Order

On February 10, 2015 Teamsters Local 633 filed a Petition for Certification requesting that the PERLB certify a bargaining unit comprised of certain public works employees and conduct a secret ballot representation election. Per N.H. Admin. Rules, Pub 301.01 (p); the PELRB February 10, 2015 Notice of Filing; and the Certification Petition form, exceptions, objections, and petitions to intervene were due within 15 days of the filing of the petition, or by February 25, 2015. On February 26, 2015 the Town filed a letter with the PELRB explaining there had been some confusion about the processing of the paperwork in this case and requesting an extension of time to March 4, 2015 in order to provide the Weare Board of Selectmen with time to review the petition at their upcoming meeting.

The Town's request for an extension of time to complete its review of the Certification Petition is granted, provided, however, that the Town's formal response to the petition shall be filed with the PELRB on or before March 5, 2015. The Town is further advised to copy the Teamsters Local 633 on all filings and submissions to the PELRB in this case.

So ordered.
