PREAMBLE

Agreement, made **November 28, 2017**, by and between the Stratford School Board, hereinafter called the "Board" and the Stratford Teachers' Association, hereinafter called the "Association".

WITNESSETH:

Whereas, the parties have negotiated and have reached certain understandings which they desire to confirm in this agreement. Therefore, in consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I - RECOGNITION

The Stratford Teachers' Association of the N.E.A./N.H. is hereby recognized as the exclusive bargaining representative for the following full-time professionally certified degree personnel engaged in providing educational services in accordance with the provisions of RSA 273-A for teachers, guidance counselors, and librarians. Negotiations may include the terms and conditions of employment pursuant to RSA 273-A.

During the term of this agreement, the Board agrees not to negotiate with any teacher organization other than the designated unit in regard to any matter subject to negotiation as long as the Stratford Teachers' Association shall remain the certified bargaining unit as designated by the Public Employee Labor Relations Board. Provided, however, that this shall not prevent the Board from communicating or consulting with any individual teacher or group of teachers for any purpose the Board deems desirable in the discharge of its responsibilities. Nothing in this agreement is to be construed to preclude the personal appearance before the Board by any employee on his or her behalf.

ARTICLE II - NO DISCRIMINATION

The Association agrees to represent equally all teachers without regard to gender, sexual orientation, religion, disability, race, color, creed, age, sex, marital status or membership in the Association, except for non-payment of dues, as stated (RSA 273-A.5IIC). The Board agrees not to discriminate against a teacher because of gender, sexual orientation, religion, disability, race, color, creed, age, sex, marital status or membership in the Association.

ARTICLE III - JURISDICTION AND AUTHORITY OF THE SCHOOL BOARD

The Board, subject only to the language of this agreement, reserves to itself full jurisdiction and authority over matters of policy and retains the right in accordance with applicable laws and regulations to direct and manage all activities of the school district.

The parties understand that neither the Board nor the Superintendent may lawfully delegate powers, discretions, and authorities which by law are vested in them and this agreement shall not be construed so as to limit or impair their respective statutory powers, discretions, and authorities.

ARTICLE IV - NEGOTIATION PROCEDURE

On or before October 1 of the appropriate year, the Association shall notify the Board of its intent to negotiate. Jointly they will determine a date for meeting to informally discuss concerns, establish ground rules, and set dates for succeeding meetings. Within one week of this first meeting, the parties will exchange proposals on changes to the contract concerning terms and conditions of employment they wish to bargain so that they can enter into negotiations in a good faith effort to reach agreement. Any agreement reached shall be reduced to writing and signed by the Board and the Association. Any agreement reached which requires the expenditure of public funds for its implementation shall not be binding upon the Board, unless and until the necessary appropriations have been approved by the voters of the district. The Board shall make a good faith effort to secure the funds necessary to implement said agreements. If such funds are not forthcoming, the Board and the Association shall resume negotiations concerning terms and conditions of employment in accordance with the provisions of this agreement.

The ground rules for these meetings shall, unless mutually agreed to at the first meeting, be:

1. Anything said at these meetings shall be held in confidence until a tentative agreement is reached on the strictest confidence with no reprisals, so that feelings may be freely expressed.
2. Press releases will be done jointly.
3. Records will be kept by both parties as notes.
4. All issues to be discussed will be introduced by the fourth meeting.
5. Members will be advised if outside consultants will be attending any meetings.

If the parties fail to reach agreement on any matter or matters concerning terms and conditions of employment, either party may declare an impasse pursuant to RSA 273-A:12.

The parties will then attempt to mutually select a mediator of their own choosing. If no agreement is reached on a mediator, either party may request the American Arbitration Association or Public Employees Labor Relations Board to appoint a mediator for the purpose of assisting the parties in reconciling their differences and resolving the controversies on terms which are mutually acceptable.

The American Arbitration Association will, within ten (10) days after the receipt of such a request, appoint a mediator in accordance with rules and procedures prescribed by it for making such appointment. The mediator will meet with the parties or their representative or both forthwith, either jointly or separately, and will take such other steps as he may deem appropriate in order to persuade the parties to resolve their differences and effect a mutually acceptable agreement. The mediator shall be limited to a maximum of three (3) mediation meetings. The costs for the service of the mediator, including, if any, per diem expenses and actual and necessary travel and subsistence expenses, will be shared equally by the Board and the Association.

ARTICLE V - PROFESSIONAL COMPENSATION

- A. The basic salaries of professional employees covered by this agreement are set forth in Appendix A, which is attached to and incorporated in this agreement. Such salary schedule shall remain in effect during this term of this agreement. **The base salary will increase \$450 in Year 1; \$350 in Year 2; and \$250 in Year 3.** Teachers who are off-step receive the higher of the top step salary or their previous year's salary plus a **\$1,200 increase in Year 1; \$1,100 in Year 2; and \$1,000 in Year 3.** The maximum starting pay for new hires will be step fourteen (14) of the salary schedule.

No newly hired unit member shall be placed on a step higher than a currently employed unit member with equal training and experience; however, the Board reserves the right to negotiate a placement on the salary schedule less than described above if the applicant is interested. The Superintendent has the right in extreme emergencies to hire a new teacher at a rate higher than the salary schedule. The extreme emergency means that the position is difficult to fill because of the scarcity of qualified candidates. The Superintendent shall determine the existence of the extreme emergency and shall notify the President of the Association when such a determination is made. The Superintendent shall not abuse his discretion in this regard.
- C. The salary schedule is based upon the regular school calendar as set forth in Appendix A and the normal assignment of such non-teaching duties as, but not limited to, bus duty, recess, lunch, dances, and class activities.
- D. A teacher whose work is adjudged unsatisfactory may be retained at the same salary step for the succeeding year. The teacher shall be so notified on or before April 15th.
- E. Placement on the Masters tract is dependent upon final approval of the Superintendent of Schools. All courses and accepted degree programs should be related to the teacher's professional area of work.
- F. Credits earned to meet initial certification requirements will not count toward placement on the Masters tract.
- G. A teacher in the Stratford School District will receive, in addition to his/her regular contractual remuneration according to Schedule A of this agreement, an additional \$15,000 during the final one, two or three years of service upon written notification to the Superintendent of Schools of the unit member's intent to retire. At the unit member's option, the total amount of \$15,000 may be taken in the final year of service or it may be divided into two \$7,500 payment in each of the final two years of employment, or into three \$5,000 payments in each of the final three years of employment. The notification shall take place no later than November 1st during the school year in which the unit member intends to retire. For unit members who choose to spread the payment over two or three years, the notice must be provided no later than November 1st during the school

year in which the first payment will be made. Payments will be provided within 60 calendar days of the last day of school. A teacher who intends to take advantage of this section must first meet the following qualifications:

Option: If a teacher has accrued a minimum of 20 years full-time teaching experience in the Stratford School District, said teacher may opt to receive the 3-\$5,000.00 bonuses as a single lump sum (\$15,000.00). This sum along with sick leave buy back will be paid to the teacher after January 1 of the year following termination.

- H. A reason shall be given for any payroll deduction.
- I. Teachers requested and agreeing to teach during their planning period will be reimbursed an additional sum equal to one, divided by the number of periods in a regular school day, times their normal contract rate.
- J. Any bargaining unit member who is asked to work additional days beyond the one hundred eighty-five (185) contractual days will be paid an amount equal to one one-hundred-eighty-fifth (1/185) of their normal salary for each additional day. Such additional days shall be approved in advance by the Superintendent.
- K. Any bargaining unit member who is asked to cover class for another teacher shall be paid \$20.00 for each block covered.
- L. The first teacher pay period will be the first regularly scheduled pay period after the first teacher workday as scheduled on the SAU calendar.

ARTICLE VI - INSURANCE PROVISIONS

- A. The Stratford School District shall pay the full cost of **School Care Yellow without Choice** for each full-time unit member up to a premium contribution cap as follows:

Family - \$21,000
2-person - \$15,000

Any cost increase above the district contribution cap to be borne by the employee.

The district agrees to provide those enrolled in the School Care Yellow with Choice Fund plan with a Health Reimbursement Account (HRA) in the following amounts:

Individual = \$1,000

Family = \$2,000 (two or more individuals)

The above amounts will be available annually on July 1st. The HRA can be used for reimbursement of deductibles, co-insurance or eligible out-of-pocket medical expenses, including pharmaceuticals, incurred by the plan enrollee and/or their eligible dependents. There will be no rollover of funds from one year to the next.

- B. Any unit member who is eligible for health insurance and who declines to take it, shall receive a reimbursement payment of \$3,000 for a single plan, \$5,000 for a 2-person plan, or \$6,500 for a family plan, provided that their spouse is not an employee of the District and receives health insurance, in which case they would not be eligible for the payment.

- D. Any member who chooses may buy up to a higher health plan if available.

- F. If the cost of health insurance exceeds a 15% increase from the previous years cost, the remaining years of this multi-year contract will reopen for negotiations. (Example: if in year **2018-2019** our health insurance rates are 22% over **2017-2018**, we will reopen negotiations for years **2019-2020** and **2020-2021**; the same applies if the same thing happens in **2019-2020**).
- G. In the event that a teacher, absent because of illness or injury, has exhausted sick leave accrual, his salary will be discontinued, but the insurance coverage contained herein shall continue throughout the balance of the contract year as defined in Section A, provided the teacher continued to pay his share of any required premium payments.

In the event a teacher has used all accumulated sick days and is absent due to an illness, any teacher may request that some accumulated days from their account be transferred to the account of the ill or disabled teacher. Such request will be submitted, upon the recommendation of the Sick Day Committee, by the Association President to the Superintendent for approval, but no more than thirty (30) days may be transferred by all teachers during one (1) school year. The Sick Day Committee shall consist of three (3) staff members appointed by the Association President. The committee may grant additional days on a case by case basis.

Day of first payment - 31st day of disability

Maximum period - 52 weeks (after 70th birthday-13 weeks)

No simultaneous or dual payments (sick leave, workers comprehensive insurance and A.D.& D). I. The district shall provide the basic Delta Dental dental insurance at the single level for all members of the bargaining unit. Each unit member shall have the option of upgrading the level of dental insurance to two-person or family coverage at his/her own expense.

ARTICLE VII - COURSE REIMBURSEMENT

- A. The sum of up to the cost of a graduate credit at UNH with a cap of \$5,000 per year will be made available, in area of certification, for course, seminar, and workshop reimbursement to teachers under the provisions of this article during this agreement: subject to 50% available each semester (\$2,500) to be prorated equitably throughout the full year, subject to availability of funds.

To be eligible for reimbursement, courses, workshops, and seminars must be approved by the Superintendent in advance of the teacher's registration.

I. Courses:

The district shall reimburse each teacher up to the cost of graduate credit at UNH but not to exceed the actual credit cost, for each approved course successfully completed at an accredited college or university. A maximum of twelve (12) credits per person per year is allowed. Reimbursement provisions will not apply to courses required for initial certification as a teacher. When a grant or an aid is received from a source other than the district, that sum shall be subtracted from the district's reimbursement. Courses taken during the spring and summer sessions will be reimbursed during the thirty (30) day period following the opening of school in September. Courses completed between September 1 and March 31 will be reimbursed upon proof of completion. The teacher must be teaching in the district during the reimbursement period to be eligible for reimbursement.

2. Workshops and Seminars:

The district shall reimburse each teacher for the cost of registration fees for approved workshops and seminars, subject to the availability of funds.

- B. The district shall pay the cost of registration, tuition, and other reasonable expenses incurred in connection with any courses, workshops, seminars, conferences, in-service training sessions, or other such sessions which a teacher is requested in writing by the administration to take when requests are made for reasons other than inadequate performance. The absence of such requests does not relieve professional employees of their obligation to remain knowledgeable about content and methods relative to their assignment.
- C. In order to provide for equitable distribution of funds, money for reimbursement will be set aside when the Superintendent approves the courses to be taken. The School district will provide payment for approved courses when presented with a purchase order from the offering institution with the understanding that the teacher requesting this prepayment option, must also execute a salary reduction agreement at the time of the request for graduate course approval and provide evidence of a passing grade (B or better) within 30 days of the completion of the course either in the form of a transcript or letter on the school's stationery. Failure to comply with these requirements will result in the implementation of the salary reduction agreement. In no case can this be later than June 10th so that accounts can be closed out for the fiscal year. If the teacher

withdraws from the class, he/she must give notice to the District within 15 days. The teacher will be responsible for any money not recovered from the offering institution because of withdrawal. Money for course reimbursement, conferences and workshop registration are subject to the availability of funds, each semester, except for those enrolled in an approved degree program, on a first come first serve basis determined by the Superintendent.

ARTICLE VIII - LEAVES OF ABSENCE

- A. **Sick Leave** - A teacher shall be entitled to use accumulated sick leave, with pay at the rate of one one-hundred-eighty-fifth (1/185) of his annual salary, for illness or physical disability.

Each full-time unit member will accumulate sick leave in accordance with the following:

All full-time unit members shall receive twelve (12) days at the start of the school year. A maximum of ninety (90) days accumulation may be carried forward to the next school year.

No teacher will lose any pay because of the method of crediting sick leave outlined above provided he does not use more than the number of days he is eligible to accumulate by the end of the year.

To be eligible for sick leave payments, where abuse is apparent in the judgement of the Superintendent, a teacher may be required to furnish medical proof of illness or disability.

In the event that a unit member must use sick leave in excess of three (3) consecutive days, the unit member must submit to the Superintendent's office documentation from a doctor's office, clinic, or other medical facility stating the reason for the absence. Repeated short-term absences may also result in a request for physician's certificate of health or illness.

Failure to present a certificate, when required, will mean that the employee will not be paid for sick leave for that absence.

Each Association member will receive with his/her first paycheck in October the number of accumulated sick leave days as of July 1 of the previous school year.

If a teacher works ten consecutive years in the school district (including approved leaves of absences as a consecutive year), when the teacher terminates his or her employment with the district, the school district will buy back up to ninety (90) days of accrued sick leave at the rate of \$55.00 per day for the first thirty (30) days, \$65.00 per day for the next thirty (30) days, and \$75.00 per day for the last thirty (30) days. If notification is given after November 1 and funds are not available, payment will be given the following fiscal year. This method of payment and timing will not be subject to grievance.

- B. **Personal Leave** – Three days of the twelve (12) sick days detailed in Section A will be available upon the approval of the Principal for personal, legal, or business matters which must be conducted during school hours. The Principal will approve a request for a personal day if he/she can obtain adequate substitute coverage for the teacher requesting the leave. Application to the Principal for personal leave shall be made at least two (2) days before taking such leave (except in the case of emergencies). The Principal shall consider requests in the order in which they are received. Personal days cannot be used the day before or after a vacation except in the case of an emergency or if prior approval is obtained from the Principal. Personal leave is non-

accumulative, but any unused personal days at the end of the year will be carried forward as sick days.

- C. **Death in the Immediate Family** - Up to three (3) days at any one time in the event of death of a member of an employee's immediate family (parent, wife, husband, son, daughter, brother, sister, parent-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, grandparents, grandparents-in-law, and grandchildren. Two (2) additional days may be granted if sufficient cause is given to the Superintendent of Schools at any one time in the event of the death of a parent, spouse, child, sibling, grandparent, or grandchild.
- D. **Temporary Leave** - Temporary leave with pay for the purpose of visiting other schools or other educational activities directly related to the improvement of education within the school district may be granted by the Superintendent.
- E. **Childbearing Leave** - Childbearing leave shall be granted to pregnant unit members for disability related to childbirth. The unit member shall notify the Superintendent of her desire to take such leave thirty (30) calendar days prior to the estimated day of the leave's commencement. A pregnant unit member may continue to work as long as she desires, provided she secures, upon request, written approval from a physician certifying her good health. The Board reserves the right to request additional certificates of good health at reasonable intervals, as it deems necessary. The Board further reserves the right to require a certificate of good health from the teacher prior to her return to work.

A bargaining unit member may claim sick leave for disability related to pregnancy, delivery, or postpartum recovery. A unit member claiming sick leave benefits under this paragraph must provide certification from her attending physician that she is disabled as a result of pregnancy.

- F. **Legal Obligations** - A unit member who is called for jury duty or is subpoenaed, and thus is unable to be in school on a contracted day, will be paid his/her per diem rate minus any remuneration received from the court system for his/her services on that day. Any unit member who is a party or is made a party or a witness to a legal action, or whose court appearance is due to other employment will not receive remuneration other than what may be provided through applicable leaves as provided in this Agreement. The unit member shall give the Principal as much reasonable notice as possible of the date or dates that he/she will be required to fulfill this legal obligation.
- G. **Absences** - For all absences other than those specifically authorized in advance by the Superintendent or for which provision is made in A, B, C, D, or E above, a deduction will be made for each day of absence at the rate of one one-hundred-eighty-fifth (1/185) of the teacher's salary.
- H. The district will provide a sick day buyback for bargaining members who have accumulated more than 90 days. The employee will be reimbursed for sick days that they have accumulated above the 90 day carry forward at the rate of \$40.00 per day. The payment will be after the end of the school year (on or before July 15).

- I. A teacher legally adopting or accepting guardianship may use up to ten (10) days of sick leave to finalize the adoption or guardianship providing that the teacher has the sick days available.

Such request shall be submitted to the Superintendent via the Principal for review and determination by the Board. The decision of the Board shall be communicated to the teacher in writing. All leaves which are granted shall be in writing specifying beginning and termination dates of said leave.

After such notice, the School Board will return the teacher to his or her former position for the following school year. A teacher will be given credit for a year of service if during the leave of absence he or she served in the military or engaged in an approved activity which benefits the teacher's ability to teach. The Superintendent may require supporting documentation with respect to the teacher's activities and shall make the determination whether the teacher's service benefits the school district.

Granting of this extension shall be at the discretion of the Board. The unit member shall notify the Superintendent of the desire to take such leave at least sixty (60) calendar days prior to the date of the leave's commencement, except in cases of emergency.

The premiums must be paid to the Superintendent's office on a monthly basis.

ARTICLE XI - LAYOFFS

If it becomes necessary to decrease the number of continuing contract teachers who are full-time due to, but not limited to, changes in the pupil population, curriculum changes, and budget limitations within the school district, the governing body of the school system may lay off the necessary number of employees, by area of certification. As soon as the Board determines that a reduction in force is necessary, the Superintendent shall notify the President of the Teachers' Association of the Board's determination.

For the purpose of this article, classifications are defined as follows: Kindergarten through eighth grade and Special Education.

In identifying which teacher(s) to release, the administration and the Board will consider the following in this order: certification, experience in certified area, degree status, professional development, and the last five years of evaluations. If all the factors are equal, then seniority may be considered in making a final determination. Seniority is defined as the total number of years continuously employed in the District.

If layoffs occur in the elementary grades or Special Education position, the Board may shift the assignments of the remaining elementary teachers to provide the best possible programs. No teacher may be prevented from securing other employment during the period he is laid off under this subsection.

There will be no recall rights for terminated employees. However, the administration may consider the application of terminated employees for such positions which may become available in subsequent years, provided the terminated employee(s) submit a reasonable and timely application at the time the position becomes vacant. A previously employed teacher who returns to a teaching position within a three-year period shall resume employment with prior benefits reinstated only if eligible, at no less than the step occupied when the teaching position previously held was terminated.

ARTICLE XII - DUES DEDUCTION

- A. The Board agrees to deduct from the salaries of its employees dues for the NEA-NH/STA.
- B. The Stratford School District shall not require a payroll deduction authorization other than the "Payroll Office Copy" that is supplied by the NEA-NH/STA as part of the membership application. The "Payroll Office Copy" will state the amount(s) to be withheld. Those who choose continuing deductions shall be required to submit the appropriate form, and the district shall place the form on file. The Payroll Office Copy supplied by the NEA-NH/STA for each member requesting dues deduction must be submitted to the Central Office no later than October 15th each year. No other form will be accepted.
- C. The district shall discontinue such deductions for any school year only if notified by the teacher in writing to do so not later than October 1st each school year. The teachers waive all rights and claims for said monies so deducted and transmitted in accordance with this authorization and relieve the district and all its officials from any liability thereof.
- D. Any Association which changes the rate of its membership dues will give the district notice by October 1st of the year of such change.
- E. Deductions will be made in ten (10) installments beginning with the first check in November, or if requested in writing by the member the total deduction may be made from the final payment in June.
- F. It is recognized that the negotiations for, and administration, of the Agreement entails expenses, which appropriately should be shared by all employees who are beneficiaries of this Agreement. To this end, if an employee in the bargaining unit does not join the Association, such employee will have the option of executing an authorization for the deduction of a "representation fee" which shall be the sum equivalent to the membership dues and assessments required to be paid by the members of the Association, which sum shall be retained for a scholarship fund. Employees who choose not to authorize the District to deduct the representation fee shall be responsible for full payment of the representation fee by May 1st of that school year. The committee to award the scholarship shall be made up of two administrators, two members of the Association, and one member of the "representation fee" group. The scholarship shall be given in the name of the Stratford Teachers' Association.

ARTICLE XIII- SAVINGS CLAUSE

If any article or part of this agreement is held to be invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any article or part should be restrained by such tribunal, the remainder of the agreement shall not be affected thereby and the parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or part.

ARTICLE XIV - GRIEVANCE PROCEDURE

Definition:

A grievance shall mean a complaint by a teacher that there has been to him/her a personal loss or injury as a result of a violation or misapplication of any of the provisions of this agreement.

The following matters are excluded from grievance:

- A. Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education; or
- B. A complaint of a probationary teacher which arises by reason of his not being re-employed; or
- C. A complaint by any certified personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in, any position for which a continuing contract either is not possible or is not required; or
- D. Any matter which, according to law, is either beyond the scope of Board authority or limited to unilateral action by the Board alone.

It is understood that any employee shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board and the administration. A grievance to be considered under this procedure must be initiated in writing by the employee within twenty (20) days of its occurrence.

Procedure:

Step 1: Any teacher who has a grievance shall discuss it first with his Principal (department head or other immediate superior, as applicable) in an attempt to resolve the matter informally at that level. The immediate superior shall communicate his/her decision in writing to the grievant within five (5) school days.

Step 2: The grievant may appeal the decision to the Principal within five (5) school days after receipt of the decision of the immediate superior. The appeal to the Principal must be made in writing specifying:

- a. The nature of the grievance,
- b. The nature and extent of the injury or loss claimed,
- c. The results of previous discussions of the grievance,
- d. His dissatisfaction with decisions previously rendered,
- e. The remedy sought.

The Principal shall attempt to resolve the grievance with the grievant as quickly as possible, but within a period not to exceed five (5) school days from the receipt of the appeal. The Principal shall communicate his decision in writing to the grievant and to the immediate superior involved at the previous step of the grievance procedure.

Step 3: If the grievance has not been resolved to the grievant's satisfaction at Step 2, he may appeal his grievance to the Superintendent in writing within five (5) school days, specifying the information required in (a) through (e) Step 2.

The Superintendent shall review the facts in the case and the decisions rendered at previous steps in the grievance procedure and shall, within ten (10) school days of receipt of the appeal to this level, meet with the grievant and communicate his decision in writing to the grievant and to the administrator involved at the previous steps of the grievance procedure.

Step 4: If the grievance is not resolved to the grievant's satisfaction at Step 3, he may request a review by the Board. Such requests must be made within five (5) school days after receipt of the Superintendent's decision at Step 3, and shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and, at its option, may, or at the request of the grievant, shall hold a hearing with the grievant. Within twenty (20) school days of the receipt of the appeal, or within twenty (20) school days after the date of the hearing, if held, whichever comes later, the Board shall render a decision in writing and forward copies of the decision to the grievant and to the administrators involved at the previous steps of the grievance procedure.

Step 5: If the grievance is not resolved to the grievant's satisfaction at Step 4, he may submit the issue to arbitration. Arbitration shall be advisory only. The following procedure shall be used to secure the services of an arbitrator:

- a. The parties will attempt to agree upon a mutually satisfactory third party to serve as an arbitrator. If no agreement is reached within five (5) calendar days, the American Arbitration Association will be notified and requested to submit a roster of persons qualified to function as an arbitrator.
- b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they shall request the American Arbitration Association to submit a second roster of names .
- c . If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.

- d. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He shall be bound by and must comply with all the terms of this agreement. He shall have no power to add to, delete from, or modify in any way any of the provisions of this agreement. The recommendations of the arbitrator shall be advisory only.
- e. The Board, the aggrieved, and the Association shall receive copies of the arbitrator's report. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearing.
- f. After due consideration of the arbitrator's recommendations for settlement of a grievance, the Board of Education shall make a decision on the issue and so advise the grievant and the Association in writing.
- g. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision and acceptance of the decision rendered at that step.

A teacher may be represented at all stages of the grievance procedure by himself, at his option, may also have a representative of the Association present to represent him/her.

The Board and the Association shall assure that all persons involved in the processing of a grievance shall not be restrained, coerced, or otherwise interfered with in the exercising of their rights under the grievance procedure.
