1. The probation period shall be twelve (12) months in length.
2. There shall be two types of seniority, which are Departmental Seniority and Classification Seniority.
3. Departmental Seniority is based on the time an employee has been assigned to the Police Department. Employees shall accrue Departmental Seniority from the date they are employed in any full-time job within the department. Seniority shall be established from the day of full-time employment.
4. Classification Seniority is based on the time an employee has been assigned to a particular classification and employees shall accrue Classification Seniority from the date they are assigned to a particular grade classification. For purposes of this section, the classifications shall be: Dispatcher, Patrolman, Corporal, and Sergeant.
5. Departmental and Classification Seniority shall terminate upon the occurrence of one of the following events: Retirement; Discharge; Resignation; Lay-off beyond twelve (12) months; Absence due to illness or accident in excess of eighteen (18) months; and for failure to return from lay-off within fourteen (14) calendar days of receipt of notification of recall or to make arrangements with the Chief for the employee's return on some other date.
6. An employee shall continue to accrue both Departmental and Classification seniority during absences due to total temporary disability not the result of gross misconduct by the employee, provided the employee furnishes, every three months, a certificate by the Worker Compensation carrier or the employee's physician that the employee continues to be totally temporarily disabled.
7. The Police Chief shall provide a Police Department seniority list upon Union request.
8. This Definition of seniority and parts thereof shall have force and effect only with respect to provisions of this Agreement specifically requiring the Town to make personnel decisions in whole or in part on the basis of seniority.
9. Where two (2) or more employees are hired or promoted on the same date, their test scores shall determine who is the senior employee.

Article 8
HOURS OF WORK & OVERTIME

1. Normal Work Schedule—

a. Normal Work Schedule for Sergeant, Corporals, and Patrolmen - Shall be four (4) consecutive days each containing an eight-hour shift followed by two (2) days of rest, except that under emergency conditions in order to properly fill shifts with existing personnel, days of rest need not be consecutive.

b. Normal Work Schedule for Dispatcher - Shall be four (4) consecutive days each containing an eight-hour shift followed by two (2) days of rest, except that one position, if filled, shall follow a schedule consisting of five (5) eight hour days followed by two (2) days of rest for two (2) consecutive weeks, followed by four (4) eight hour days followed by three (3) days of rest. For both schedules, days of rest need not be consecutive to allow for proper coverage in emergency situations.

c. It is understood that no employee may be dismissed until properly relieved.

2. Sworn members on administrative assignment as Detective(s), School Resource Officers(s) and Traffic Officer(s) shall have a normal work schedule of five (5) eight-hour shifts followed by two (2) days of rest for two (2) consecutive weeks, followed by four (4) eight-hour shifts followed by three (3) days of rest, which need not be consecutive to allow for proper coverage. When mutually agreed to by the Chief or designee and employee, a flexible eight (8) hour schedule may be utilized on a case-by-case basis. (For clarification, this means that the employee may shift their schedule on a particular day if deemed appropriate for operations)

a. Employees are permitted to work no more than sixteen (16) hours in a twenty-four (24) hour period. Said twenty-four (24) hour period shall begin with the first hour of work after a minimum of eight hours off. Exceptions to the sixteen (16) hour maximum are permitted only if either an officer is held over at the end of their shift or assignment or required to come in earlier for their shift or assignment or by specific exception granted by the Chief of Police or his formally assigned designee.

3. Normal working shift hours will consist of: 0800 to 1600 will be considered day shift
1600 to 2400 will be considered evening shift 2400 to 0800 will be considered midnight shift
900 1700 will be considered day shift (for one Dispatcher on 5on/2off. 5on/2off, 4on/3off shift)

4. Overtime

a. For pay purposes the regular hourly rate of pay shall be determined by dividing the employee's base annual rate of pay by 2080 hours.

b. All hours worked in excess of eight (8) hours a day shall be paid at 1.5 times the employee's regular hourly rate.

c. Employees called back to work after having left the station at the end of their shifts or during any other period of off-duty hours will be paid a minimum of three (3) hours at time and one-half the employee's regular hourly rate. Employees required to attend court during their off- duty hours

shall be paid a minimum of three (3) hours at time and one-half, less the witness fees received by such employees, except as outlined in Article 14, Section 2. It is further provided and understood that if a call-back period overlaps a regular duty shift only the regular duty pay will apply during the time of the regular duty shift.

5. Hours paid, but not worked, such as earned time, holidays, etc. shall be counted in determining hours worked for the purpose of computing overtime pay.
6. Overtime shall be assigned to qualified sworn permanent employees on a rotating basis, according to seniority. No non-bargaining unit member shall be assigned to cover overtime or regular shifts until all sworn permanent, qualified employees shall have had the opportunity for such assignment.

Vacancies in a Dispatcher position shall be filled as follows:

Two open shifts per week may be filled with part-time bargaining unit personnel; any remaining vacancies during that week shall be filled with qualified non-sworn personnel on a rotating basis. If no qualified non-sworn employees accept the filling of any such vacancy, the Town may call part-time bargaining unit personnel followed by part-time non-bargaining unit personnel. If no one accepts the dispatching vacancy, it may be filled as the Town is presently doing with regards to Order In / Over procedures.

In the event that a non-sworn bargaining unit member is unavailable to work due to a prolonged injury or illness, greater than 30 days, and there is a qualified, sworn bargaining unit member on a limited duty status that sworn bargaining unit member may be utilized to fill that dispatch vacancy. This sworn bargaining unit member shall receive at least 2 weeks on the job training prior to being placed in the dispatch position. During the time that a sworn bargaining unit member is used to fill this vacancy that member will only be offered dispatch over-time after all the non-sworn bargaining unit members have not accepted the over-time.

- a. When in accordance with this section overtime is assigned to a qualified non-sworn personnel such overtime may be accepted by such personnel in a four (4) hour "split shift" basis. The Chief or designee reserves the right to deny overtime assignments in this arrangement in cases where fatigue may impair the performance of an employee electing such overtime. Employees may be required to work the remainder of a "split shift" if no employee is available for such work.
7. Swapping of shifts shall be allowed as long as it does not interfere with the Department's operations. Employees will hold the Town harmless with respect to the pay due the employees as a result of a swap and the regularly scheduled employee will not be harmed with respect to pay due as a result of a swap. All swaps shall be at the Chiefs' or designee's discretion, including, but not limited to, his discretion to refuse swaps if they effect supervision available on shifts such as a sergeant swapping for a patrolman. His/her decision shall not be arbitrary or capricious. Should a swap occur and the individual working the swap choose to take earned time, it is understood that this individual will have earned time deducted from their accrual balance and further be held accountable in all respects for working the shift as if they were regularly scheduled to do so. An officer who volunteers to work an overtime shift shall not be paid overtime unless he/she actually works the overtime shift.
8. The Senior Patrolman who is assigned a tour of duty without a supervisor will be compensated at five percent (5%) above his /her rate of pay beginning on the fifth consecutive work day working without a

supervisor.

9. Administrative Hours for Midnight Sergeant at Full Staff: During a period when the midnight shift is adequately staffed, which consists of one (1) Sergeant and three (3) officers, the midnight sergeant shall be offered the Administrative Sergeant schedule. The Administrative Midnight Sergeant will work a five (5) days on and two (2) days off, Tuesday through Saturday 0000-0800, schedule as agreed to by the sergeant and the Chief of Police. The Administrative Midnight Sergeant will receive a "Bonus" day every third week, consistent with other administrative positions listed in Article 8. Should the number of personnel drop below the adequate staffing for the midnight shift, beyond one (1) month, the Administrative Midnight Sergeant will revert to the normal work schedule for Sergeants, four (4) days on two (2) days off as agreed to in Article 8 Section 1 (a), until the adequate staffing level is again reached.

Article 9
SHIFT ASSIGNMENTS

1. Shift Assignments are made two (2) times each year January and July, beginning in July of 2023, based upon seniority, however, changes in assignments may be made for the following reasons:
 - a. Personal conflict of interest, i.e.. working with relatives.
2. Probationary employees may be assigned to any shift.
3. In order to facilitate an orderly procedure for changing of shifts, the Chief, or his designee, will post a shift selection list forty five (45) days prior to the date or shift assignment. Such selection list will remain posted for two (2) weeks. Assignments will be made and posted twenty five (25) days prior to the effective date of shift assignment.
4. All bargaining unit members, regardless of current assignment, will bid for shift schedules at the periodic shift bids as outlined in Section 1 above. All bargaining unit members on assignment will bid for the purpose of determining the shift they would work should they be reassigned back to patrol prior to the next shift bid.
5. Bargaining unit members on assignment will continue to work their normal shift based on their current assignment except that should an individual receive a mid-term reassignment back to patrol, then and in that case only, they shall be assigned to the shift schedule in which they last bid. As this reassignment would result in overstaffing on that schedule to which the reassigned employee moves, the least senior, non-probationary employee on that shift, regardless of squad assignment, would then be reassigned to whatever shift vacancy was created when the "assignment" slot is refilled. This procedure shall be applied in any circumstances when a mid term reassignment takes place involving employees on assignment as Detectives, Traffic Officers, School Resource Officers or others on administrative assignment.

Article 10
PROMOTIONS

1. It is agreed that the Town will utilize to the maximum extent possible the skills and talents of its employees and will normally fill position vacancies by promotion from within the Department insofar

as the practice is feasible. A promotion is defined as a movement within the bargaining unit, it does not include movement to non-bargaining unit positions. In order to be eligible for promotion the candidate must have completed a minimum of six (6) years full time law enforcement service, with a minimum of three (3) years as a sworn officer with the Windham Police Department.

2. Whenever a vacancy is to be filled by promotion from within the department, the Town shall have the right to fill such vacancies on the basis of the applicant's qualifications for the position as determined by a comprehensive testing procedure. Said testing procedure shall consist of three (3) parts and each part shall count as follows:
 - a. Written examination and/or assessment center designed to assess the applicant's knowledge of features of the position sought such as law, policy and procedure, supervision and management, practice, and judgment. (40 percent)
 - b. Oral examination by a board made up of three (3) representatives chosen by the Chief of Police and approved by the Board of Selectmen from other police departments. (40 percent)
 - c. Field evaluation which may consist of judgment testing, staff evaluation, and/or performance review. (20 percent)
 - d. Corporal is a level of Patrolman, determined by department seniority, that recognizes, by placement on a higher pay grade (Sergeant Union Pay Scale, Start), that an officer has completed a minimum of six (6) years full time law enforcement service, with a minimum of three years as a sworn officer with the Windham Police Department, has participated in the Sergeant's promotional process with an overall minimum score of 80%, an average or above average staff evaluation, and has met the physical agility test standard by the NH Police Standards and Training Council. Corporals of Officers who are promoted to Sergeant will be paid at Sergeant Union Pay Scale, Step 1.
 - e. Promotion to Sergeant, as outlined above, shall be conducted in April every 2-years, beginning in April 2020. The results of such testing shall be valid through March 31st of the second year following the test. If only one candidate qualifies that candidate shall be promoted. If more than one candidate qualifies, the Board at its discretion shall promote either one of the top two qualifiers upon recommendation of the Chief of Police, provided, however, should a subsequent promotional opportunity occur within two years of the original test then and in that event the candidate previously not selected shall be promoted, provided they have not had an upheld suspension in the past twenty-four months. In the event the top two candidates are either promoted or become ineligible, the next two eligible candidates will be considered for promotion (ie. If 1 and 2 are no longer eligible for consideration within the two year period following the applicable test for any reason, including but not limited to; promotion, upheld suspension, termination or retirement from employment or expressed disinterest in the position then, in that case the next two candidates (3 and 4) will become eligible for promotion). An employee who becomes eligible with six (6) months of the testing date will be considered eligible to take the test in April but will only be placed on the list in the appropriate spot at the time they reach qualification.
3. Promotional vacancies and/or opportunities shall be conspicuously posted within the department for a period of no less than ten (10) days during which memorandums of interest shall be accepted from qualifying individuals.

4. Employees who are absent, five (5) or more consecutive days, during the posting period shall automatically be placed on the list for consideration for the position(s); provided, however, that such an employee may, at his/her discretion have his/her name removed from the list within five (5) workdays of returning to work.
5. An employee who is promoted to a higher-level position shall be placed in a probationary promotional status for a period not to exceed nine (9) months. The employee shall periodically be evaluated to determine if he/she is performing the job in a satisfactory manner. A promoted employee shall have no seniority until satisfactory completion of the probationary period. Upon successful completion seniority shall be computed from the date of promotion to the rank/classification. If an employee is not able to satisfactorily perform the higher-level duties, then he/she shall be reduced in status to the same classification, pay grade, and pay step as he/she had held prior to promotion.
6. The above procedure shall be followed in all promotions of unit members to another rank within the bargaining unit

Article 13
LAYOFF/RECALL

1. Classification seniority shall control step-downs from one classification to the next lower classification. In the event the Town decides to reduce the number of employees within a particular classification, the employees in that classification with the least amount of Classification Seniority shall be laid off unless they elect to step down to the next lower classification. In the event an employee elects to step down to the next lower classification and this results in too many employees in that classification, again the employee (s) in that classification with the least amount of Classification Seniority shall be laid-off unless they elect to step down to the next lower classification; and, this process shall continue down to the lowest classification.
2. Departmental seniority shall control lay-off and re-hiring in the lowest classification in the department. Specifically, when the Town decides to reduce the number of employees in the department, and after classification, the employee in the lowest classification with the least Departmental Seniority shall be laid off. In addition, permanent employees who have been laid off shall be rehired, based on their Departmental Seniority, and availability for rehire, before new employees are hired. In the event of recall, employees shall be recalled in the reverse order of the layoff, and employees recalled to a full time position shall be placed back in the position they last occupied before layoff with no break in seniority.
3. Recalled employees shall be mailed, by certified mail, a recall notice to the last known address on Town records. It shall be the employee's responsibility to update such mailing address as necessary. An employee who fails to return to work within fourteen (14) calendar days of the receipt of the recall notice or who fails to make arrangements with the Chief for the employee's return on some other date, shall lose all recall rights and seniority.
4. Recall rights shall not extend beyond twelve (12) months after date of lay-off of the employee.

Article 14
OUTSIDE WORK DETAILS

1. Payment for outside details shall be at a rate equivalent to one and one-half the regular hourly rate of top step Detective Sergeant. Strike pay will be double time.
2. Employees working outside details for other than school department or Town functions shall be paid a minimum of four (4) hours except if the work is canceled prior to two (2) hours before the Officer is to report to duty. For school department or Town functions, employees will be paid a minimum of the three (3) hours, except if the work is cancelled prior to two (2) hours before the Officer is to report to duty.
3. Payment for the three (3) or four (4) hour minimum shall be based on the Officer's availability to

perform the outside detail for the entire three (3) or four (4) hour period, respectively.

- 4 When there is the need to staff an unanticipated outside detail, officers who are involved in court duty may fill this detail once they have been released from the court. When doing so, they will be paid for actual time worked on court duty rather than the three-hour minimum referred to in Article 8, Section 4(c). Officers will then receive Outside Detail Pay, as outlined in this section commencing upon arrival at the detail site.

- 5 Outside details shall be assigned to permanent sworn personnel on the basis of seniority on a rotating basis. If no permanent employee has accepted duty, the duty may be offered to police probationary employees and other police personnel.

Article 15
HOLIDAYS

1. There shall be eleven (11) holidays per year, designated by the Union and approved by the Town at the beginning of each contract period which covers the normal holidays recognized by national traditions, as well as possible inclusion of Christmas Eve (December 24th).

- 2 Full-time employees who are normally assigned a shift that works during a holiday will receive compensation at the rate of double time the regular hourly rate of pay for time worked during the holiday (maximum of eight (8) hours), in addition to the normal pay for that period.

3. Full-time employees who are normally assigned to a shift that is scheduled off during a holiday will receive compensation of eight (8) hours of pay at the regular rate in addition to the normal pay for that period.

Article 16
EARNED TIME

1. Earned Time is an alternative approach to the traditional manner of covering absences for vacation, personal leave days, and sick leave. Instead of dividing benefits into a specific number of days for each benefit. Earned Time puts these days together into a single benefit. Earned Time days can be used for a variety of purposes, including a payment in cash at the time of voluntary termination. Earned Time is available as soon as it is “earned”. The exact number of Earned Time days available each year will depend on the years of service to the Town.

2. Coverage: Employees who are employed in a permanent position of at least 75 percent time are covered by Earned Time. The accrual rates are as follows:

<u>Years of Service</u>	<u>Days Accrued Per Hour</u>	<u>Days Accrued (Approx) Per Month</u>	<u>Annual Days</u>
1 thru 5	.0096	1.67	20
6 thru 10	.0120	2.08	25
11 thru 19	.0144	2.50	30
After thru 19	.0168	2.92	35

3. For purposes of this policy, years of service will be calculated in a manner identical to that used for purposes of Seniority (Article 7). Employees accumulate Earned Time based on regularly scheduled hours worked or in pay status up to those hours budgeted for the position (other non-status hours worked and supplemental compensation such as overtime are excluded) and on years of service to the Town.
 - a. Increases in accrual factors shall be effective on the first day of the pay period closest to the date the employee's level of accrual is scheduled to change.
4. Earned time (ET) requests shall be submitted in writing to the employee's immediate supervisor as soon as such time is known- up to the start of a particular shift, however ET requests submitted more than 180 days in advance will not be allowed.
5. ET requests submitted no less than 14 days in advance shall be granted for one employee per patrol shift with mandatory overtime used to fill such vacancy if required. ET request submitted with less than 14-days' notice or submitted after ET has been granted to someone else shall not be guaranteed. Such request will be denied if overtime is required, and no one voluntarily agrees to work such.
6. Emergencies, illnesses and specific exceptions as determined by the Chief of Police or his designee are exempt from the 14-day minimum notice requirement. Mandatory overtime will be used to fill such vacancies if required.
7. ET requests submitted for a date that is designated as a contractual holiday in the collective bargaining agreement will not be filled with mandatory overtime.
8. Approvals for ET may be rescinded at any time when unforeseen circumstances dictate the need for such (i.e., emergencies, critical incidents, staffing shortage, etc.)
9. **Earned Time Buy Back:** An earned time buyback of one block of up to 80 hours maximum each year, while maintaining a minimum bank of 120 hours will be allowed to be purchased in July of each year.
10. **Termination and Restoration of Service Credit:** An employee whose break in service from the Town is less than one (1) year will have his/her service bridged for purposes of computing Earned Time accrual. For breaks of more than one (1) year, an individual will earn one (1) year credit for each year of employment after return, until the total past credit is accrued. After five (5) years of employment following return to work, credit for all previous service will be given.
11. Usage:
 - a. Earned days may be used any time after being earned. It is expected that all planned absences will be mutually agreed upon by the employee and his/her supervisor prior to the date of absence.
 - b. Earned time cannot be used by the employee to gain extra paid overtime during his/her regularly scheduled shift, with the exception of allowing Earned Time to be used for Outside Work Details.

- b. Earned days may be used in units of one half (1/2) or more hours.
 - c. **Minimum Usage:** Effective April 1, 2023, No minimum usage of Earned Days will be required each year.
 - d. Earned days may be taken to cover absence for any reason, including illness, vacation, funeral, dentist or doctor visits.
 - e. Earned Time benefits accrue only during the initial three (3) weeks (15 working days) of Sick Leave Pool usage. Each separate use of the Sick Leave Pool, however, provides for the continuing earning ability.
 - f. No more than thirty (30) consecutive earned days may be taken contiguous prior to the date of retirement.
12. **Sick Leave Pool:** The Sick Leave Pool is intended to provide security by allowing employees to “buy” insurance for extended illness or other disability. When “buying” Pool days, employees convert Earned Days on a 1 to 3 basis. Similar to purchasing insurance, the employee may pick a given number of days to exchange for coverage in case of extended disability.
- a. Pool days are available for use only under the conditions listed below, and are not eligible for payment at retirement or termination.
 - 1) Use of Pool days may begin on the fifth consecutive work day absence due to illness, injury, or other disability.
 - 2) A physician’s report must accompany the request to use Pool days.
 - 3) It is not necessary to use up all Earned Days before using Pool days.
 - 4) The employee may continue using Pool days until his/her Pool is exhausted, or until no longer disabled.
 - 5) Periodic doctor’s reports may be required.
 - 6) The maximum Pool Day accrual is 150 days (i.e. the maximum conversion of Earned days of 50, which would convert to 150 Pool days). If Pool days are used, or if an employee wishes to add to his/her Pool days, more Earned days may be added each July (to a total of 150). Earned Time days may not be converted to Pool days at any other time.
13. **Termination:** Unused Earned Time days up to a maximum of eight hundred (800) hours for those employees in the Union prior to April 1, 2014 and four hundred (400) hours for those employees in the Union after April 1, will be paid at the time of termination or retirement if the termination occurs under normal circumstances and does not involve an Act which demonstrates unfitness for continued employment within the Town, such as theft or immoral conduct.
- a. Earned Time is paid at the same base pay rate at time of termination.

- b. Employees entering the Union prior to April 1, 2014, are allowed to accumulate up to a maximum of nine hundred and sixty (960) hours in their earn time account as of December 15th of each calendar year. Employees entering the Union after April 1, 2014 are allowed to accumulate up to a maximum of four hundred and eighty (480) hours. Those employees who have more than their allowed maximum accruals as of the pay period ending immediately after December 15th each year will be able to be paid for up to eighty (80) hours of earned time at their then current rate, payable during the last pay period of the year. Any time still remaining above their applicable maximum levels allowed as of December 15th each year, after any hours converted for payment, shall be forfeited by the employee and removed from their leave balances.
- c. Those employees having more than nine hundred and sixty hours (960) hours of earned time as of April 1, 2014 shall be "grandfathered" for the purposes of maximum accruals allowed at their then earned time balance as of April 1, 2014, or one thousand two hundred (1,200) hours, whichever is less.
