v.

City of Manchester

Cases Nos. G-0203-3 & G-0070-7
Decision No. 2019-020

Order

On January 14, 2019 the Associations filed a status report advising that the parties continue to work on a settlement and that additional time is required to finalize a resolution. The Associations' request for additional time is approved. Accordingly, there shall be no further proceedings in these cases until May 1, 2019, at which time these cases shall be dismissed unless one of the parties files a request for a hearing or other appropriate relief on or before that date. The parties should note that any further requests to delay proceedings in these cases beyond May 1, 2019 is strongly discouraged as these cases have been on the docket since December of 2017. The parties shall promptly inform the PELRB of any resolution in the interim.

So ordered.
