ORDER DISMISSING COMPLAINT

The parties, represented by counsel or their duly appointed Union representative, appeared before the undersigned hearing officer on January 21, 1999, and advised that they had reached the following agreement in order to dispose of the pending unfair labor practice complaint:

In consideration of the unfair labor practice filed by the City of Claremont against AFSCME, Local 1348 on behalf Claremont City Employees, the parties have agreed as follows regarding future negotiations sessions with the understanding that this agreement will be cause for the City to withdraw the pending unfair labor practice, PELRB Docket No. A-0582:1, to wit:

The parties agree that the remaining negotiations sessions for this bargaining unit will be conducted by alternating negotiating times between hours for which bargaining unit employees who are on the negotiating team are being paid by the City and for times when they are not being paid by the City. The alternating schedule shall be by session and not by hours spent. The composition of the bargaining

unit team for the Union shall remain unchanged for the duration of these negotiations unless changes therein are initiated by the Union.

The foregoing was memorialized by the parties' signatures to the settlement agreement. Accordingly, the hearing officer adopts the parties' agreement as and for the Order in this case.

The ULP is DISMISSED.

So ordered.

Signed this 25th day of January, 1999.
