

New Hampshire Troopers Association v. New Hampshire Department of Safety, Division of State Police, Decision No. 2005-028 (Case No. P-0754-15).

Union claimed that division committed unfair labor practice by deducting, contrary to past practice, more than 8 hours of annual leave from troopers' accounts for each day of leave taken. PELRB ordered division to cease and desist from deducting more than 8 hours per leave finding that division's unilateral action changing manner by which leave was charged constituted failure to maintain status quo.
