Case No. F-0103-31

Decision No. 2006-121

ORDER

Following a pre-hearing conference on May 31, 2006 relative to the above-entitled matters the parties' representatives agreed to postpone the adjudicative hearing originally scheduled for June 29, 2006. In accordance with PELRB Decision #2006-088 the complainant agreed to file an amended unfair labor practice complaint on or before June 30, 2006. On June 23, 2006 the complainant filed a joint request for extension to file an amended unfair labor practice. The result was granted permitting a fifteen (15) day extension for filing. The respondent's answer would therefore be due 15 days from that filing.

WHEREAS, the extension period has long since lapsed without any correspondence or amended unfair labor practice filed by the complainant, the case is hereby administratively dismissed.

So ordered.

Signed this 17<sup>th</sup> day of August, 2006.
