### BACKGROUND

On April 28, 1995, the Northwood School Board filed a petition to modify the Northwood Support Personnel bargaining unit by deleting the positions of speech and language assistant, nurse, librarian, head custodian and secretary from the unit. On May 10, 1995, objections were received from NEA-NH. The parties appeared before the undersigned hearing officer on June 19, 1995.

The Northwood School Board withdrew its request to delete the above named positions and, instead, requested the deletion of the position of kitchen manager who was included in the category referred to as "kitchen workers" in the certification document dated May 13, 1994. Respondent, Northwood Support Personnel/NEA-

New Hampshire joined in the petition. The parties agree that an error was made at the formation of the bargaining unit which may be corrected with the deletion of the kitchen manager position from the bargaining unit made up of support personnel.

DECISION AND ORDER

Having reviewed the evidence, there being agreement between the parties as to the modification of the bargaining unit, the petition as amended at the hearing is granted. The position of kitchen manager is deleted. The bargaining unit certified on May 13, 1994, remains otherwise unchanged to wit: All aides, custodians, kitchen workers, library workers, library aides and nurses.

So ordered.

Signed this 22nd day of June, 1995.
