Case No. F-0127

Decision No. 2018-201

Order

On September 27, 2018 the Hampton Fire Department Supervisory Association (HFDSA), Local 3017, IAFF filed a petition to change affiliation under Pub 301.04 (a). The petition is supported by the affidavit of Michael Brillard, documenting a bargaining unit employee vote to disaffiliate from HFDSA, Local 3017, IAFF and affiliate with Hampton Professional Firefighters Association, Local 2664, IAFF. However, since the process of affiliation cannot be used to change the exclusive representative¹ (which is the HFDSA, as documented in the PELRB certification file), the proposed affiliation will be recognized but the incumbent exclusive representative will still be named. Accordingly, the change in affiliation to "Hampton Fire Department Supervisory Association, affiliated with Hampton Professional

¹ Under RSA 273-A:10, V, the "board shall not certify any employee organization as the exclusive representative of a bargaining unit without an election being held pursuant to this section."

Firefighters Association, Local 2664, IAFF," will be reflected in the PELRB records and in an Affiliation Notification to be issued forthwith.

So ordered.
