**DECISION NO. 2009-186**

**ORDER**

On August 19, 2009 the Rollinsford Paraprofessionals' Association, NEA-NH filed a petition for certification and the Rollinsford Teachers' Association, NEA-NH filed a petition for modification seeking to add certain paraprofessional employees to the existing teachers' bargaining unit of the Rollinsford School District. The District has agreed with the proposed modification provided that the election would be conducted pursuant to RSA 273-A:8, II to determine whether the teachers and paraprofessionals, voting separately, wished to join the proposed modified bargaining unit.

The representation election was conducted on September 9, 2009. The paraprofessional employees voted to be represented by the NEA-NH. Also, the majority of the paraprofessional

employees voted to join the existing teachers' bargaining unit and the majority of teachers voted to be included within one bargaining unit with the paraprofessional employees.

Accordingly, the Rollinsford Teachers' Association's petition for modification is granted.

An amended certification will be issued in accordance with these election results.

So ordered.
