Case No. U-0613-15

Decision No. 2006-225

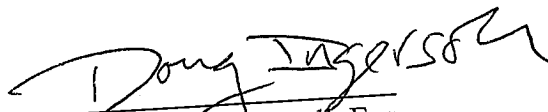

ORDER ON MOTION TO CONTINUE

On December 14, 2006 the parties filed a joint motion to continue the December 19, 2006 hearing based upon the fact that ongoing settlement discussions will likely resolve the issues in this case. This is the second continuance of the merits hearing – the case was initially scheduled to proceed on November 3, 2006. By now it would appear that the parties have had ample opportunity to determine whether the issues raised by the modification petition filed on August 31, 2006 could be resolved by agreement. However, anticipating that in fact this matter will ultimately resolve by agreement based on the parties' representations, the motion to continue is granted.

There will be no further proceedings scheduled in this case for the next 60 days. At the end of 60 days this matter will be administratively dismissed unless, before the expiration of the 60-day period, the PELRB receives either an agreed upon modification or a request to schedule a further hearing based upon the parties' failure to resolve the matter by agreement. In the event a further hearing is scheduled it is anticipated that no additional continuances will be allowed.

So ordered.

December 14, 2006.
