- 14.4 Flexible Spending: The Board shall make flexible spending accounts available to employees in the bargaining unit.

ARTICLE 15 – OTHER BENEFITS

- 15.1 Education Benefit: The School District will pay up to \$200 per school year for each employee in benefit category B-1, B-2 or B-3 to take courses and workshops that are job-related and approved in advance by the Superintendent or his/her designee. Additional support for courses and workshops may be available on a limited basis, subject to the Superintendent's approval.
- 15.2 Retirement Incentive: Employees in benefit category B-1, B-2 or B-3 who have completed at least 20 years of full-time equivalent service in the School District and who are at least 55 years of age shall be eligible for this retirement incentive program. Employees must submit notice of their intention to retire under this program to the Superintendent no later than January 1 of the last full school year of employment. Under extraordinary circumstances, a maximum of one employee per school year may withdraw such notice or submit such notice after January 1. If more than one employee in a school year seeks to withdraw or submit such notice after January 1, the employee who shall be permitted to withdraw or submit such notice shall be the first employee who notifies the Superintendent in writing of extraordinary circumstances that justify the late withdrawal or submission. The amount of the retirement incentive shall equal 1.25% of the employee's last annual wages times the number of full-time equivalent years of service in the School District; however, in no event shall the amount paid exceed 45% of the employee's last annual wages. The retirement benefit shall be paid as a one-time lump sum in or before August following the date of the employee's retirement.
- 15.3 Severance Pay: When an employee leaves the School District's employment, the employee may redeem unused sick leave at the following rates:

After Completing 10 Years of Service After Completing 15 Years of Service

\$15 per day

\$20 per day

In no event may employees redeem more than the maximum number of sick days that may be accumulated under Section 10.1. The benefit shall be payable in the employee's final paycheck after the employee leaves the School District's employment.

ARTICLE 16 – DUES AND DEDUCTIONS

- 16.1 Upon individual written authorization by an employee who is a member of the Union, the District agrees to deduct from the pay of such employee the current Union dues, as certified to the District by the Treasurer of the Union. Said deductions shall be made each pay period in which the employee's paycheck is large enough to satisfy the deduction. The District shall forward the amount so collected to the Union at least once per month. Such deduction authorization will be continued each year thereafter unless notification is received from the employee in writing by the Union and Superintendent or designee between June 1st and June 30th in any year for the upcoming school year.
- 16.2 Should there be a dispute between an employee and the Union over the matter of deductions, the Union agrees to defend, indemnify and hold harmless the District in any such dispute.

ARTICLE 17 – REDUCTION IN FORCE

- 17.1 The Board and administration shall have the authority to determine the number and qualifications of employees.
- 17.2 In the event the Board and administration determine that it is necessary to conduct a reduction in force, the administration shall initially attempt to determine the number of possible resignations and retirements in a good faith effort to avoid potentially unnecessary layoffs.
- 17.3 If further reduction in force is necessary, the administration shall choose employees for layoff based upon assessment of the employee's ability, qualifications, experience and performance. If all these factors are relatively equal in the judgment of the Superintendent or his/her designee, the employee(s) with the least seniority shall be laid off first. Prior to a final decision, affected employees may submit a written presentation regarding the aforementioned factors to the Superintendent or his/her designee.
- 17.4 "Seniority" shall be calculated from the date that an employee commenced his/her current term of continuous employment by the School District in a position in this bargaining unit.
- 17.5 For up to 15 months after lay off, the District shall consider laid off employees for recall to positions from which they were laid off. If the administration concludes that a laid off employee and an external candidate are approximately equally qualified for such a position, the laid off employee will be offered the position. If a laid off employee is offered a position and does not accept it within five (5) business days, he/she shall be removed from the recall list.

ARTICLE 18 – MISCELLANEOUS

- 18.1 An employee may review documents in his/her personnel file during regular business hours with at least three (3) business days of advance notice to the Superintendent or his/her designee. The employee may, if he/she wishes, have a representative of the Union accompany him/her during review of the personnel file and may request copies of

documents in the file. An employee may respond in writing to material contained in his/her personnel file, and such response shall be made part of the file.

- 18.2 Employees shall not be required to use personal equipment on school premises.
- 18.3 When a position in this bargaining unit is vacant, the Superintendent or his/her designee will post notice of the vacancy in each school. The posted notice will include the job title, pay range, expected work location and a general description of requirements for the position. Posted notices of vacancies shall remain on display for at least five (5) calendar days. Current employees who apply to transfer to a posted position shall be given an opportunity to interview for the vacancy if the administration concludes that they are qualified for the position and they apply in accordance with the terms of the posting.

ARTICLE 19 – SEPARABILITY

- 19.1 If any provision of this Agreement is held to be contrary to law, all other provisions shall continue in force and effect. In such instance, The School Board and the Union shall meet within a reasonable amount of time of such legal determination for the purpose of negotiating possible modifications to the Agreement.

ARTICLE 20 – DURATION

- 20.1 This Agreement shall be in full force and effect from July 1, 2014 through June 30, 2015.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed by their respective President and Chairperson.

APPENDIX B – DISABILITY BANK

1. Definitions

Disability- A medical condition, physical or mental, which causes one to be unable to perform his/her contractual obligation for a period of twenty (20) contract days or more.

Disability Bank- A pool of paid leaves that may be drawn upon after any and all individually accumulated sick days have been exhausted.

2. Establishment of Bank

The bank will be established the first workday of each school year, allowing carryover from the previous year, if such carryover exists, so that the pool could reach a minimum of four hundred (400) days. If the carryover from one year does not drop below two-hundred fifty (250) days by September 1 of next year, members will not be required to contribute one of their individually authorized sick leave days to the pool. If the total number of days in the disability bank pool drops below two hundred-fifty (250) days, all members of the full unit with at least one year full service to the district will contribute one of their individually authorized sick leave days on the first work day of the next school year. In the event the bank is depleted during the year, one additional sick day will be taken from each member.

3. Board of Review

A Board of Review will be established to determine the assignment of days from the pool. The Board shall only have control over the assignment of extended disability leave benefits from the pool. The Board of Review shall consist of:

- The TSSU President or designee;
- Additional designee by the TSSU;
- The Superintendent of Schools or his/her designee; and
- The School Board Chairperson or his/her designee.

4. Distribution of Benefits

Members of this unit with at least one year of the service to the District may apply for a number of days consistent with a one-for-one match of their individual sick leave accumulation as of the end of the previous contract year brought forward to the year of the onset of disability. The combined benefit of accumulated personal sick leave and disability bank leave may not exceed one hundred-eighty days and may carry over from one contract year to another. Employees with less than one full year of service in the District will not be required to contribute one of their individual accumulated sick leave days to the disability bank. The Board reviews the right to request re-application and documentation from anyone requesting more than forty (40) days from the pool. Any benefits will be minus other insurance coverage (i.e. worker's compensation, social security, etc.).

5. Worker Protection

The District will allow unit members to be reimbursed up to three (3) sick days from the Disability Bank for injuries that occur at the worksite or in the off-site performance of their duties not covered under other benefits.
