Case No. G-0115-10
Decision No. 2020-060

Order

Pursuant to Pub 206.01 (b) the parties are notified that the board will issue a ruling on the petition for declaratory ruling. The board has also determined that a hearing and briefs will assist the board in making its ruling on the applicability of 273-A:9, I in the circumstances of this case. At hearing, the board expects the parties to provide more detail about the nature of the SEA bargaining proposals at issue, relevant bargaining history, as well as any other evidence relevant to the SEA's contention that the disputed bargaining proposals are unique to the individual bargaining units involved in these proceedings.

So ordered.
