

2007 SYNOPSIS

Hillsborough County Sheriff v. Hillsborough County Sheriff's Employees Department Employees

PELRB Case No. G-0012-10

County claimed that union committed unfair labor practice by requesting to proceed to fact finding before 45 days passed after termination of mediation process. PELRB denied county's complaint finding that, although union's request for fact finding may have been technically premature, union's action did not contradict intent of RSA 273-A.
