Case No. G-0270-1
Decision No. 2018-063

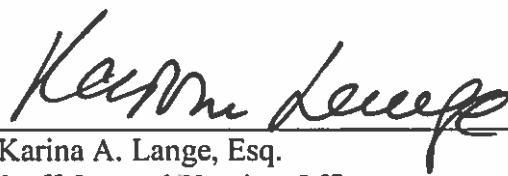

Order

On May 11, 2018, the AFSCME Council 93, Local 534, AFL-CIO (Union) filed a motion seeking to amend its petition for certification by adding the position of Highway Foreman to the proposed bargaining unit. The Town of Moultonborough (Town) indicated that it does not object to the motion to amend the petition if the May 16, 2018 hearing is rescheduled to a date in late May or early June, 2018.

Upon review, the Union's motion to amend the petition is granted without prejudice to any objection the Town may have to the inclusion of the Highway Foreman in the unit. Accordingly, the petition for certification is amended. To allow the Town time to amend its answer to the petition and to prepare for the hearing on objection to the amended petition, the May 16, 2018 hearing is cancelled. No later than **May 18, 2018**, the parties shall submit to the PELRB at least three alternative hearing dates in late May or early June, 2018 that are acceptable to both parties. A new hearing date shall be established in a subsequent notice of rescheduled hearing.

So ordered.
