

Sanborn Regional School District v. Sanborn Regional Education Association/NEA-NH,
Decision No. 2005-151 (Case No. T-0256-23).

District claimed that union committed unfair labor practice by demanding arbitration of grievance resulting from teacher's nonrenewal. PELRB dismissed district's complaint and directed parties to proceed to arbitration finding that collective bargaining agreement (CBA) contained arbitration clause and that subject of dispute was not excluded from arbitration under CBA.
