ORDER

WHEREAS the above-referenced parties have jointly filed a "Proposed Order," dated May 3, 2004, in which they have expressly agreed to proceed to arbitration on the underlying grievances referenced in the above-captioned unfair labor practice complaint, that all issues presented within the unfair labor practice charge may be presented by the Complainant in the arbitration proceedings, and the City agrees to the arbitrability of these grievances, it is hereby:

ORDERED that the parties' proposed order is granted; that this case shall be held in abeyance by the PELRB pending the parties' participation in grievance arbitration and the issuance of the arbitrators' awards; and that unless either party files a request with the PELRB for further hearing and review within thirty (30) days of the third and final arbitrator's decision, this case shall be administratively dismissed from the PELRB's docket of cases.

The Union, as Complainant in this pending unfair labor practice charge, shall notify the PELRB of the status of the arbitration cases every 120 days and until the issuance of the awards. Upon receipt of the arbitration awards, a copy of each shall be forwarded to the PELRB within five (5) days thereafter.
