Case No. G-0034-1

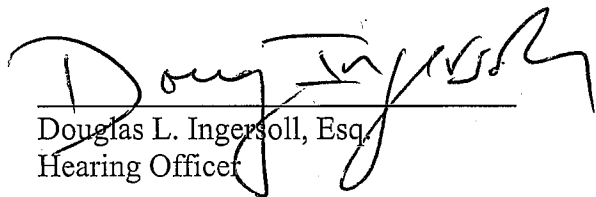

Decision No. 2006-211

ORDER ON PETITIONER'S MEMORANDUM OF LAW

Petitioner's Memorandum was received by electronic filing on November 13, 2006. Pursuant to the approved stipulated structuring order it was due November 3, 2006. It has already been rejected because it was not dated. It is now apparent that it was submitted ten days after the established deadline for filing memorandum of law in this long-delayed case and it is rejected on that basis as well. Petitioner may resubmit their Memorandum but it will not be accepted unless it is: 1) filed on or before November 22, 2006; 2) properly dated; and 3) supported by an appropriate motion for extension of time to file Memorandum. The motion shall, among other things, state why the Memorandum was not timely filed in the first instance and whether respondent agrees to the requested extension of time. A ruling will then be made on the motion.

So ordered.

November 16, 2006.
