

**STATE OF NEW HAMPSHIRE**  
PUBLIC EMPLOYEE LABOR RELATIONS BOARD

**AFSCME Council 93, Local 298**

v.

**City of Manchester**

**Case No. G-0008-15**  
**Decision No. 2014-008**

Order

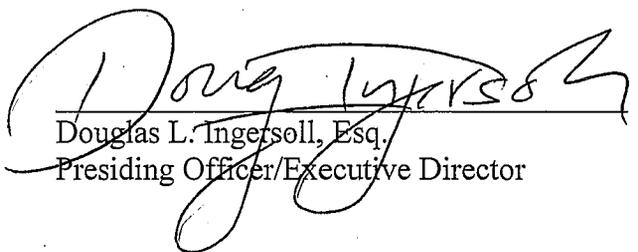

Per prior PELRB Decision No. 2013-260 case activity in this matter was suspended until December 30, 2013 given the parties' ongoing efforts to resolve this matter by agreement. The Union has now filed an agreed upon modification petition (Case No. G-0008-18) and an agreed upon certification petition (Case No. G-0216-1). It appears that the purpose of these two cases is to have the PELRB recognize a new bargaining unit comprised of certain employees whose status is the subject of the unfair labor practice charge in this case. Accordingly, the parties shall notify the PELRB on or before **January 15, 2014** if this case can now be dismissed given the pending modification and certification proceedings, or, if not, submit a request for other relief as appropriate.

So ordered.
