

Hinsdale School District v. Hinsdale Federation of Teachers/NEA-NH, Decision No. 2005-064 (Case No. T-0386-8).

District claimed that union committed unfair labor practice by attempting to arbitrate non-arbitrable grievance regarding involuntary teacher reassignments. PELRB granted district's motion for summary judgment finding that reassignment authority was management right unrestricted by either statute or agreement and clearly excluded from grievance procedure.
