ARTICLE 1
RECOGNITION

[1.1] BARGAINING UNIT REPRESENTATIVE

Pursuant to the provisions of 273-A of the New Hampshire Revised Statutes Annotated, the Timberlane Regional School District ("District") recognizes the Timberlane Teachers' Association ("Association"), Local 4796, AFT/NH, AFL-CIO as the exclusive representative of the Bargaining Unit.

[1.2] BARGAINING UNIT DEFINITION

The Bargaining Unit consists of professional employees of the Timberlane Regional School District including school nurses and professional employees whose positions require certification by the State Board of Education and/or by an appropriate New Hampshire State board or agency as a professional engaged in classroom teaching, to include specialists such as art, music, physical education, industrial arts, guidance counselors, educational strategists, school psychologists, associate school psychologists, speech therapists, occupational therapists, behaviorists, physical therapists, reading consultants, and librarians (media generalists).

[1.3] BARGAINING UNIT EXCLUSION

Superintendents, assistant superintendents, principals, assistant principals, department heads, district coordinators, district directors, business administrators, persons employed by the State Board of Education, or teaching principals, and teachers who are employed for less than a fifty percent (50%) work schedule, are excluded from the negotiation unit and from this definition of professional employees.

[1.4] NEW POSITIONS

In the event the School Board adds new positions to the School District, which are in question as to whether or not they are appropriate to the Bargaining Unit; it shall be resolved by the PELRB.

[1.5] DUTY OF FAIR REPRESENTATION

The Association agrees to equally represent all professional employees in the unit designated above without discrimination and without regard to membership in the Association.

ARTICLE 2
JURISDICTION AND AUTHORITY OF THE SCHOOL BOARD

[2.1] BOARD AUTHORITY

The Board, subject only to the language of this Agreement, reserves to itself full jurisdiction and authority over matters of policy and retains the right in accordance with applicable laws and regulations to direct and manage all activities of the School District.

[2.2] RESERVATION OF AUTHORITY

The parties understand that the Board may not lawfully delegate the power or authority which, by law, is vested in it, nor may the Superintendent lawfully delegate the power or authority which, by law, is vested in him, and this Agreement shall not be construed so as to constitute a delegation of the power or authority of either.

ARTICLE 3
NEGOTIATION PROCEDURE

[3.1] NOTICE OF INTENT TO NEGOTIATE

Should either party desire to negotiate a new schedule of salaries and salary related employee benefits for the school year following expiration of this Agreement, it shall notify the other party at least twelve (12) months prior to expiration, and the parties shall meet within thirty (30) days or sooner after the notification for the purpose of submitting salary and/or employee benefit proposals.

[3.2] COST ITEMS

All cost items shall be submitted to the Timberlane Regional School District Meeting in accordance with RSA 273-A:3Ib. The Board shall make a good faith effort to secure the funds necessary to implement said Agreements. If such funds are not forthcoming, the Board shall consult with the Association, with respect only to the matters affected thereby, in order to determine whether any portion of the provision previously agreed to by the parties, may be implemented. If agreement is not reached by the budget submission date, it is recognized that the Board, in the course of meeting its statutory obligations and responsibilities, must submit to the Timberlane Budget Committee such proposals of an economic nature as appear suitable at the time and under prevailing circumstances.

[3.3] MODIFICATIONS TO THE AGREEMENT

For the duration of this Agreement, the Board agrees not to negotiate with any teachers' group or association other than the designated unit in regard to any matter subject to negotiation under Article 1 of this Agreement. However, this provision shall not prevent the Board from communicating or consulting with any individual teacher or group of teachers for any purpose the Board shall deem desirable in the discharge of its responsibilities nor shall it preclude any teacher from appearing before the Board in his/her own behalf on matters relating to his/her employment by the Board. However, the Board recognizes that this Contract cannot be altered for members of the Bargaining Unit without specific written agreement between the Board and the Association.

ARTICLE 4 **GRIEVANCES**

[4.1] DEFINITION

This article provides for an orderly and sole procedure for the processing of employees and School Board grievances pertaining only to the interpretation or application of express provisions of this Agreement. The Board encourages the Association to pursue issues not grievable under this contract through the regular chain of command. The negotiated grievance procedure may not and shall not cover any matter for which statutory appeals procedures exist. Questions as to the interpretation of published Board policies and regulations, provisions of law, or policies and regulation of appropriate authorities outside the Board shall not be subject to the negotiated grievance procedure regardless of whether such policies, laws, or regulations are quoted, cited, or otherwise incorporated or referenced in this Agreement.

[4.1.1] BUSINESS DAYS

Business Days for purposes of Article 4 shall mean Mondays through Fridays, excluding legal holidays and school vacations other than summer vacation.

[4.2] TIME LIMITS

A grievance to be considered under this procedure must be presented to the second party within fifteen (15) business days of its occurrence, or within fifteen (15) business days of when the first party should have reasonably known of its occurrence. Once the grievance is being considered, the failure of the aggrieved party to appeal a decision, or lack of a decision, rendered at a given step in the procedure to the next step within the specified time limit constitutes explicit acceptance of the decision and is a waiver of further appeal of said decision. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. The time limits specified may, however, be extended by mutual agreement, in writing. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the year, the time limits set forth herein may be reduced by mutual agreement, in writing, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practical.

[4.3] REPRESENTATION

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. The employee, by his/her request, may be accompanied by a representative of the Association at any step of the grievance procedure. It is understood that the employee shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board and administration until such grievance and any effect thereof shall have been fully determined. The following grievance procedure applies to individual employees.

[4.4] INFORMAL PROCEDURE

An employee shall first take up his/her grievance informally with the Principal. The Principal shall meet with the employee and attempt to resolve the grievance. The employee shall notify the Principal that their discussion constitutes the informal procedure of the grievance process. The Principal must render his/her decision within five (5) business days of the meeting.

[4.5] FORMAL PROCEDURE

[4.5.1] Step 1

If the matter is not resolved by written or verbal response to the satisfaction of the employee, he/she shall set forth his/her grievance in writing to the Principal, within five (5) business days, specifying: (a) the nature of the grievance and date occurred; (b) the specific language in this Agreement that allegedly was breached; (c) the nature and extent of the injury, loss, or inconvenience; (d) the results of previous decisions; and (e) his/her dissatisfaction with the

decisions previously rendered. The Principal shall communicate his/her decision to the employee, in writing, within five (5) business days of receipt of the written grievance.

[4.5.2] Step 2

If no satisfactory settlement is reached through the informal procedure, the employee, no later than ten (10) business days after receipt of the Principal's decision, may appeal the Principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made, in writing, reciting the matter submitted to the Principal, as specified above, and the employee's dissatisfaction with decisions previously rendered. The Superintendent shall meet with the employee and Principal to attempt to resolve the matter as quickly as possible, but within a period not to exceed five (5) business days. The Superintendent shall communicate his/her decision, in writing, to the employee and the Principal, within ten (10) business days after the meeting.

[4.5.3] Step 3

If the grievance is not resolved to the employee's satisfaction, s/he may request a review by the School Board, no later than ten (10) business days after receipt of the Superintendent's decision. The request shall be submitted, in writing, through the Superintendent of Schools who shall attach all related papers and forward the request to the School Board within three (3) business days. The School Board shall review the grievance and shall hold a hearing with the employee, within thirty (30) business days of notification, and render a decision, in writing, within twenty (20) business days of the hearing by the School Board.

If the decision of the School Board does not resolve the grievance and the Association determines that the matter should be reviewed further, it shall, in writing, so advise the Board through the Superintendent within fifteen (15) business days of receipt of the Board's decision. The Association may then initiate a request for arbitration under the procedure set forth in section 4.5.3 herein, within thirty (30) business days of notice.

If the parties disagree as to the meaning or interpretation of any of the provisions of this Agreement, either party may utilize the grievance procedure set forth in Article 4 in order to resolve said dispute. The moving party will notify the other party of its grievance, in writing, and following the response to the grievance; the moving party may then initiate a request for arbitration.

No matter shall be considered a proper subject for arbitration or be subject to the arbitration provision set forth herein, if it pertains to (a) any matter for which a specific method of review is prescribed by law, or (b) any rule or regulation of the State Commissioner of Education, or (c) any by-law of the Board pertaining to its internal organization, or (d) any matter which, according to law, is either beyond the scope of Board authority or limited to unilateral action by the Board alone, or (e) a complaint of a non-continuing contract teacher as defined by RSA 189:14a which arises by reason of his/her not being re-employed, or (f) a complaint by any certified personnel occasioned by appointment to or lack of appointment to, retention in, or lack of retention in any position for which continuing contract status is either not possible or not required.

Such request can be honored only if the Association waives the right, if any, in writing, of said Association to submit the underlying dispute to any other administrative or judicial tribunal except for the purposes of enforcing the arbitrator's award.

[4.5.4] Step 4

Procedure for Securing the Services of an Arbitrator - The following procedure will be used to secure the services of an arbitrator:

A request shall be made to the American Arbitration Association (AAA) to submit a roster of persons qualified to function as arbitrators in the dispute in question. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they shall request the American Arbitration Association to submit a second roster of names.

If the parties are unable to determine, within ten (10) business days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.

The hearing before the arbitrator will be held within thirty (30) calendar days or as soon as possible. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. S/he may add nothing to nor subtract anything from the Agreement between the parties. The findings of the arbitrator shall be final and binding.

Only the School Board and the aggrieved and his/her representative shall be given copies of the arbitrator's report. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearing.

The School Board and the Association shall assure all parties freedom from restraint, interference, coercion, discrimination, or reprisal in presenting their appeal with respect to their personal grievances.

[4.6] COSTS

Each party shall bear the total cost incurred by itself.

All fees or costs paid to the AAA, except for the filing fee of the initiator, if any, are the only costs which will be shared by the two parties and such costs shall be shared equally.

[4.7] EXPEDITIOUS RESOLUTION

Judgment to process a grievance under this provision shall not indicate agreement as to the validity of the grievance, but only that the parties view such action as an expeditious means of resolving said grievance.

The School Board and the employee recognize and endorse the importance of bringing to light and adjusting grievances promptly. The initiation of a grievance, in good faith by an employee, will not cast any reflection on his/her standing with the Administration or his/her loyalty and desirability to the District nor will the grievance be considered as a reflection on the Administration or the School Board.

ARTICLE 5 LEAVES OF ABSENCE

[5.1] PERSONAL ABSENCE

Up to three (3) personal days shall be granted to each employee each school year for personal, family, religious or legal business, which requires the employee's absence and cannot be conducted outside school hours. The employee shall not be required to specify the reason for personal days. The employee shall give the building principal at least two (2) calendar days advance notice that a personal day is needed, except in the case of an emergency. The maximum number of personal days which may be used on the same day is two (2) at Sandown Central, three (3) at Danville Elementary School, and four (4) at Atkinson Academy, Pollard Elementary School, Sandown North Elementary School and five (5) at the Middle School and High School. Personal days may not be utilized on the contract day before or the contract day after a vacation, holiday or other leave, except in the case of an emergency. A personal day shall not be recreational in nature.

[5.2] SICK LEAVE

[5.2.1] ACCUMULATION

On the first work day of each calendar month, each employee shall be granted paid sick leave due to personal illness at the rate of one and one-half (1.5) days per calendar month to a maximum of fifteen (15) days per year. Up to fifteen (15) sick leave days per year, or more at the Superintendent's discretion, may be used for family illness. Family illness shall mean illness of the employee's parent, spouse, child or other person who resides in the employee's household. Sick leave days shall accumulate up to one hundred twenty (120) total days. Salary settlements will incorporate the 1.5 days per month concept. Sick leave may be taken in quarter (1/4) day increments.

[5.2.2] EVIDENCE OF DISABILITY OR SICKNESS

The Superintendent may make reasonable demands for satisfactory evidence of a disability or sickness, including a second opinion from a mutually agreed to physician, at District expense, in those cases involving more than five (5) continuous days.

[5.2.3] BENEFITS ON LEAVE

No combined employee benefits (sick leave, disability leave, workers' compensation, or jury duty) will allow a teacher to gain in excess of 100% of existing daily rate of salary. If an employee is eligible to receive workers' compensation, the District's obligation to pay sick leave benefits shall be reduced by the amounts actually received from workers' compensation benefits. The employee's assessed sick leave time will be prorated in accordance with the workers' compensation contribution.

[5.3] DISABILITY BANK

[5.3.1] DEFINITIONS

Disability - A medical condition, physical or mental, which causes one to be unable to perform his/her contractual obligation for a period of twenty (20) contract days or more.

Disability Bank - A pool of paid leave days that may be drawn upon after any and all individually accumulated sick leave days have been exhausted.

[5.3.2] ESTABLISHMENT OF BANK

The bank will be established the first work day of each school year, allowing carry-over from the previous year, if such carry-over exists, so that the pool could reach a maximum of one thousand (1,000) days. If the carry-over from one year does not drop below four hundred (400) days by September 1, of the next year, members will not be required to contribute one of their individually authorized sick leave days to the pool. If the total number of days in the disability bank pool drops below four hundred (400) days, all members of the full unit with at least one full year of service to the District will contribute one of their individually authorized sick leave days on the first work day of the next school year.

[5.3.3] BOARD OF REVIEW

A Board of Review will be established to determine the assignment of days from the pool. This Board of Review shall only have control over the assignment of extended disability leave benefits from the pool. The Board of Review shall consist of:

- The President of the Timberlane Teachers' Association or his/her designee;
- The Association Building Representative of the employee in question, or a member of the unit chosen by the applicant;
- The Building Principal of the employee in question;
- The Superintendent of Schools or his/her designee;
- The School Board Chairman or his/her designee.

[5.3.4] DISTRIBUTION OF BENEFITS

Members of this unit with at least one year of service to the District may apply for a number of days consistent with a one for one match of their individual sick leave accumulation as of the end of the previous contract year brought forward to the year of the onset of the disability. The combined benefit of accumulated personal sick leave and disability bank leave may not exceed two hundred forty (240) days and may carry over from one contract year to another. Teachers with less than one full year of service in the District will not be required to contribute one of their individual accumulated sick leave days to the disability leave bank. The Board of Review reserves the right to request reapplication and documentation for everyone requesting more than fifty (50) days from the pool. Any benefits will be minus other insurance coverage (i.e. workers' compensation, Social Security, etc.).

[5.3.5] WORKER PROTECTION

The District will allow unit members to be reimbursed up to three (3) sick days from the Sick Bank for injuries that occur at the work site or in the off-site performance of their duties not covered under other benefits.

[5.4] MATERNITY/CHILDBEARING LEAVE

Maternity/Childbearing Leave shall be granted without pay upon proper notification to the Superintendent. The teacher shall request such leave, in writing, at least two (2) months in advance of the expected date of delivery. The request shall include (a) the expected date of termination of employment (b) the estimated date of delivery, and (c) the expected date of return to employment. Return from leave must coincide with the day on or after the successful post partum examination by the teacher's attending physician. Accumulated sick leave may be used prior to the commencement of an approved child rearing leave for documented disability time. A teacher who is pregnant may continue in active employment until as late into her pregnancy as she desires, provided, any determination relative to her ability to continue or not continue will be based on competent medical evidence. Once the maternity/childbearing leave has expired, the District will provide job placement in the same position or in a similar position in which the employee is certified/licensed.

[5.5] CHILD REARING/PATERNITY/FOSTER AND ADOPTED CHILDREN LEAVES

Child rearing leave of one year shall be granted without pay or other benefits except as stated in the following paragraph to teachers with two (2) years of service with the School District. The teacher shall request such leave, in writing to the Superintendent, two (2) months in advance of the expected date of delivery. The request shall include (a)

the expected date of the leave, (b) the expected date of return to employment, and (c) expected delivery date. As much notice as possible of leave for acceptance of foster children or the adoption of children will be given by the employee. Once the leave has expired, the School District will provide job placement in either the same position or in a similar position or in a position in which the employee is certified. Return from leave must coincide with the start of one of the four (4) quarters of the school calendar. Any change in the date of return shall require prior approval of the Superintendent. Such approval will not be unreasonably denied. In the event unforeseen circumstances occur surrounding the birthing process, said teacher shall be allowed to return to employment at the completion of the recovery/recuperation. Any employee who works two (2) or more complete quarters during one (1) contract year will be eligible for advancement consistent with the next step on the salary schedule for the following year, plus any school improvement pay. Teachers returning from child rearing leave will retain their benefits earned prior to the commencement of their leave. Teachers already enrolled in the District medical program will be continued in that program through the calendar month following the month they begin the approved leave. Beyond this, teachers may elect to continue the group health and life insurance coverage at their own expense during the term of their leave.

[5.6] BEREAVEMENT LEAVE

An employee shall be granted reasonable absences because of death in his/her immediate family with pay, not to exceed four (4) days per bereavement. In determining reasonable absence, consideration shall be given to the relationship of the employee to the deceased, the responsibility of the employee for making funeral arrangements and the distance traveled. A fifth day with pay, requested by virtue of distance, may be granted at the discretion of the Superintendent. An employee's immediate family shall be considered as husband, wife, domestic partner who resides in the employee's household, child, stepchild, parent, stepparent, sibling, stepsibling, mother-in-law, father-in-law, sister-in-law, brother-in-law, grandparents, grandchildren, son-in-law and daughter-in-law. For other persons residing in the same household the employee shall be granted bereavement leave not to exceed four (4) days. An employee shall be granted reasonable absences with pay because of the death of his/her uncles, aunts, first cousins, nieces and nephews, not to exceed two (2) days per bereavement. Additional consideration for bereavement leave shall be granted at the discretion of the Superintendent of Schools in those cases not considered immediate family.

[5.7] SABBATICAL LEAVE

[5.7.1] NUMBER GRANTED

Sabbatical leave for approved full-time study, or for other approved educational activities, will be available to as many as three (3) members of the unit each year, provided the granting of such leave will not, in the opinion of the Superintendent and Board, impair the effectiveness of instruction within the educational system.

[5.7.2] ELIGIBILITY

To be eligible for Sabbatical Leave, a professional employee shall have been employed in a professional capacity by the Timberlane Regional School District for at least seven (7) consecutive years.

[5.7.3] LEAVE OPTIONS

Sabbatical Leave may be granted for one (1) school year at a fifty percent (50%) rate of pay and fifty percent (50%) insurance benefit for the period of absence provided the recipient is enrolled in a full-time approved program as defined by the institution the teacher is attending. Payment for professionals on sabbatical leave will be bi-weekly and distributed in accordance with current payroll procedures. No other salary-related benefits shall be provided during the sabbatical leave.

[5.7.4] APPLICATION PROCEDURE

An eligible professional employee desiring to apply for sabbatical leave shall file a preliminary request for sabbatical leave and a plan for the use of such leave with the Superintendent and the School Board no later than November 15 of the preceding year. A final request for sabbatical leave shall be filed no later than April 30 of the calendar year in which the sabbatical leave is to commence.

[5.7.5] WRITTEN REPORT OF ACTIVITY

Upon completion of the sabbatical leave, the Superintendent and the School Board will require a professional employee to complete a written report describing the manner in which the leave was used and the educational value received.

[5.7.6] REQUIRED SERVICE

[6.1] LAYOFF/RELEASE

When, in the discretion of the School Board, a reduction in professional certified staff is required, such reduction shall be accomplished as follows: The schedule for release of personnel shall be by program and/or school. Probationary personnel shall be released first, unless the layoff means loss of program. Personnel with more than three (3) years of experience (hereinafter called "experienced") with the District shall be released secondly, except that the Board reserves the right to defer to Article 3 when seniority procedures would mean loss or diminishment of program.

The release of experienced staff will consider seniority first, but will defer to the following criteria when seniority procedures would mean loss or diminishment of program:

- a. Certification
- b. Highly qualified teacher status (if applicable)
- c. Academic preparation
- d. Professional growth
- e. Job performance
- f. Experience in certified area and/or job classification (elementary, secondary, special services)

The teacher then must present evidence of registration for the class within fourteen (14) days of the first class session or the encumbrance will be made available to other members of the unit on a first come, first serve basis according to the date of application. Reimbursement will be made upon the employee's presentation to the Superintendent of evidence of completion of the course with a grade of "B" or better and a receipt from the Bursar's office indicating tuition charges made. There shall be no reimbursement for a grade of B-.

When a course is approved and commenced in one contract year, but evidence of the grade and tuition charges are present in the next contract year, the reimbursement will be applied against the annual allocation under Section 7.1.4 for the contract year during which the course was approved and commenced.

The pool of money available to cover the expense of these visits, workshops, institutes and/or conferences will be as follows: \$45,000 each year. The pool shall be allocated to each District school on a per-capita basis.

**ARTICLE 8
INSURANCE PROTECTION**

[8.1] HEALTH INSURANCE

[8.1.1] PLAN

A. The Board shall offer to an employee the following medical insurance benefits as defined by New Hampshire Health Trust: HMO Blue-New England20, AB20, ABSOS 20/40 IK DED, or a different plan that the parties mutually agree is equivalent. All plans except for ABSOS 20/40 ID DED shall provide for \$20 office visit co-payments, \$100 emergency room co-payments, and 10/20/45 prescription coverage.

[8.1.2] DISTRICT CONTRIBUTIONS

Beginning with the 2016-17 contract year:

The District’s contribution to health insurance premiums shall be:

	<u>HMO-B-NE</u>	<u>AB20</u>
Single	85%	85%
2-Person	85%	85%
Family	85%	85%

The District’s contribution to the health insurance premiums for ABSOS 20/40 IK DED shall be 100% of the single, two-person or family plan.

[Please note: It is understood that an employee currently on the Lumenos Plan may enroll in any of the offered plans.]

[8.1.3] CADILLAC TAX AVOIDANCE

The District and the TTA recognize that the federal Affordable Care Act (ACA) contains provisions that will impose a tax on health insurance benefits that exceed certain parameters defined in the ACA. The District and the TTA mutually agree that they will each benefit from assuring that the health insurance benefits described herein do not subject the TTA, any plan administrator, insurer, risk pool or plan participant, that provide or participate in the health insurance benefits, to the so-called “Cadillac Tax.” Accordingly, the District and the TTA agree that in the event that either becomes aware that application of the ACA or any amendments thereto, will subject the District, or any plan administrator, insurer, risk pool or plan participant to the so-called “Cadillac Tax” in a current or in the following plan year, they shall follow the procedure described below. The District and the TTA further agree that if any portion of the parties’ negotiated health insurance plan will not be in compliance with any provisions of the ACA, as it may be amended, during a current or the following plan year, shall also follow the procedure below:

- a. It is agreed that the District and TTA may immediately reopen this Agreement solely for the purpose of negotiating any changes in the health insurance plan that may be necessary to avoid the application of the Cadillac Tax to the District or any plan administrator, insurer, risk pool or plan participant, or to assure that the plan is legally compliant. An initial bargaining session shall be held within ten (10) business days of a request to reopen, unless another schedule is agreed to by the parties. The District shall assist the TTA in obtaining plan design and pricing information from insurance providers.

- b. If within ninety (90) days of either party's request to reopen this Agreement, the parties are unable to agree on changes in the health insurance plan necessary to avoid the Cadillac Tax and/or achieve legal compliance, then the issue shall be submitted to expedited binding interest arbitration. The interest arbitration shall proceed as follows:
1. The parties agree that the special nature of this issue may require an arbitrator with specific knowledge of the ACA; therefore, the parties will make every effort to mutually agree on an arbitrator with such specialized knowledge. If the parties cannot agree upon an arbitrator, an arbitrator shall be selected using the procedures described in Section 4.5.4.
 2. The interest arbitration hearing shall be held no later than thirty (30) days after either party declares that the reopened negotiations on health insurance are at impasse, unless otherwise agreed to by the parties.
 3. The District and the TTA shall each submit to the selected arbitrator a proposal for modifying the negotiated health insurance and such proposals may include a modification to the plan(s), contributions to the premium and/or related health costs. . The District and the TTA shall exchange their proposals not less than ten (10) days prior to the arbitration hearing.
 4. The arbitrator shall be empowered to select either the District's proposal or the TTA's proposal ("final offer" arbitration) and is expressly not empowered to fashion his or her own modifications to the negotiated health insurance plan.
 5. In selecting between the District's and the TTA's proposals, the arbitrator shall consider only the following criteria:
 - i. That the modification avoids the application of the Cadillac Tax and to the District or any plan administrator, insurer, risk pool or plan participant, that provides or participates in the health insurance benefits, and/or assures that the plan is legally compliant;
 - ii. That the modification does not increase the employee percentage contribution to health insurance premiums;
 - iii. That the modification does not make material alterations in the scope of coverage. "Material alterations" shall not include changes in office co-pays, deductibles or prescription drug plans.
 6. Considering the factors described in paragraphs 5(i)-(iii), the arbitrator shall select, as between the District's and TTA's proposal, the alternative that achieves the necessary result while differing the least from the negotiated health insurance benefit.
 7. Nothing herein shall be construed as requiring the District or the TTA to submit any other dispute that may arise between them to interest arbitration or binding arbitration.
 8. Should this Agreement expire without a successor Agreement approved by the parties, this Section 9.1.3. and the process described herein, shall remain in effect until a successor Agreement is reached.

[8.1.4] MEDICAL INSURANCE BUY-OUT

Each year that an employee elects not to be insured by the plan offered herein by the District and provides documentation that he/she has obtained alternate insurance that is not subsidized (e.g., is not subsidized through the Patient Protection and Affordable Care Act), he/she shall receive an annual bonus in the amount of \$500 minus any penalty imposed on the District because the employee receives an insurance subsidy (e.g., under the Patient Protection and Affordable Care Act)."

[8.1.5] MEDICAL INSURANCE PLAN CHANGE ONE-TIME PAYMENT

If an employee is insured under Blue Choice-New England or Blue Choice-New Hampshire for one contract year, and is insured under Matthew Thornton HMO or Lumenos for all of the next contract year, the employee shall receive a one-time payment equal to \$750 if the employee was on Blue Choice single coverage, \$1,000 if the employee was on Blue Choice two-person coverage, or \$1,250 if the employee was on Blue Choice family coverage. Should employment terminate as of the close of school in June, insurance coverage shall remain in effect at District expense according to the terms of sections 8.1, 8.2, and 8.3 above, through August 31 of the school year just completed.

[8.5] INSURANCE COMMITTEE
