

Contoocook Valley Regional School District v. Contoocook Valley Education Association/NEA-New Hampshire, Decision No. 2004-112 (Case No. T-0275-20)

District claimed that union committed unfair labor practice by filing non-arbitrable grievances on behalf of its member challenging the actions of superintendent in suspending that member with pay and recommending his dismissal. PELRB denied complaint finding that it could not be said with positive assurance that grievances were excluded from coverage under parties' contractual grievance procedure.
