

Rye Educational Support Staff Association, NEA-New Hampshire v. Rye School District,
Decision No. 2018-200 (Case No. E-0221-1).

Background: The union claimed that the district violated RSA 273-A:5, I (a), (e), (g), & (h) when it failed to negotiate in good faith. The union alleged that the district refused to make good faith proposals, to follow the ground rules, and to provide necessary information to the union; and that the district inappropriately put forward “take it or leave it” proposals and refused to make any counterproposals. The district denied the charges.

Decision: The PELRB found that there was insufficient evidence to find that the district committed an unfair labor practice and dismissed the complaint.
