v.

Derry Cooperative School District

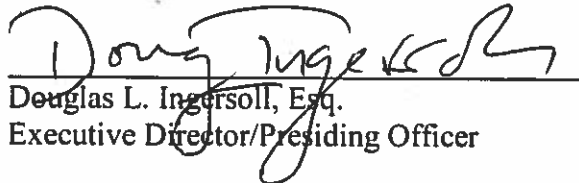

Case No. E-0230-2
Decision No. 2019-029

Order

The joint motion to continue the February 12, 2019 hearing given the status of certain evidentiary matters referenced in the motion is denied. Evidence about any video footage a party wishes to submit into the record can also be offered through testimony of witnesses who have viewed the video and can describe what it shows. There is ample time for both parties to have someone watch the video so they are prepared to present such testimony at hearing. Any objections based upon the accuracy or reliability of such testimony will be addressed at hearing.

So ordered.
