Case No. G-0141-3
Decision No. 2022-185

Order

On October 26, 2022, the Carroll County Sheriff's Department filed an agreed upon modification petition to remove the Civil Clerk position from the bargaining unit, noting that it is now part-time with no more than 32 hours. Although the Civil Clerk position is not specifically listed in the July 12, 1991 certification (Case No. M-0644), the pending modification petition indicates that the parties have treated it as a bargaining unit position, and an order confirming this position's status is therefore appropriate. Accordingly, the modification petition is granted. An updated description of the bargaining unit will issue which includes the Civil Clerk position in the list of excluded positions.

So ordered.
