

Conway Education Association, NEA-New Hampshire v. Conway School Board, Decision No. 2004-200 (Case No. T-0221-17).

School board objected to union's modification petition to add position of school nurse to existing unit. PELRB denied union's petition because parties' collective bargaining agreement excluded non-teaching nurses and allowed only teaching employees required to hold appropriate certification to be in bargaining unit and because school nurses did not teach and were not required to hold certification.
