ORDER ON PROPOSED STRUCTURING ORDER

The petition for certification in this matter was filed on April 19, 2006. It was scheduled for hearing on May 25, 2006. It was rescheduled to August 11, 2006 and then to September 6, 2006. The parties now seek cancellation of the September 6, 2006 hearing so that they can submit the case for decision based upon stipulated facts and memoranda of law, as set forth in the parties' proposed stipulated structuring order filed on August 25, 2006. However, the proposed structuring order is not approved because it provides the parties with the right to request a hearing.

Accordingly, this matter is still scheduled for hearing on September 6, 2006. Between now and September 6, 2006 the parties may notify the PELRB of a decision to submit the case based upon written stipulations of fact and supporting memoranda of law utilizing the content of the pleading filed on August 25, 2006 but omitting paragraph 5 ("[t]he parties reserve the right to file a motion for a hearing if they are unable to agree on a Joint Stipulation of Facts or if other unforeseen circumstance arise").

So ordered.

Signed this 28th day of August, 2006.
