Order

On September 2, 2014, the Association filed an agreed upon petition seeking to modify the bargaining unit description for an existing bargaining unit. See PELRB Certification of Representative and Order to Negotiate, Case No. T-0393 (January 24, 1990). On September 24, 2014, the parties participated in a telephonic conference scheduled by the PELRB in order to clarify the unit description proposed by the parties. At the conference, the parties jointly requested that the proceedings in this case be continued to allow the parties additional time to work on the unit description. The parties' request is granted. There shall be no further proceedings in this case until October 24, 2014. The parties shall file a Joint Status Report on or before **October 24, 2014** at which time an order will be issued as appropriate and necessary.
