**Decision No. 2020-150**

Order

A status conference was held on July 14, 2020 and the submission of this case for decision on stipulations, exhibits, affidavits (if necessary), and briefs was discussed in detail. Suggested dates for submitting filings during August were reviewed with the objective of having all filings completed, and the record for decision established, on or before August 25, 2020. As reviewed, the parties may maintain any relevancy objections they have to any submissions – the objections should be specifically notated as to any exhibit, stipulation, or affidavit and relevancy arguments made in the briefs. As discussed, the parties will continue to confer on a proposed schedule and shall submit a filing on scheduling no later than July 31, 2020.

So ordered.
