

NH State Correction Association v. SEA, SEIU Local 1984 and State of New Hampshire,
Decision No. 2006-198 (Case No. S-0414-1).

SEA objected to association's petition for certification claiming that association failed to demonstrate requisite 30% interest and that petition was untimely. PELRB dismissed association's petition finding that association did not meet 30% interest threshold as some of cards submitted were invalid.
