Public Employee Labor Relations Board

International Chemical Workers Union Council/UFCW

v.

Hillsborough County Nursing Home

Case No. G-0292-2
Decision No. 2020-151

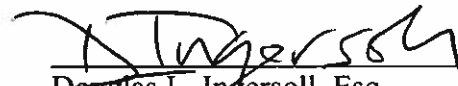

Order

The ICWUC/UFCW filed an unfair labor practice complaint on July 10, 2020. On July 16, 2020 the County filed a motion to dismiss based on the assertion that the complaint does not comply with Pub 201.02 and does not include required information such as: 1) the specific provisions of RSA 273-A that have allegedly been violated; and 2) a clear statement characterizing each act in terms of the specific provision of RSA 273-A:5 or 6 alleged to have been violated. The County's characterization of the deficiencies of the complaint are accurate, and the omitted information must be provided in order for the County to prepare and file an answer and in order for the PELRB to act on this case.

Accordingly, **on or before July 31, 2020** the ICWCU/UFCW shall file an amended complaint setting forth the required detail and statutory references. The current deadline for the County's answer is suspended, and the County shall file an answer to the amended complaint within 15 days of the date the amended complaint is filed. In the event the ICWCU/UFCW does not file an amended complaint per this order this case shall be dismissed.

So ordered.
