and **NEPBA, Inc. Local 45 (NH Fish & Game Supervisory Officers) and SEA/SEIU Local**
1984, Decision No. 2006-174 (Case No. S-0431 and Case No. S-0432).

PELRB granted NEPBA's petitions for certification/modification of two units over incumbent union's numerous objections finding that sergeants exercised supervisory authority and were properly included in supervisory unit, that colonel position was not confidential, that incumbent union had sufficient notice and that petitions could proceed to elections despite the fact that deadline for conducting elections passed because petitions were timely filed and delay was due to high number of filings.
