Case No. G-0197-14
Decision No. 2023-155

Order

AFSCME Council 93, Local 1801 (AFSCME) is the current representative of the bargaining unit involved in these election proceedings. The PELRB conducted a pre-election conference on June 29, 2023, and on the same date AFSCME filed a Motion to Withdraw from the Ballot. Although AFSCME is a party to these proceedings on account of its status as current bargaining unit representative, and therefore is normally placed on the ballot under applicable rules, there is nothing in the election rules which precludes the pending motion. Accordingly, the motion is granted, and AFSCME will not be listed as a choice on the ballot. The order granting the petition and the order for election¹ are amended consistent with this decision. The election now scheduled for July 17, 2023 will include two choices on the ballot: *Hudson Public Works Association* and *No Representative*. This order shall be posted together with the Notice of Election and related posting documents.
