GRIEVANCE PROCEDURE

A. DEFINITION

A “grievance” is a complaint by a staff member or members, or the Association that there has been a violation, misapplication or misinterpretation of any provision of this Agreement. All time limits in this Article shall mean calendar days.

B. PURPOSE

The parties acknowledge that it is more desirable for a staff member and his/her immediately involved supervisor to resolve problems through free and informal communication. Grievances which are not satisfactorily settled in an informal way shall be reduced to writing (See Appendix B attached hereto) and referred to the following grievance procedure.

C. RIGHTS OF REPRESENTATION

A Staff member covered by this Agreement shall have the right to have an Association representative present at any time, subject to his/her requesting such representation.

D. TIME LIMIT

A grievance to be considered under this procedure must be initiated in writing within twenty-one (21) days of when the grievant became aware of the incident giving rise to the grievance.

E. FORMAL PROCEDURE

Level 1: Within five (5) days of receipt of a formal grievance, the building principal shall meet with the aggrieved staff member. Within five (5) days following any such meeting, the principal shall give his/her answer in writing. If the grievance is not settled at this level, then it may be referred to Level 2 within five (5) days of the receipt of any answer given at this level.

Level 2: Within five (5) days of grievance being referred to this level, the Superintendent will meet with the participants of Level I and examine the facts of the grievance. The Superintendent shall give his/her answer within five (5) days of any such meeting. If the grievance is not settled at this level, then within five (5) days from receipt of the answer rendered at this level, the grievance may be referred to Level 3, the School Board.

Level 3: Within fourteen (14) days of a grievance being referred to this level, the Board will hold a hearing with the participants and examine the facts of the grievance. The hearing shall be in non-public session at the request of the grievant. The Board will thereafter, within fourteen (14) days of such hearing, give its answer, in writing. If the grievance is still not settled, the matter may be referred to arbitration by the Association as set forth in Level 4 of this procedure.

Level 4: If the matter is referred to arbitration, then the parties shall first attempt to agree on a mutually acceptable arbitrator. If they are unable to do so within ten (10) days of the Association's request for arbitration, then either party shall apply to the American Arbitration Association to name an arbitrator under the rules and procedure of the Service. The arbitrator shall use his/her best efforts to arbitrate the grievance, including matters of procedural and substantive arbitrability, but he/she shall have no power to add to or subtract from, alter, or modify any of the said provisions. The arbitrator shall thereafter submit a written decision to both parties. The arbitrator's decision, which must be in writing and contain the reasons and basis for the decision, shall be binding on both parties. However, it is understood that either party may elect to exercise their right of review as provided by RSA 542, the terms of which are incorporated herein by reference. The parties agree to share equally in the compensation and expenses of the arbitrator.

- F. Time periods specified in this procedure may be extended by mutual agreement.
- G. Grievance(s) of a general nature or involving decisions by the Superintendent or School Board may be submitted by the Association to Level 2.
- H. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits (unless extended by mutual agreement) shall permit the aggrieved person to proceed to the next level.
- I. The parties agree that staff members covered by the Agreement shall enjoy freedom from restraint, interference, coercion, discrimination, or reprisal for participating in any grievance proceeding.
- J. Grievances shall not be made part of any employee's personnel file or used in making employment references.

ARTICLE VIII

IMPROVEMENT OF INSTRUCTIONAL STAFF

A. Staff Development

Each teacher will complete the required Staff Development hours within the 3 year recertification period, as described in the professional development master plan.

B. Course Reimbursement

1. Teachers will be eligible for reimbursement for courses that will enhance the teacher's ability to improve student academic performance.
2. To be eligible for reimbursement, courses must be approved by the Staff Development Committee (employing the program of staff development mandated by the state as an integral part of the teacher's recertification process) prior to taking the course; advance approval from the Superintendent of Schools is required.
3. Upon successful completion of the course with a grade of "B" or better, and submission of a transcript or signed official grade report and verification of tuition payment to the superintendent, the teacher will be reimbursed for the cost of tuition and registration fees.
4. Payment of course reimbursement is for tuition and related fees only. However, in no event shall the district expend more than \$20,000 per contract year for course reimbursement. In the event that requests for course reimbursement exceed \$20,000 in a contract year, the following lottery system will apply:

Reimbursement will be available in two (2) reimbursement periods. Employees may apply for up to six (6) credits during Period 1 after June 30th and prior to October 1st. Employees may apply for up to six (6) during Period 2 starting December 1st. The disbursement of funds in Period 1 shall not exceed half of the yearly agreed upon amount. Any sums not used during Period 1 shall be rolled into Period 2.

Anyone applying during Period 1 who has met the Period 1 deadline will have their application considered. If the total of the requests is more than the designated monetary amount, then a lottery system will ensue to determine which applications receive the money. Those whose applications were not selected in Period 1 will be eligible to submit again during Period 2. If the total of the requests for Period 2 is more than the designated monetary amount, then a lottery system will ensue to determine which applications receive the money. The disbursement in Period 2 shall not exceed the total agreed upon amount. Applications for reimbursement in Period 2 may not have received any previous reimbursement during Period 1 unless there are unexpended funds in Period 2.

Also, if an applicant received funds in Period 1, that application may not cause a lottery to occur in Period 2.

5. **Advance Payment Plan** - The District will prepay for any course that has been approved by the Staff Development Committee (employing the program of staff development mandated by the state as an integral part of the teacher's recertification process). Each participating teacher will enter into an agreement with the District to submit receipts, grades, and other paperwork for the course that was prepaid. The teacher will agree in writing to keep his/her Advanced Payment Account records up-to-date. Agreement between the WLC Board and the WLCTA
RIF Policy for 2014-2017

The procedure described below will be used for Reductions in Force made during the period of the collective bargaining agreement between the WLC School Board and the WLCTA, i.e. 2014-2017.

- The decision to implement a Reduction in Force shall be made at the sole discretion of the WLC School Board.
- As soon as a Reduction in Force is seriously contemplated by the WLC School Board, the Superintendent will notify the President of the WLCTA.
- Classification of the professional staff will be defined by level being taught (Elementary School and Middle-High School) and then Certification.

Procedure:

1. The School Board will make every reasonable effort to minimize the effects of reduction in force on the current staff by first considering retirement, attrition, and transfers before teachers are not renewed due to reduction in force.
2. If further reductions in staff are necessary, the School Board will retain those teachers who will be the best teachers for the school system and the students it serves.
3. In identifying which teachers to release, the WLC Board shall use the attached "Effectiveness Rubric" which will consider the following factors: academic status (education), certification experience in the certified area and/or job classification whichever is highest, experience in the district, planning for instruction, pedagogical effectiveness, professional responsibilities, and professional growth. The individual with the lowest overall rating in the Effectiveness Rubric will be laid off first. Ties in rating shall be resolved based on dates of appointment by the School Board. The Superintendent, in consultation with the School Principals, will have the responsibility of collecting and evaluating the data necessary to complete the Effectiveness Rubric.
4. In the case of dual certification, a teacher who has been identified for RIF in their first certification area may displace a teacher with a lower rating in their second certification area, if they have taught in the area of the second certification within the last 10 years.
5. Laid off teachers are eligible for recall for a two-year period following their final date of employment if a position becomes available in the area to which they were previously employed. Laid off teachers must provide the Superintendent their current address and phone number for the Superintendent to contact them in the event that an opening occurs. Recall notices shall be marked certified return receipt requested at the last known address. Teachers will have 14 days to respond to a recall notice. Failure to respond will indicate the intent not to return. Any teacher recalled shall retain all previously accrued benefits including, but not limited to, seniority and sick leave.
