation of the rights of the Union, its chapters or committees to utilize the Employer's facilities that are otherwise available for public use.

Access to Employees: Staff representatives of the Union shall be allowed to visit work areas of employees during working hours and confer on conditions of employment to the extent that such visitations do not disrupt the work activities of the area being visited. Prior to entering the work area, the representative shall receive permission from the Director or his/her designee stating the reason(s) for such visitations and from the clerk of court. Permission shall not be unreasonably denied.

Union Leave: The Employer shall approve reasonable preparation time for up to four (4) members of the Union's contract bargaining team.

Group Programs: The Union shall be allowed the use of payroll deductions for any group program(s), in addition to a dues deduction, to the extent available within the State of New Hampshire payroll system.

Employee Orientation: Unit orientation programs and/or orientation handbooks shall inform new unit employees that the unit is a bargaining unit represented by the Union. The Employer agrees to distribute informational packets provided by the Union to new unit employees. The Union shall be allowed to make a presentation, consistent with other vendor presentations, at group orientation programs offered by the Employer for unit members. The presentation may be up to one half hour in duration and shall be

conducted by a Union staff person or his/her designee. If no group orientation program exists in the unit, the Union staff person shall have access to all new unit employees for up to one half hour at the convenience of the Employer and the new unit employee will be required to attend said meeting.

NH JUDICIAL BRANCH SUPPLEMENTAL SICK LEAVE

Plan

The New Hampshire Judicial Branch hereby establishes a Supplemental Sick Leave Plan (Plan) that allows court employees to donate sick leave to a centralized account for the use of court employees who have exhausted their own sick leave accounts.

Committee

The Judicial Branch acknowledges that there are circumstances in which court employees may be forced to utilize all accumulated leave time as a result of serious or life-threatening illnesses, injuries, or impairments. For those circumstances, the Judicial Branch will allow a court employee to apply to the Supplemental Sick Leave Committee (Committee) and, once approved, the Committee will authorize a transfer of sick leave from the Sick Leave Bank (Bank) to the sick leave account of the employee.

The Committee shall be comprised of one representative each from the Supreme Court, Superior Court, District Court, Probate Court, Family Division, and Administrative Office of the Courts. The representative from the Supreme Court shall be appointed by the Chief Justice; the representatives from the Superior Court, the District Court, the Probate Court, and Family Division shall be appointed by the respective Administrative Judge; and the representative from the Administrative Office of the Courts shall be appointed by the director.

The members of the Committee shall appoint one member as a chairperson who shall call meetings when necessary. The members of the Committee shall serve one-year terms and shall be eligible for reappointment by their administrative judge. The Manager of Operations shall provide staff to the Committee and shall not have voting rights.

Donations to Sick Leave Bank

Any non-judicial court employee may donate accumulated sick leave to the Bank. The employee's intent to donate time from accumulated sick leave must be in writing and must identify the number of hours the employee wishes to donate to the Bank. Once notified, the Manager of Operations will compile a list of employees who wish to donate time. When the Committee has approved an application for sick leave, the Manager of Operations will contact the donor employees to insure that they are still willing to donate time. When willingness is confirmed, Human Resources will transfer time from the donating employee's sick leave account to the Bank for use by the seriously ill or injured employee.

Application Process

Court employees applying for sick leave from the Bank may request no more than 90 days of sick time in any one application. There is no limit on the number of times a court employee may apply to the Committee for consideration.

The administrative authority of the requesting employee will be asked if there are any special circumstances or conditions that should be part of the request. Additionally, the administrative authority will be asked if there are any accommodations that would allow the employee to remain working or return to work earlier. The administrative authority's recommendation shall be made known only to those who will act upon the request.

The employee's physician or medical practitioner will be required to fill out a form providing information regarding the illness or injury to the Committee. The employee's request, the administrative authority's recommendation, and the medical information will be forwarded to the Committee, which will approve or deny the request in whole or in part.

The Manager of Operations shall transmit the Committee's decision to the requesting employee.

A subsequent request for additional sick leave from the Bank may be forwarded from the court employee to the Manager of Operations stating the reason(s) for the request and the amount of additional sick leave requested following the same procedure as the initial request.

The Application

The Application for Supplemental Sick Leave is a three-step process and includes three forms:

The first step requires the court employee, or his/her designee, to complete **Part I** of the **Application for Supplemental Sick Leave** form .

The second step requires the administrative authority, or his/her designee, to complete **Part II** of the **Application for Supplemental Sick Leave**.

The third step requires the employee's physician or medical practitioner to complete **Part III** of the **Application for Supplemental Sick Leave** providing the Committee with information regarding the medical condition of the requesting employee.

Conditions

The Committee shall consider only those instances where the employee has a serious or life-threatening illness, injury, impairment, or mental or physical condition. The additional sick leave required must be for a significant period of time.

All court employees have a responsibility to prudently manage sick leave to provide for coverage of ordinary illness and injury. The Committee may consider the past management of sick leave time by the requesting employee when evaluating the request.

A court employee must exhaust, or expect to exhaust, all paid leave prior to receiving supplemental sick leave. Paid leave includes sick leave, annual leave, administrative leave, bonus days, and compensatory time.

The court employee who will use the supplemental sick leave, or the employee's designee, must complete the application. No third party applications or recommendations will be considered.

Supplemental sick leave will only be granted for serious or life-threatening illnesses, injuries, impairments, or mental or physical conditions that have caused, or are likely to cause, the employee to take leave without pay. Supplemental sick leave will not be granted for common or minor illnesses, injuries, impairments or physical or mental conditions.
