

**Laconia Education Association/NEA-NH v. Laconia School District, SAU #30**, Decision No. 2004-028 (Case No. T-0239-24)

Union claimed that district committed unfair labor practice by unilaterally setting terms and conditions of employment for certain positions that adversely affected employees and resulted in removal of positions from bargaining unit. PELRB dismissed union's complaint finding that evidence was insufficient to prove that employees in subject positions were members of bargaining unit subject to parties' contract.
