ORDER DENYING PETITION
FOR REHEARING

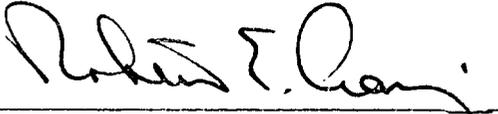

On November 16, 1982, PELRB declined to find an unfair labor practice in the case involving the placement of a letter in a teacher's personnel file intended merely as guidance.

The Education Association on December 3, 1982 petitioned for a rehearing of the Board's decision. Since the granting of a rehearing is a discretionary matter, PELRB carefully reviewed the case and determined that no basis exists for the reconsideration of their previous decision.

We therefore

ORDER that the petition for rehearing be, and hereby is denied.

Dated this 17th day of December, 1982.

 ROBERT E. CRAIG, Chairman

By unanimous vote.
